Meanwhile, permis- and Church Streets last Saturday afsion has been secured from the Ontario Hydro Commission to purchase chocolate milk and lemonade were the adjacent property on Main Street, sold to passing customers. to be used temporarily for Hydro pur- this, lead soldiers cast by the boys in

Dear Mr. Editor: Owing to the changed policy of the Georgetown Hydro Commission in con- A Happy Family Gathering nection with the proposed new hydro building, it is my desire, with your permission, through the medium of the Herald to explain to the citizens of Georgetown the situation as it is at the present time.

In 1940 the local commission with the approval of the Hydro Electric Power Commission of Ontario purchased the property at the corner of Church and Main Streets and were given permission to construct a building at a cost not exceeding \$14,000.00. Early this year plans and specifications prepared showed an estimated cost of \$11,000.00. Due to the rising cost of building material and undoubtedly due to skilled labour conditions, the lowest tender received for the construction of this building exceeded to a considerable extent the amount the Georgetown Commission were prepared to spend and therefore it was their considered opinion that the erection of this building should be deferred until after the war.

At a recent meeting with the Ontario Commission consent was obtained to purchase the adjacent property on Main Street, which will be used temporarily for Hydro purposes. If space will permit, Mr. Editor, it is

also my desire to make public the information that at that meeting we appealed to Dr. Hogg and his commission for a reduction of rates to Georgetown Hydro consumers and our commission is of the opinion that this will be accomplished at the beginning of next year.

At the present time the Georgetown Commission have a reserve fund in cash and securities of \$16,093.55 and Hydro statistics show and prove that the local financial situation is second to none in any municipality in the Province of Ontario, and it is the unanimous opinion of the Ontario and Georgetown Commissions that regardless of the personnel of the Municipal Council or the Hydro Commission in the future, when conditions permit, there should be constructed on this property a combination Municipal and Hydro building that will be a credit to the citizens of Georgetown. It is due. Mr. Editor, to a consider-

able number of inquiries about the proposed building that this letter is Very truly submitted, JOSEPH GIBBONS.

Chairman Georgetown Hydro Commission.

Baptist Sunday School

Baptist Church Sunday School was Alma, before being transferred to held last Saturday afternoon at Miles' Tara. While employed in Brampton, Park, Erindale. Some sixty children, he married Irene Gibson, who survives. teachers and parents attended, and the with three small children, Elaine, donkeys, elephant and monkeys de- Marilyn and Bruce. Also surviving are lighted the children with their antics. three brothers and three sisters. One Refreshments were served by the Wo- brother, Irwin, lives near Norval, and men's Association of the church, with another brother, Walter, is in the air Mrs. James Blair as convenor. In the program of games and races,

the following were prize-winners: Small children's race, a prize for everyone; boys' peanut race, Emery Thompson, Billie Thompson; mixed shoe race, Ingeborg Hauptmann, Mary Woods; 50-yard dash, Billie Hewitt, Dean Thompson; rolling-pin contest. Ethel Kemshead, Mrs. Omar Wilson; balloon race, Mrs. Clair, Mrs. J. W. Hemphill; clothes-pin race, Mrs. L. Tracy, Mrs. E. Holmes.

On Sunday afternoon, August 17th. the six sons and two daughters of the late William and Mary Fisher, of Esquesing Township, had a very happy gathering at the home of the youngest daughter, Mrs. Hume Currie. Fisher, their grandfather, took out a Crown deed for Lot 9, Con. 5, Esquesing Township, in the year 1822, and it was on this farm that their father and mother spent their married life It is now the home of George Fisher. The gathering was an exceptionally happy one owing to the fact that all the sons and daughters were present as John, the eldest son, of Brandon, Man., is at present visiting his brothers and sisters and renewing old acquaintances in this community. Occasions such as this are rather rare as all the brothers and sisters are living, and four of them are over seventy years of age. The members of the family are Dr. John F., of Brandon, Ma. ., Dr. Peter M., of Toronto, Mrs. Walter Lawson, Sr., of Stewarttown, William W., of Esquesing Township, Dr. Robert O., of Toronto, George A., Thomas J., and Mrs. Hume Currie, of Esquesing Township.

The family gathered around the tea table, which was effectively decorated with pink gladioli. Misses Reta, Jean and Irene Fisher, their nieces, were in charge of the tea table. Before leaving for their respective homes present joined hands and sang Auld Lang Syne.

Drowned in Muskoka

Charles Shultis, at one time C.N.R. telegraph operator in Georgetown, was drowned on Sunday, August 10th, while spending a week-end with eight other members of his hunting club in the Parry Sound district near Pointe au Baril. The victim of the tragedy was swimming across a 500 yard channel, and when about 300 yards from shore, he got into difficulty, and sank in the water. His companions hurried to the spot in a motor boat and dived for the body, but were unable to locate it in the murky water, and it was not until Monday evening, when dragging equipment was procured, that the body was recovered.

Mr. Shultis had been telegraph oper-Picnic at Miles Park ator in Tara for the past four years. After leaving Georgetown, he was The annual picnic of Georgetown operator at Brampton, Fergus and
