

LOOK OUT BELOW!

The job of dropping bombs with deadly accuracy from dizzy heights is a highly specialized one requiring months of training. To-day in R.C. A.F. schools of the British Commonwealth Air Training Plan spotted throughout Canada thousands of keen-eyed young men are learning to do this job and do it well. These photographs were taken at the Bombing and Gunnery School in Jarvis, Ontario. The top pictures shows a Fairey Battle bomber cruising over Lake Erie where tiny buoy targets await the eagle eye of the Bombardier below, who is ready at the bomb sight in the belly of the plane with his thumb tense on the bomb release.

ASHGROVE

Mrs. Francis Thompson entertained the ladies of the Women's Institute for the September meeting. A splendid paper on "Canada's Part in the War," was prepared and given by Mrs. Frank Wilson. The motto: "Loyalty is among the first virtues," and the roll call, "A leader in war activity," added to the theme of the meeting. Reta Fisher demonstrated flower arrangement, and Mrs. C. B. Dick and Mrs. N. C. Wrigglesworth favored with a vocal duet. Mrs. Gerald Graham and Miss Reta Fisher were chosen as leaders to represent our Institute at the nutrition course to be held in Milton. Mrs. Horace Barnes, Mrs. Cecil Wilson and Mrs. Russell Hepburn assisted the hostess in serving lunch at the close of the meeting.

Last Monday evening the Young People's Union held a weiner roast at the home of Joy and Betty Ruddell. The evening was enjoyably spent playing games on the lawn, under the leadership of Enid Shore and Marion Dick.

JACK MINER IN PICTURES AT 76

It seems that ever since we were

in knee-trousers, the name of Jack

Miner has been prominent when one

thinks of birds. But when we picked

up a paper the other day and read

where Jack Miner was going to ap-
