HOW LONG DOES IT TAKE YOU TO EAT?

In these busy days, many of us have to satisfy our hunger with a sandwich, often bolted hurriedly. We know we're playing fast and loose with our insides, but the job must take first place. Irregular meals, irregular sleep, and new ways of living are all causes of constipation.

How to Get Gentle Relief
 Constipation, as you know, is caused mainly by the disappearance of moisture from the large intestine. Therefore, that moisture must return. This is done by the action of the several mineral salts which are present in Kruschen. At the same time Kruschen, by its diuretic action helps to flush the kidneys, thus ridding your bloodstream of its accumulated toxic poisons. It stands the reason that the size of dose for relieving constipation depends on the individual. But once this initial constipation has been relieved, a small daily dose—just enough to cover a dinner—will help to keep you regular, and cheerful. Start today to remedy the mischief wrought by irregular meals and hours. You can get Kruschen from any druggist—25c, and 75c.

A free people must INVEST in its own FREEDOM

A Message FROM THE WAR SAVINGS COMMITTEE, OTTAWA

The people of Canada are the most fortunate in the world. Fortunate in the great sweep of space that is ours from ocean to ocean. Fortunate in the vast yield and immense resources of our forests, fields and mines. Fortunate, too, in our democratic institutions.

In a word, fortunate in our freedom. This freedom is threatened today as it has never been threatened before. The fall of the British Empire would mean complete dislocation of our unfeathered way of life. Everyone wants this way of life defended — this freedom saved — for our own future and for posterity. The response to every appeal for our defence has been magnificent — heartening to the whole Empire — alarming to Hitler.

But the need for weapons of war grows ever more urgent, as the Nazi threat spreads wider over the world.

The help of every Canadian is needed for Victory. In these days of war the thoughtless, selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us. Invest in War Savings Certificates the dollars you don't need to spend. After Victory, they come back to you with interest. Spend less NOW so that you can spend more THEN, when labour and materials will be available for the things you need. There is no price too high for freedom.

Four Simple Regular Methods of Saving

PAYROLL SAVINGS PLAN—For salary and wage earners. The employee simply signs a Payroll Savings Pledge, turns it in to his pay office, and his employer deducts the pledged amount regularly from his pay.

BANK PLEDGE PLAN—Convenient for business men and women, and others not on a payroll. Simply sign a War Savings Bank Pledge and give it to your bank. The bank will make monthly deductions from your account.

WAR SAVINGS STAMPS—A handy instalment plan. Stamp folders may be obtained from Post Offices, Banks and many retail outlets. 16 stamps will buy one \$4 Certificate, worth \$5 at maturity.

RURAL SAVINGS PLAN—Farmers in receipt of regular payments from co-operatives, creameries, cheese factories, etc., can authorize deductions of any desired amount regularly out of each cheque. Use the Rural Pledge Card.

SUPPORT THE WAR WEAPONS DRIVE IN YOUR COMMUNITY
 Every town and city in Canada will soon conduct a War Weapons Drive. You will be asked to put all you've got behind the campaign in your community. Canada must provide more planes, more ships, more tanks, more guns, more shells. If you are already buying War Savings Certificates—raise your pledge. If you are not, get your dollars working for Victory.
