—Special services marking the 80th anniversary of the founding of Knox Presbyterian Church will be held on Sunday, October 19th, both morning and evening. Arrangements are being made to procure an anniversary preacher, and sacred music appropriate to the occasion is being planned. More detailed information will be made available in the near future.

TO PEOPLE WHO CANNOT SWALLOW PILLS

If you feel sluggish, depressed, liverish or are inclined to constipation—just try this treatment for two weeks: Take enough Kruschen to cover a dime, in warm water every morning.

Nothing could be easier to take, and Kruschen is not harsh, but is a mild, gentle, laxative.

Constipation is caused mainly by lack of moisture in the large intestine. Kruschen contains carefully blended mineral salts that bring back the moisture. Besides cleaning out stagnating poisonous waste matter, Kruschen helps to rid the bloodstream of other poisons resulting from constipation.

Get a package of Kruschen from your druggist and within two weeks you'll feel your old good health coming back. Two sizes; 25c and 75c.

—The Georgetown Soldiers' Committee wishes to thank the citizens of Georgetown and district for the splendid support given to their Tag Day on Saturday last, September 13th, when the amount of \$143.28 was realized. Grateful thanks is also extended to the taggers, who worked so untiringly, and to the teacher and pupils of the junior room at Glen Williams Public School, who threaded the tags. Cigarettes will be sent overseas at an early date and it is hoped another consignment may be made before Christmas.

IN MEMORIAM
 QUATE—In loving memory of our dear Edith Gillman Quate, who passed away Sept. 17th, 1937. Gone not from memory or from love, But in her Father's home above. —Ever remembered by Dad, Mae and Ted.

AGRICULTURE MARCHES WITH OUR ARMED FORCES

Behind the lines where men and women are risking life to defend home and country, men and women are toiling to supply the materials of war—ships, planes, tanks, guns. These manufacturers—management and workers alike—are thus fighting shoulder to shoulder with our armed forces.

But what about the farmers? They are doing a work of equal importance. They too are marching to battle, by toiling early and late to persuade nature to increase the food supply on which the issues of the fight so greatly depend. The farmer marches side by side with the soldier and his armourer.

Farmers who are doing their bit to help Canada's all-out war effort may find it necessary to borrow money at the Bank. You should not hesitate to discuss your requirements with our nearest branch manager. Your business will be regarded as strictly confidential.
