**VALUABLE PRIZES FOR FLOWMEN**  
Flowmen throughout the Province are looking forward again with keen anticipation to the day of their branch match to compete for some of the valuable prizes that are being offered. A cash prize of \$10.00 offered to each of the eight branches by the Salada Tea Company for the best land in jointer plow soil classes is of particular interest, for the winners of this "Special" earn the privilege of competing for valuable trips in a Special Championship Class at the next International Match. The good fortune of two young plowmen from Hornby, Ontario, in 1940 has become the topic of conversation among plowmen all over Ontario. As a reward for their prowess they were given a trip which took them to points of agricultural interest in the United States and Canada, from Toronto to Vancouver.

They saw cowboys, sheep-herders and miners in the "copper" town of Butte, Montana. This was a live, allmost wild city filled with the unexpected. In Iowa they sat in on a conference with farmers and answered questions about Canada and her methods of farming. Every minute of their trip was an education and they learned many new methods of farming which they are using to considerable advantage on their own farms. Gordon McGavin, Vice-President of the Plowmen's Association, accompanied them as guide and manager. If restrictions do not forbid, a similar opportunity will be given to the winner of the first and second awards of the "SALADA" event at the "International" being held this year near Peterborough. They will also receive gold and silver medals for first and second prizes respectively. Twelve other cash prizes, ranging from \$25.00 to \$5.00 are offered for the same event.

**LOOK OUT FOR YOUR LIVER**

Buck it up right now, and feel like a million! Your liver is the largest organ in your body and most important to your health. It pours out bile to digest food, gets rid of waste, supplies new energy, allows proper assimilation to reach your blood. When your liver gets out of order food decomposes in your intestines. You become constipated, stomach and kidneys can't work properly. You feel "rattier", headachy, backachy, dizzy, dragged out all the time. For over 35 years thousands have won prompt relief from these ills—without Fruit-A-Tives. So can you now. Try Fruit-A-Tives—you'll be simply delighted how quickly you'll feel like a new person, happy and well again. 25c, 50c. Canada's largest selling Liver Tablets.
