**Active Service Notes**

Congratulations to Major J. Arnold Early, news of whose promotion from the rank of Captain was contained in a cablegram to his wife this week. Major Early went overseas with the P.F.C.L.I. shortly after the outbreak of war in 1939.

LAC Jim Kelly is now stationed with the R.C.A.P. in Windsor at No. 7 E.P.T.S.

Pilot Officer Ian MacKenzie, of Trenton, is spending a leave at his home in town.

ACI Wilbert Bradley has been transferred from St. Thomas to No. 3 S.P.T.S., Brantford.

Men in uniform in town for the week-end included: AC2 Leslie Clark, AC2 Norman Marchant, AC2 Stuart Young, Toronto; AC2 George Long, London.

LAC Ken Mackenzie, a recent graduate of No. 9 S.P.T.S., Summerside, P.E.I., is home on leave with his parents, Mr. and Mrs. J. B. Mackenzie.

Pte. Lex Schrag is home on furlough from Camp Debent, N.S., where he is stationed with the Royal Canadian Ordnance Corps.

AC2 George Glimmer left Manning Depot, Toronto, this week for Winnipeg.

Dick Beaumont, who spent the week end at his home in Glen Williams, enters the R.C.A.P. at London next Thursday. Formerly in the local Bank of Commerce branch, he was transferred to New Hamburg a few months ago.

Another former banker, AC2 Norman Stewart, who was on the staff of the Bank of Montreal, is now at the new air school at Clinton, Ontario.

Capt. Wilfred Crowe, formerly of Orangeville, was taken prisoner at Crete while doing medical duty, according to information received last Friday by his cousin, Mr. Walter Gray. Capt. Crowe was previously reported missing in a cablegram received by his cousin, Mr. Russell Morrow, Orangeville jeweller.

Sgt.-Ptl. George (Bye) Edwards, nephew of Mr. K. Roy Edwards, former Georgetown resident, is believed to be a prisoner of war in Germany. About a month ago his father, Mr. H. P. Edwards, received a cable that Sgt. Ptl. Edwards was missing in an operational flight. No further information was received until this week, when a card came bearing the date mark of a German prison camp.

The card reads: My Dearest Skip: Bailed out, kite on fire, landed safely, unconscious to ground; don't remember pulling rip cord. Only two got out. The Canuck pals here. Don't need any pity. Red Cross 100 per cent. Excellent treatment. Good, lazy life. Can study. Good spirit continues. Write often. Shot down over France. Good fun while it lasted. Getting tanned. Have good time till I return. It's always thumbs up. Love to you all. (Signed) Bye.

In England there is a man who is 104 years old and deaf and blind and who does not know that there is a war on. Neither Wheeler nor Nye is 104 years old.

—Toronto Saturday Night—  
 The first letter from one of the Lorne Scots, who recently arrived overseas, was in the editor's mailbox last week. It was from Cpl. Tom Warnes, who spent some time at Camp Borden with the 4th Bn. Royal Canadian Infantry while in England for quite some time now, and we are getting along very well, all things considered. We have a very nice camp, although I don't think we shall be here very long. All the boys are quite happy and contented. I think, especially just at this time, as we have all just returned from spending a five-day leave in different parts of England and Scotland. The boys are all, without exception, very enthusiastic in their praises of the English and Scotch people and their kindness and hospitality toward us. I, myself, went to Yorkshire, the place of my birth, and Roy Wiggins who went with me, is especially loud in his praises of Yorkshire hospitality. We had a grand and glorious time. Well, there was a "Herald" in the mail for me when I got back, and as Jim Sargent and I were the only ones to get a copy of your paper today, and

Somewhere in England, Saturday, July 19th, 1941.  
 Mr. Walter Biehn, Editor Georgetown Herald, Georgetown, Ontario.

Dear Sir:  
 I thought I would just write you a few lines to let you know that we are still alive and in the best of health and spirits. As you know, we, the Lorne Scots, have been in England for quite some time now, and we are getting along very well, all things considered. We have a very nice camp, although I don't think we shall be here very long. All the boys are quite happy and contented. I think, especially just at this time, as we have all just returned from spending a five-day leave in different parts of England and Scotland. The boys are all, without exception, very enthusiastic in their praises of the English and Scotch people and their kindness and hospitality toward us. I, myself, went to Yorkshire, the place of my birth, and Roy Wiggins who went with me, is especially loud in his praises of Yorkshire hospitality. We had a grand and glorious time. Well, there was a "Herald" in the mail for me when I got back, and as Jim Sargent and I were the only ones to get a copy of your paper today, and

they being the first Herald since arriving in this country, you can imagine the way the boys gathered around us to have a "squint" at the home-town paper.

I want to once again thank you for sending us the Herald. It sure means a lot to us, especially now that we are so far away from home, and we shall all be looking for further issues in the near future. On the bottom margin of the Herald I received, was a cheery "Hello Tom," from Hivrod Marshall at Base Post Office, who I suppose had had it pass through his hands while sorting some of the enormous piles of army mail.

We have had quite a number of Georgetown boys, who have been over here longer than we have, in to see us. We are all being held together so far in No. 2 Company under Major Barber and other Georgetown officers—add N.C.O.s, and it means a lot to be with a lot of fellows all well known to one another.

Well, I will close now, wishing you and your worthy publication every success.

Yours sincerely,  
 (Cpl.) T. S. WARNES.

Mr. and Mrs. A. E. Shain received a letter last week from Gnr. Sam Barry, who has been overseas for several months with the R.C.A. Gnr. Barry, who is a farmer's son coming from near Tweed, worked for the Shains on their farm near Norval before enlisting.

He mentions receiving 300 welcome cigarettes from a Georgetown organization (probably the Soldiers' Comforts Committee).

"We are now well on the way to mastery of the air," says Gnr. Barry. "Russia is putting up a great fight, and I think all things point to an early British victory."

**Municipality of Georgetown Sanitary Notice**

The attention of citizens of Georgetown is drawn to Local By-Law No. 368, Section 1:  
 "That no garbage, ashes, papers, cans, etc. be deposited at any place in the municipality other than the town dump in the park, without permission from the chief constable."

It has come to the notice of the Local Board of Health that garbage and other refuse is being deposited in places other than the town dump in the park. This material is affording a breeding place for flies and rats, which is a menace to public health.

Those citizens responsible are asked to discontinue this practice and avoid infringement of this by-law with consequent penalties.
