H. L. Hutt Speaks to W.I. At Opening Fall Meeting

The opening meeting for the fall and winter work of the Georgetown Branch of the Women's Institute was held at the home of the secretary, Mrs. Alex. Lewis, on Wednesday-afternoon, Sept. 3rd, with the president, Mrs. W. G. McDowell, in the chair.

After the usual opening ceremonies the members responded to the roll call by naming their favourite flower.

There were several items of business arising out of the correspondence and these were dealt with separately.

The choosing of a delegate to the convention to be held at Chesley on Sept. 11th, was left in the hands of the president.

A committee was named to look after an exhibit of war-work to be shown at the Fair.

Mr. H. L. Hutt gave a very interesting and instructive talk on "Beautifying the grounds around the Home." He also judged several living-room bouquets which the members had brought to the meeting, Mrs. E. R. Robinson winning the prize.

The October meeting is to be held at the home of Mrs. Fred Armstrong.

After a vote of thanks to the hostess and Mr. Hutt, the meeting closed with the Lord's Prayer, after which a cup of tea was served.

THE WEATHER

The outstanding feature of the weather last week was the gale that blew from the west most all day Saturday, breaking down trees, disrupting electric service, and blowing down great quantities of fruit not yet ready for picking.

The average temperature for the week was exactly the same as the week before, 63.3 degrees, which is below normal for this time of the year, and made it comfortable for those attending the C.N.E. There was a light shower, but nothing to interfere with the big show.

Following are the local records:—

Date	H. and L. Temp.	Rain, fall
Tues., Sept. 2	69 50	
Wed., Sept. 3	75 45	
Thurs., Sept. 4	80 54	
Fri., Sept. 5	84 69	13"
Sat., Sept. 6	79 63	
Sun., Sept. 7	63 50	
Mon., Sept. 8	63 43	

LIMEHOUSE

Mr. and Mrs. S. Wright entertained a number of young people on Saturday evening on the occasion of Miss Shirley's birthday. Her fellow-employees of Mason Knitting Mills, Acton, also entertained her during a short period Friday afternoon.

A number of employees of Mason Knitting Mills, with their friends, enjoyed a weiner roast on the rocks at Limehouse on Saturday evening.

Mr. and Mrs. Dan Dorrie and Miss Gladys Millere, of Hamilton, spent the week end with the Millere's. Mr. George Millere and Master George, of Toledo, Ohio, spent a short time with his parents last week.

The September meeting of the Limehouse Women's Institute was held at the home of Mrs. Fred Shelbourne on the 4th. The roll call was answered by naming a cabinet minister and his office. More supplies were to be ordered by the treasurer for quilting for refugee work. Mrs. Jamieson gave a short discussion on the motto, "Life is More Than Living." Mrs. A. W. Benton was named delegate to the W.I. convention in Chesley, Sept. 10 and 11. Mrs. William Gowdy was suggested as one to attend the training school in Milton for the course, "What is New in Nutrition?" It was decided to send cigarettes to the local boys overseas. Mrs. A. W. Benton told of the life and customs of the Pueblo Indians, using colour plates to illustrate her talk. The meeting was closed with the singing of God Save the King, followed by a social hour.

V FOR VICTORY

He Shoots! .. He Scores!

• While this expression brings to mind the very excellent broadcasting of Foster Hewitt we have in mind another man. The man who is shooting for greater milk production, greater egg production and larger profits. He is going to score because he realizes that very little extra production is needed to pay for the right feed, and the right feed is what brings the extra profit. Besides, this man is patriotic. He is answering the Ontario Government's demand for more farm produce, and doing it the right way. Are YOU!
