QUALITY PROVEN IN 36 YEARS OF TESTING

Over thirty-six years ago, the Brantford Roofing Company established a rigid policy of strict adherence to Quality. This policy has been closely followed with the result that thousands of Canadian homeowners are enjoying complete roofing satisfaction. This satisfaction has endured because experienced Brantford Roofing craftsmen use only the finest of raw materials to produce Brantford Asphalt Slates.

Brantford Asphalt Slates are weather-resistant—rain, snow, sleet and winds won't warp, curl or loosen them. They are fire-resistant. Because of this vital feature, insurance premiums are often lower with a Brantford Roof.

Brantford Asphalt Roofing is available in many distinctive colour combinations.

For your home, specify the roofing that protects and beautifies—Brantford Asphalt Roofing.
