EVERYBODY CAN HELP

JUST A FEW SUGGESTIONS

• There are hundreds of ways you can help. BUT PLEASE THINK AND ACT NOW, by examining every nook and corner where worthwhile things may be located, all valuable to someone. Those dishes you haven't used since daughter Molly married . . . that baby carriage . . . the old sled . . . that good chest of drawers in the attic . . . You remember that set of bedroom furniture you are just keeping year after year and the extra chairs and tables you did need before the boys and girls grew up and married.

• In products of the farm, there are apples, pears, butter, eggs, poultry, etc. Why not club together on special donations, which may be too costly as individual gifts . . . Home-made baking will solve the problem for some kind ladies . . . Those who just cannot get a suitable article to donate may find a money donation the best way. That is quite as welcome and helpful.
