Watts-Stockford Wedding At United Church

The wedding was solemnized in the Georgetown United Church last Saturday afternoon, June 28th, of Evelyn Louise Stockford, daughter of Mr. and Mrs. Harry Stockford, of Georgetown, and Thomas Devonald Watts, son of Mrs. Sarah Watts and the late Mr. Watts, of Toronto.

Rev. F. C. Overend officiated at the ceremony, and Miss Elma King played the wedding music. During the signing of the register, Miss Wyneth Watts, of Toronto, sister of the groom, sang "Because." The church was decorated with beautiful bouquets of blue delphiniums.

Given in marriage by her father, the bride wore a floor length gown of white triple sheer and white veil. She carried a shower bouquet of garden flowers.

Mrs. Jack Rush of Toronto, sister of the bride, was maid of honour, wearing a floor length gown of pink taffeta. Her bouquet was of garden flowers. Staff-Sergeant Edgar Watts, of Youngstown, New York, attended his brother as best man, and the signing of the register, Miss Wyneth Watts, of Toronto, brother of the bride, and Mr. Garfield McGilvray.

A reception followed at the home of the bride's parents, where the bridal party was assisted in receiving by the bride's mother, wearing heavy blue sheer and corsage of garden flowers, and the groom's mother dressed in navy sheer with garden flower corsage.

The couple left on a motor trip to the east. For travelling, the bride chose embroidered blue sheer with white accessories. On their return they will reside at 7 Allanvale Ave., Toronto.

Horticultural Society Bids Farewell To Member

The executive of The Georgetown Horticultural Society met at the home of A. M. Nielsen, the president, last Thursday, June 28th. After the business was conducted, Mrs. Nielsen and Mrs. F. C. Overend joined the group. On the occasion of Mr. and Mrs. Overend leaving Georgetown, Mr. E. L. Hutt expressed the regret of the Society over their departure and their appreciation of their enthusiastic interest in the work of the Society. The re-organization of the Society was largely due to Mr. Overend.

A flower vase was presented to Mr. Overend along with some beautiful spikes of delphinium and Madonna lilies from Mr. Hutt's garden. A certificate of membership in good standing, was presented in humorous vein, by Mr. Hutt recommending Mr. Overend to the Horticultural Society of Orynton and expressing very sincere wishes for his and Mrs. Overend's happiness in their new environment.

The following letter was received this week by Ken MacDonald, President of the Lorne Scots Band, from the two Halton County organizers.

Dear Mr. MacDonald:
We would like to record the appreciation of the County Executive, your Local Committee and ourselves for the effective help you gave the Victory Loan 1941 Campaign in the County of Halton. Rev. F. C. Overend Preached Farewell Sermon Last Sunday

Margaret James Married At St. George's Church

St. George's Church was the setting for a very pretty wedding on Saturday afternoon, June 28th, when Margaret Emily James, daughter of Mrs. Emily James and the late Mr. George James, Georgetown, became the bride of David Lovell Puckering, son of Mrs. J. Puckering, of Brampton. Rev. W. G. O. Thompson officiated. The church was decorated with red roses and ferns.

Entering the church on the arm of her uncle, Mr. Edward James, of Hamilton, who gave her in marriage, the bride wore a powder blue miracle crepe dress of redingote style, trimmed with large white lace collar and cuffs, a large white sweetheart hat and lace mittens. She carried a shower bouquet of American Beauty roses and bouvardia.

Mrs. Thomas Hoara of Brampton was her sister's matron of honor and wore a dusty rose crepe frock with white halo hat and gloves and shoes to match. Her bouquet was of bronze tea roses.

The reception was held at the bride's home, Mrs. James, the bride's mother, receiving the guests wearing a turquoise blue crepe frock, large white picture hat and white accessories. Her corsage was of red roses. Mrs. Puckering, mother of the groom chose navy blue sheer, with navy hat and accessories, and wore a corsage of red roses.

After a short motor trip the bride and groom will make their home in Brampton.

Out-of-town guests were present from Brampton, Toronto, Stratford, Hamilton and Batavia, N.Y.

At the conclusion of the service, Mr. A. MacLaren read an address to Mr. and Mrs. Overend from the people of the church, the words of which follow:

Dear Mr. Overend:
In the life of the church, there comes, at certain times, the necessity of breaking official ties between Pastor and people. Such a painful time has now arrived for us. But we would emphasize the word "official" because we all hope that those ties are the only ties which we must break and that the bonds of affection and friendship which have existed between us may never be broken.

You have been with us for six years, and we feel that you have served the church during that time faithfully and well. And Mrs. Overend has been a tower of strength to you and to the church. We wish to offer to you both our most cordial appreciation and thanks. You have spared no effort in the work of the church, and have shown keen interest in all her organizations. The work which Mrs. Overend and you have done here will have its effect long after you have left us.

Now will our departure be felt only by the United Church and its people, but the town and country-side will also regret your leaving us. You have been prominent in every movement for the betterment of the community, and in that respect we wish you will be greatly missed.

We pray God's blessing upon you both in your new charge, and hope you will have many happy years of service to God, your church and your neighbourhood in which you are to live and work.

We hope that we shall see you often, that the affection you have inspired in our hearts may be kept strong, and that you may think as kindly of us as we do of you.

Will you accept a small but tangible gift. It comes with genuine affection from your people of the United Church of Canada in Georgetown.

With a deep sense of personal loss on the part of each member of the church, but with earnest prayers for your welfare, we are
Ever faithfully yours,
A. MACLAREN,
Signed on behalf of the Congregation.
Mrs. H. L. Hutt then presented a well-filled purse to the couple.

Former Georgetown Choir Leader With R.A.F. In Egypt

PILOT OFFICER C. F. SUTCLIFFE WRITES INTERESTING LETTERS TO MOTHER

Through the kindness of Mrs. J. P. Sutcliffe, of Toronto, we are reprinting extracts from two letters received by her from her son, Pilot Officer C. F. Sutcliffe, who is serving with the Royal Air Force in Egypt. Mr. Sutcliffe is well-known in Georgetown, where he was organist and choir leader at the United Church a few years ago.

The letters, dated January 13th and March 13th are reprinted below:

Shallika, Egypt.
I've only been here a short while, and how long I'll stay I don't really know. I spent one evening in Cairo before coming here. Cairo is a lovely city—they call it the "City of Contrasts"—where the East meets the West. I didn't properly get around but may, at some later time. Cairo made me think of Toronto — wide, clean streets with street cars, and proper size cars driving on the proper side of the street, and large modern buildings.

I have seen the pyramids. Am enclosing a picture of myself with them for a background—proof. Also am sending a chip off them.

We go into Suez occasionally — a dirty little town. The canal is as wide as a big river—we swam in it today and some of the boys tried to fish, but the fish had different ideas. Also I had a ride on a camel. There was a soldier (Egyptian) doing sentry on a camel along the canal. We raced up the bank and took pictures of him and then he got off and let us use the camel got down in its knees and George tried to jump on like you would a horse but the camel was not used to those tactics and at the first

touch he jumped up and George fell off and almost rolled into the canal. I never laughed so much in my life. I believe the camel enjoyed it too. Well, we finally both had a crack at it, and it's quite an experience. You feel awfully high up, and he sits down or gets up by a sequence of alternately slanting positions that are most disconcerting. Coming back we crossed a sub-canal by a half-submerged raft pulled across by a chain with a native on the end.

Two days ago we had a terrific sandstorm, a very miserable experience. The sand is a sort of gritty silt—not like the clean sand of our lakes, and it gets in your eyes and ears and down your throat. You can't see anything at all. In a way it's like a blizzard. We wear tropical kit in the daytime here and blue at night. During the day it's like a hot summer day at home (only without any shade!) and at night it's like a winter day with zero in temperature. I've spent some time in the desert proper and out there the days and nights are pretty terrible. There's quite a cold wind blowing this morning. Feels like September on Lake Huron. But by noon it will be scorching hot. We sleep with mosquito-netting around our beds now. I didn't one night and got rather badly bitten. I always was a target for mosquitoes. Remember that summer at Hibisboro?

A lot of the boys here (I'm with my old gang again) have got all sorts of Italian stuff they picked up around Sid Barani after we took it over. One of them brought back a motorcycle. I haven't learned to speak Arabic yet, but know a few words. "Bah-eda" means "good-day" or "almost anything." All the servants are Egyptian or Sudanese, and you call them "bearers" instead of "niggers." The Sudanese

THE WEATHER
The month of June ends with a heat wave and high temperatures of 90 and 95 degrees for a couple of days. The average temperature for the whole month was 85.6 or 3.3 degrees above normal.

The rainfall for the whole month was only 1.38 inches, nearly an inch below normal. While heavy rains have gone around to the east and west of us there has been no rain here of any account since the cloud burst on Sunday the 15th.

The dry weather is giving the farmers a chance to save the hay-crop in good condition, although it is much lighter than usual because of the lack of rain earlier in the season.

Following are the local records:

Date	H. and L. Temp.
Tues., June 24	79 54
Wed., June 25	75 50
Thurs., June 26	90 55

The Lorne Scots Band, a prize-winner at the event last year, did not enter the competition this year, but Joe, who is a member of the band held up Georgetown's reputation.

He placed first in the cornet solo class under 20. He placed second in this latter class to Albert Chesdale, of Leamington.

Vernon Cox, of Petrolia, son of Mr. Percie C. Cox, former choir leader and organist at Georgetown United Church was another prize-winner, winning third place in the clarinet solo class for boys under 16 years of age.
