—Have you seen the display of clothing in the Empire Lunch show-window which is to be sent to English war victims? Mrs. K. Preston is responsible for gathering this. The many friends in the district have been sending in new and good used clothing to add to the shipment. One difficulty in sending such parcels is the high cost of transportation, and in order to raise funds for this, tickets are being sold on a crazy quilt which is also on display. The quilt was made by Mrs. Ann Lawson and friends, and turned over to Mrs. Preston, to be used in any manner she saw fit to help in the war effort. Now it is to be raffled off, and the money used for sending clothing to the bomb victims. The draw, the date for which has not yet been set, will take place at the Herald Office.

Income Tax

on the Government Monthly Plan
You must start at once!

Next Tuesday will be the last opportunity to pay your 1941 Income Tax on the Government Monthly Plan. This gives you the privilege of paying in twelve monthly installments without interest, instead of by lump sum in March, 1942.

Here is how to get the monthly payment privilege! Divide the total of your 1940 Income Tax by twelve. This is your first payment—and must be paid to the Receiver General on or before September 30, 1941. You will then pay the same amount before the end of each month for the balance of 1941. When you have estimated your 1941 income tax at the 1941 rate, you will deduct the four payments you will have already made, and pay the remainder in eight equal monthly installments, starting January, 1942.

The Government offers the above plan as the most reasonable and convenient method of meeting income tax obligations. Ask your local Income Tax Office for Installment Income Tax Remittance Form—and any further information you may require.

With the Bowlers
By S.P.C.
Perhaps slightly overshadowed by the intense interest in the willful wandering of the Grant Trophy, the annual club mixed doubles tournament attracted an almost capacity entry on Thursday evening last. Thirty members turned out for the 3 game joust which was played as a twelve, an eight and a six end combination. Play was quite close among several of the teams, especially in the second game, when one green went to an extra end to decide the winner, while on two greens other teams finished only 1 shot apart.

The winning rink was skipped by S. P. Chapman, with Miss Laura Scott and Mrs. R. Erwin, with 3 wins and a score of 32. Second was skip, W. G. McDowell, with A. Reeve and Miss Burnett, while third was Ern Thompson with Mrs. P. Blackburn and Miss Gundy. Prizes were presented in the club house, refreshments being served by the ladies.

On Friday night Messrs. McDowell and Coffin challenged the Grant Trophy holders, Mr. P. B. Harrison and Mrs. Harold Cleave, but were unable to lift the silver cup. However, on Monday, challengers Messrs. H. Dickie and S. T. Faram in a very keenly contested match were able to outpoint Mr. Harrison and Mr. J. Richardson to take away the coveted emblem of the club challenge doubles. Mr. Richardson substituted for Mrs. Cleave who was out of town.

Tonight (Wednesday) a trophies tournament is in progress with outside rinks as well as local participation.

We note with interest the wild

scramble to play for the Grant Trophy while Perc Harrison's lady partner was away, and a man used as sub. Chapman and Faram both claimed the right to play and after a heated argument Faram won the toss. Faram with Dickie gave a grand exhibition of bowling and in the last end succeeded in lifting the old mug.
