**"As We See It"**  
 By J. A. Strang

**AFTER LEADING** the senior lacrosse series all season, the Mimico team were eliminated by Hamilton in the play-offs. The St. Catharines team after quitting in mid-season, then asking to be re-instated, managed to put the Brampton team out in the play-offs also, so that it is left to the Hamilton Tigers and the St. Catharines Athletics to fight it out and most all lacrosse fans outside the St. Catharines district will be pulling for Hamilton. In fact it wouldn't surprise us if some St. Kitt's fans might like to see Hamilton win. St. Catharines have won the title this last three years in a row and anything like that doesn't do the game any good. Then becoming peeved, as they did last summer, over being unable to have their own way, didn't boost their stock very much either. Hamilton seem to be at their peak in playing form right now and might be able to go places. Here's hoping. Owen Sound are champions of the senior B series and they're playing with the tail end Etobicoke Indians right now to decide which of these teams will challenge the winner of the Hamilton-St. Catharines series. Owen Sound have done well this season and it is to be regretted that their town is away off by itself, comparing it with the other senior lacrosse towns. Owen Sound was quite a hot lacrosse town away back in the older lacrosse days, when field lacrosse was at its peak. It wasn't unusual in those days for a visiting team to need police protection around their hotel when staying in Owen Sound over night after a game. Of course all that is out of date now and Owen Sound is a smart town for sports. We used to be interested in a girl's softball team and our team was in the same group as Owen Sound, in fact that city had two girls teams, and we liked to go there with our team as well. If not better, than going to any other town. Their girls played smart ball and the fans were good sports as well.

**WHILE IT** doesn't get nearly as much publicity as it deserves, the Provincial Woman's Softball Union is quite a live organization. The play-offs are now on at present and in Southern Ontario there are five teams still in the running, namely Peterboro, Toronto Simpsons, Simcoe, Harrison and Hamilton Arks. The winner of the playdowns of these five will meet the winner in the Northern Ontario section for the Provincial title. For the benefit of our readers who may possibly never have seen a regular group game of girl's softball may we explain that it is no sexy game. The girls have to be good to catch a place on those teams and they know the game as well as many boys do. The bases are closer together for the girls than for the men's softball but outside of that the rules are quite similar. We rather like the girl's game, they wear smart uniforms and usually put up quite a good game. One established, a girl's team gets good support from the home town fans. You may have noticed this yourself that at times you happen to meet a girl that can really talk and when one of these sort of girls happens to be a softball player as well she can put on quite an act. Should she happen to be the catcher on the team her act is not far short of a scream. We recall one evening watching our team playing an exhibition game with Brussels last summer. The batter for Brussels had hit a foul up into the air and the catcher on our team threw off her mask and ran out to her left to catch this fly. She had her eye on the ball and as a result ran into a fan, a man at that, who was in her way. She sent him flying, in fact she knocked the wind out of him, but she got the foul O.K. At another time we witnessed our team make a triple play. It was in an exhibition game with Elora which had a team for a number of years. Elora had a runner on first and second and the next batter hit a drive out to center field. Both players on bases advanced thinking that it would be a safe hit. However, our center fielder got the drive, threw it to second and second threw it to first, completing the triple play before the Elora girls got back to their bases. It was the only time that we ever saw a triple play in either a girls or boys game. If we could only get as much publicity for the girls softball accordingly, as the Toronto Maple Leaf ball team gets, taking into account the Leaf's standing in the International League, we might have a girl's team in every town in Ontario. The girls usually let the fans down easy in admission fees. Sometimes it is 15c and some towns only pass the hat. As far as we are concerned we think that the game is worth just as much as any other game and the gate fee should at least be a quarter.
