Red Cross Plans Aluminum Salvage Drive Next Month

DISCUSS PURCHASE OF NEW SEWING MACHINES FOR WORK ROOMS

A meeting of the Georgetown Red Cross Society was held in the Public Library at 8.00 p.m. on Monday evening. President LeRoy Dale was in the chair.

The aluminum salvage campaign, which will be held on Friday and Saturday, September 5th and 6th, was discussed, and Mr. Dale, George Alcott and Walter Biehn were appointed a committee to be in charge of the campaign.

School teachers in town and district will be asked to instruct their pupils to bring discarded aluminum utensils belonging to their parents and neighbours, to the schools on September 5th, and the display window at the Herald Office has been made available for the two days, when aluminum donations will be placed in it.

The campaign, which was planned by the Department of National War Services to provide aluminum daily needed for war production, has been put in charge of the Red Cross Society. While the campaign has for its chief purpose the obtaining of this metal, any profits accruing will go to the Red Cross, so that it really is playing a dual role of providing metal for production and funds for Red Cross work. It is also pointed out that only waste aluminum is wanted, and articles used every day in the home should not be donated.

Purchase of Sewing Machines

Another matter which came up for discussion at the meeting was the purchase of some new sewing machines for the Red Cross room in the Post Office. Some of the machines at present in the rooms are out of commission and it is doubtful if they can be put in working order. Mrs. W. Peck, Mrs. P. F. Blackburn and Mr. Dale were named as a committee to arrange for the repairing of machines and the purchase of new ones to replace those discarded. It is anticipated that at least three new machines, and possibly five will have to be purchased.

Henry Sherman Died Last Wednesday

This community was shocked at the sudden passing of Henry L. Sherman, on Wednesday, August 20th. Born in Georgetown, of a pioneer family, sixty-nine years ago he was the third son of the late Henry and Jane Peck Sherman. He received his education in the public and high schools here. After leaving school, as a young man he was employed by the late William McLeod & Co., afterwards by John McBean & Co. Many of the older generation will remember him when he and the late William McKay had a photograph studio on Main Street. Later he went into the men's furnishing business with stores in Georgetown and Acton. However, his chief interest was always in photography, and for thirty years he had a studio in Milton. Three years ago he disposed of his business in Milton and returned to make his home here. He was a member of the Congregational Church and a Conservative in politics.

Mr. Sherman was twice married. His first wife was May Tost, of Georgetown, who along with their baby son passed away in 1902. In 1912 he married Lucy Homans, of Grimsby, who survives him. He is also survived by three sisters: Mrs. William Whyte (Jane) and Mrs. R. R. Gardiner (Nelle), of Georgetown, and Mrs. D. A. Scott (Vina), of Orangeville. Two brothers, Will, of St. Paul, Minn., and George, of Des Moines, Ia., died in 1895 and 1898.

In tribute to the late Mr. Sherman, many friends spoke of his kindness of disposition and fine sense of humor. The funeral took place from his late residence Church St. on Friday afternoon to Greenwood Cemetery. Rev. J. E. Ostrom, pastor of the Baptist Church conducted the service at the home and at the grave.

LORNE SCOTS OVERSEAS

This is a snapshot of No. 5 Platoon, Lorne Scots Detachment, Canadian Army Overseas, sent to us by Pte. D. Bowman. Unfortunately, the names were not enclosed with the picture and we are unable to identify all the faces. For those unidentified, we have placed a question mark, and we would be pleased if their friends or relatives would give us their names.

Reading left to right: (standing) Pte. C. E. Clarke, Pte. L. J. Rayner, Pte. F. H. Tost, Pte. H. W. Tost, Pte. W. Hills, Pte. H. W. Anguish.

(Sitting): Pte. R. J. Wiley, Pte. D. Bowman, Pte. B. J. Tennant, Pte. W. Emmerson, Pte. J. D. Graham, Pte. G. W. Lane, Pte. J. Y. Emmerson, Pte. E. Hornby, Pte. S. Emmerson, Pte. ?

Halton Holstein Breeders Enter County Herd at C.N.E.

Georgetown Boy in R.C.A.F. Drill Squad At the Exhibition

AC2 Leslie Clark, son of Mr. and Mrs. Mark Clark, John Street, who left his position with the Herald to enlist in the R.C.A.F. in June, is a member of the R.C.A.F. drill squad which is taking part in the grandstand performance at the Canadian National Exhibition.

Commenting on the squad, the Toronto Globe and Mail in an editorial yesterday said:

"It is difficult to realize when watching the Royal Canadian Air Force drill squad at the Exhibition that a few short months ago these young men were civilians. The phrase 'moving as one man' has often been applied to military organizations, but seldom has the performance so well lived up to the words.

In the complicated manual of arms, turning, marching, counter-marching, this team of airmen-in-training gives delight to the eyes of all who enjoy symmetrical movement. There are 150 of them, pupil pilots, observers, wireless operators and air gunners, men who before long will be performing or participating in a different type of evolution, but one in which keenness of mind, bodily control and sense of timing will be of greater importance than it is on a parade square. That these men have the essentials for the tasks ahead of them is apparent from the moment they march into sight.

Some days ago we urged that this squad be made the subject of a film to be sent far and wide as illustration of the type of men and of the schooling they are getting under the British Commonwealth Air Training Plan. We repeat this suggestion with added emphasis."

Announcement has just been made by J. C. Bell, Freeman, president of the Halton Holstein Breeders' Club, that Halton will again be represented in the Inter-County club at the big show. We understand that this year's entry of Holsteins at the C.N.E. is one of the largest on record with approximately 350 head entered which more than equals the combined entry of all other dairy breeds. Halton Holstein breeders contributing cattle are as follows: W. S. Hall, Oakville; Frank Pelelerio & Sons, Milton; J. L. Neelands and Son, Hornby; John Pickett & Son, Hornby; Robinson Bros., Georgetown; Irwin Shepherd, Freeman, and Gordon L. Tasker, Milton.

HALTON CALF CLUBS ENTER FOUR GROUPS AT C.N.E.

Halton Calf Clubs will again be represented in the Inter-County competitions at the C.N.E. which place on Wednesday, September 3. We understand from Agricultural Representative J. E. Whitlock that this year's entry in Halton is one of the largest on record with a total of 45 individual members. From this number club leaders Gerald Graham, W. H. Robinson and A. T. Woodley have selected entries for the Guernsey, Holstein, Jersey and Shorthorn sections.

The following are the club members whose animals have been selected: Guernseys—John Featherstone, Oakville; Bob Ford, Milton; Angus and Fraser McNabb, Georgetown. Holsteins—Ralph Fish, Oakville; Earl Ford, Hornby; Donald Peer, Milton; Ford Wickson, Bronte. Jerseys—Beverley and Kenneth Ella, Rockwood; John McClure, Georgetown; Jim Snow, Milton. Shorthorns—John and Earl Lerch, Bob Lindsay, all of Georgetown.

MR. THOMAS ELLENTON WINS MANY PRIZES AT C.N.E.

Mr. Thomas Ellenton, blind resident of Georgetown, won six prizes at the Canadian National Exhibition this year for articles entered by him in the handicraft class. Three first prizes, one second, and two thirds were garnered by Mr. Ellenton for his six articles entered, and he is to be congratulated on this splendid showing. Articles entered were as follows: Cane chair seating—1st prize. Clothes hamper—1st prize. Waste paper basket—1st prize. Tray—2nd prize. Flower basket—3rd prize. Work Basket—3rd prize.

Children Still Active Workers for B.W.F. Fund

Georgetown children still continue to "do their bit" for British war victims—and all three donations to the Herald fund last week were from children.

Four boys held a bazaar near the Alliance Paper Mill on Monday, Aug. 18th, and raised \$3.68 for the Fund. The boys were Bobby Bouskill, George Louth and Phillip and James Carney. Beatrice Hills brought in \$1.00 for the Fund during the week, and a booth near the C.N.R. station last Friday, operated by Buddy Hardman and Terry Bludd netted \$4.15. The Fund now stands at \$1506.19.

V—BEAN, V—CARROT, V—STONE

Nature is still cooperating in the V for Victory campaign, as evidenced by three recent exhibits in the Herald window. Mr. John Evans brought us a bean shaped like a V, and soon after this was matched by twin carrots, growing from a single base in a perfect V, discovered by Mr. George Brandford, Georgetown market gardener.

Perhaps the most unusual of all was a V-shaped stone, on one side of which a V was hollowed out, which was found by Billy Hewitt near his home on Guelph Street. The latter two may still be seen in the Herald window this week.

CARD OF THANKS

To the many friends and neighbors who expressed their sympathy in many ways, Mr. Sherman and the late Mr. Sherman's sisters, wish to express their deep appreciation.

Active Service Notes

Scarcely a week goes by which does not bring at least one letter from one of the boys in active service. We do appreciate getting these and knowing that they like to get the Herald and read about he doings in their home town.

This week we received a "thank you" letter from Gnr. John Hoare, who is at Fort Connaught, Halifax. "It is good to be able to keep abreast of the happenings around the home town, and Glen Williams," he says, "even though I am over a thousand miles away."

A letter from Tpr. F. J. Castle, in England with the 11th Army Tank Battalion, is dated July 15th.

"Just a line to let you know I received your copy of the Herald of June 18th," he says. "I was sure glad to get it as we don't get much news here, and papers of any kind are hard to get. I have seen quite a bit of England already, as I have had five days leave. While in Nottingham they had an air raid warning, but all the people do here is roll over and go back to sleep. On my next leave, which is not for three months, I am going to see London as I guess everybody would want to see that city. If you are talking to anybody over here about the war they all say that it will be over by Christmas; so you can see what they think of Hitler. As for the part of the country we are in right now it is very much like Ontario. The first week we were here it was real hot with no rain but we sure are getting it now. Will close now, and excuse using both sides of the paper, but it is hard to get.

Your friend,
(Tpr.) F. J. CASTLE.

A pleasant surprise was a letter from Pte. Dave Bowman, one of the Lorne Scots, who enclosed two snaps of No. 4 and No. 5 Platoon. One of them appears in this edition of the Herald, and the other will be in next week's paper.

He says: "Although not as clear as we would have wished it, it gives you an idea, judging by the smiles and various expressions on the boys' faces, of how they are taking to the army life over here. Though not by any means leading a perfect one, as that is impossible in the army (anyway they say it is a soldier's privilege to grumble and how some can do it) all the boys are really settling down and training real hard.

"If the Georgetown citizens could see them now, they certainly would be proud of them and without a word of doubt I know they will make a name for themselves in this struggle."

All of which is a fine tribute to his buddies from Pte. Bowman, and we know they will live up to his idea of them.

Pte. Fred Tost, writing to his mother, enclosed a couple of excellent snaps of himself, and one of Major J. R. Barber, which he asks to be put in the Herald. These will appear at an early date.

Lieut. Alan MacDonald is back east for a special six week's course at Ottawa and Windsor, after which time he will rejoin the Dufferin & Haldimand Rifles at Nanaimo, B.C.

Pte. Walter J. Norrington, who is with the Argyll & Southern Highlanders of Canada, has been transferred with his regiment from Nanaimo, B.C. to Hamilton, Ontario, prior to leaving for another unknown destination.

Our revised active service list which appears in this week's paper is as near correct as we could get it. It will greatly help if relatives, friends or the men themselves turn in changes of address promptly to the Herald.

Horsace Hurley is the latest Georgetown boy to enlist in the R.C.A.F. He joined up recently and is now stationed at Jarvis.

Ronnie Mendham, son of Mr. and Mrs. W. Mendham, has passed the necessary tests which qualify him for training with the Sea Cadets, and he can now be seen wending his way to Guelph on Monday and Friday nights, where he is a member of this splendid organization.

Pte. J. W. Hemphill, Camp Borden, and Pte. W. L. R. Cobourn, of Victoria, B.C., also stationed at Camp Borden, spent the week end in town.

Sgt.-Pilot Robert McKillop, of Brampton, who is favourably known in town, graduated at a wing's ceremony at the Dunnville Air Training School last week.

Nursing Sister Irene "Molly" Mulholland, daughter of Mr. and Mrs. James Mulholland, Georgetown, and formerly of Peel Memorial Hospital, Brampton, is now stationed at the R.C.A.F. hospital at St. Thomas, Ont.

Both N.S. Mulholland and SP McKillop were attendants at the wedding of Cpl. Donald M. Gallagher, R.C.A.M.C., son of Mrs. Mark Gallagher, and the late Mr. Gallagher, of Brampton, to Margaret Elizabeth, daughter of Mr. and Mrs. Alex. Welch, of Sundridge, on Saturday, Aug. 16th, at Aylmer, Ontario.

THE WEATHER

We have had another week of fine summer weather. And a good half day rain last Monday to help relieve the drought.

The mean temperature for the week was 65.94, nearly seven degrees higher than that of last week. Cooler weather is reported in the western provinces, and we may look for it a few days later.

Following are the local records for the week:

Date	H. and L. Temp.	Rain-fall
Tues., Aug. 19	73 57	
Wed., Aug. 20	75 48	
Thurs., Aug. 21	81 63	
Fri., Aug. 22	79 65	
Sat., Aug. 23	75 51	
Sun., Aug. 24	83 43	
Mon., Aug. 25	77 63	.70

Canadian Prime Minister Flies to Britain

Making his first airplane flight an epic one, the Right Honourable W. L. Mackenzie King, Prime Minister of Canada, arrived in Great Britain recently by bomber after a successful trans-Atlantic crossing. Accompanying the Prime Minister were various Government officials including Norman A. Robertson, Under-Secretary of

State for External Affairs, and Brigadier George P. Vanier, former Canadian Minister to France and present Commanding Officer of Quebec Military District No. 5. In the top photo the Prime Minister is shown waving a cheerful goodbye to the small party on hand to bid him farewell. At left is R. B. Jackson, Traffic Manager R.A.F.

erry Command. At right, M. H. Long, Assistant to W. Wilson, Representative of the British Ministry of Aircraft Production. In the bottom photo Mr. Robertson (at left) and Brigadier Vanier are shown chatting just before boarding the plane.
