## Up-To-You Auction Sale at Local Arena This Friday

### Donations Continue to Pour in, and Sale Promises to be Big Success—Three Funds will Benefit—Band, Radio Program, Lucky Draw added to Program.

That the people in this district are going "all out" in their efforts to make the "Up-to-You" sale a glorious success, is shown in no uncertain terms by the lengthy list of donations appearing below. And that's not all, for as we go to press, the telephone is jamming and new donations are being received hourly by the committee in charge.

The sale is booked for Georgetown Arena this Friday evening, October 24th, commencing at 8 p.m. Frank Petch, premier auctioneer in this district, is donating his services for the occasion, and Hume Currie will assist him as chief clerk, with a number of other citizens doing their part to assist in the sale. The Lorne Scots Band will be in attendance, and the Alka-Seltzer radio program "Did I Say That?" with Ken Sobie and Doc Lindsey will be putting in their second appearance in Georgetown to provide entertainment for the crowd.

The idea of the sale originated in the mind of E. R. Magloughlin, Main Street barber, at whose suggestion, it may be recalled, the Herald War Victims' Fund got underway last February. That his idea is a good one can readily be seen by the interest which the sale has aroused in the community. It is impossible to name all the individuals who are helping to make the sale a success. G. W. McIntock, as treasurer, W. F. Bradley, publicity man, Frank Petch, Mrs. P. F. Blackburn and Mrs. P. B. Coffin are among those who are working in Georgetown itself, and in the surrounding district, Miss Margaret Merryday in the Glen, A. R. Merriam at Ballinacree, Joseph Scott in Limehouse, A. N. Robinson in Norval, and Harry Robertson at Hornby are numbered among the willing helpers.

### ASHGROVE

Miss Edith Wrigglesworth was in charge of the devotional meeting of the Young People's Union on Sunday evening. The topic was given by Mr. N. O. Wrigglesworth, John Bird Scott. A vivid description of an air raid in London was read by Miss Marton Dick. Miss Joy Ruddell favoured with a vocal solo and Miss Isobel Wrigglesworth gave interesting items on current events.

On Monday evening, twelve young people from the Y.P.U. enjoyed an evening of roller skating at the Strathcona Club, Toronto.

The October meeting of the W.I. was held at the home of Mrs. Horace Barnes with a splendid attendance on Tuesday afternoon, Oct. 21st. Mrs. Percy Merry, District President, of Hornby, was guest speaker. Her address was based on thoughts on our individual task regarding international relationships among foreigners in our own country. The motto, "Nothing of Lasting Value is Cheaply Won" was taken by Mrs. Russell Eszburn. The industry of tax growing which has been developed more extensively in Canada since the outbreak of the war was described by Mrs. Clayton Wilson. Miss Edith Wrigglesworth and Mrs. Horace Barnes tested our skill and knowledge in a mirthful game of quiz. Simple refreshments were served after the singing of the King. The November meeting will be at the home of Mrs. T. O'Brien.

Congratulations to Mr. Harvey Nurse on his success at the Provincial Flowering Match.

Nov. 9th will be Ashgrove's Anniversary services.

### BALLINACREE

Rev. J. Postbury, of Acton, had charge of the service here Sunday morning at the home of Mrs. A. O. W. Foreman, it being Missionary Sunday.

The W.M.S. will hold their autumn thank-offering next Sunday evening, when Rev. Kenneth J. Beeten, of Toronto, will give an illustrated lecture. Everybody welcome.

The W.A. held their regular meeting at the home of Mrs. Donald McLean. The theme of the opening services was "Thanksgiving" and was in charge of Mrs. J. Snow. The roll call was also answered with Thanksgiving verses. A short period was then devoted to business after which an oral contest was conducted by Mrs. Foreman. The November meeting will be held at Mrs. A. Sizer's home.

Word was received this week that Mr. David Hodge had arrived safely overseas.

### Herald Funds Still Growing

The B.W.V. and the Soldiers' Comforts' Funds, sponsored by the Georgetown Herald still continue to be well-supported by the public—the latter still in a small, though none-the-less sincere way. This week's donation of \$1.00 was from Mrs. Robert McVey, of Limehouse, who says her husband, who is overseas, has received parcels from the Comforts' Committee and this was a token of appreciation.

Last week lack of space forbade us telling of the novel way in which Mrs. R. T. Oave raised a goodly sum of money from the neighbours on College View. With an apron on which were sewn dozens of little pockets, she made a canvass of the street. Each contributor put his donation in a pocket, and Mrs. Oave sewed it up. When she brought the apron to the Herald Office, and all the pockets were opened, and emptied, the grand total amounted to \$29.50.

A donation of \$4.00 was made to the B.W.V. Fund this week by Mrs. A. E. Colman, proceeds of a social evening at her home.

The funds now stand at:—

<b>SOLDIERS' COMFORTS' FUND</b>	
Cash on hand, acknowledged	\$17.46
Mrs. Robert McVey	1.00
<b>Total, Oct. 22nd</b>	<b>\$18.46</b>
<b>BRITISH WAR VICTIMS' FUND</b>	
Forwarded to Toronto Evening Telegram	\$1845.11
Cash on hand, acknowledged	183.95
Proceeds of social evening at the home of Mrs. A. E. Colman	4.00
<b>Total, Oct. 22nd</b>	<b>\$2032.06</b>

### William Vint Dies in Hamilton After Lengthy Illness

Friends in Georgetown were saddened to hear of the death at Hamilton Sanatorium last Thursday, October 16th, of William Richard Vint. He had been in ill health for the past four years, being confined to bed for over a year.

The late Mr. Vint was born in Georgetown, and was the son of Mrs. Mary Vint and the late Charles Vint, of Georgetown. He attended the local Public and High Schools, and took up the trade of electrician upon leaving school.

He was married to the former Mildred Foster, who survives with a son, Ronald, aged three and a half. Also surviving are two sisters, Mrs. E. L. Arnold and Mrs. Elmer Dron, of Georgetown, and a brother, Howard, of Hamilton.

The funeral service at the home of his mother on John Street, on Monday, was conducted by Rev. R. C. Todd. Pallbearers were three cousins, Robert and William Kieckly, of Toronto, and Clifford Metherell, of Brampton, and William Hyde, Walter Hyde and Jack Toat.

### M.O.H. Reports Excellent Attendance at Toxoid Clinic

### Active Service Notes

Mrs. Harvey Allen received a letter this week from her husband, Opl. Harvey Allen, of the 9th Infantry Bde., now overseas, in which he speaks of attending the Theatre Royal, (Somewhere in England). "Imagine my surprise," he said, "when one of the entertainers turned out to be Pte. Bob McMenemy, of the R.H.L.I., a Glen Williams boy. He sang his version of 'My Blue Heaven,' and was applauded by a large audience of civilians and soldiers."

LAC John Wilson, stationed at No. 4 Bombing and Gunnery School, Pin-gal, was at his home in town for the week end.

Another group of Lorne Scots have left Standard Barracks, Hamilton, for other stations. R.E.M. John Murray, Sgt. Russell Finesing and Pte. Bill Hillier are at Debert, N.S., and Pte. Norman Deike and Pte. Norman Wright, at Chippawa, with the 14th Bde. Pte. Bill Tennant has arrived safely overseas, to join his brother, Pte. B. J. Tennant, who went overseas with the Lorne Scots in the summer.

Nursing Sister Helen Lash has arrived overseas and was mentioned on the radio by the commentator who described the scene when the convoy arrived at a British port. Gen. Albert Colman was another Georgetown who crossed at the same time.

### 72 CHILDREN INOCULATED AT PUBLIC SCHOOL LAST FRIDAY

Dr. C. V. Williams, Medical Officer of Health for Georgetown, expressed himself as extremely pleased with the Toxoid (Diphtheria) Clinic, which was conducted last Friday afternoon at the Public School. The clinic, which had been announced for the preceding two weeks in newspaper and poster advertising, drew a total of 72 children to be inoculated. Of these, 46 were school children, bringing the total of Georgetown school children who have been inoculated to over 95%.

The group of 26 children of pre-school age who received their "first dose" numbered 28, and was the largest of this type ever before presented for treatment at the clinic. This is an indication of the interest being taken in health measures by parents of young children in Georgetown.

In a newspaper advertisement which appeared in the Herald on October 8th, the Medical Officer of Health warned citizens of the increased danger of a diphtheria epidemic in Canada due to the mobilization of men from all parts of the country and other countries where immunization has not been used. Last winter, severe outbreaks occurred in Halifax and St. Thomas, and public health authorities are doing everything possible to prevent a repetition of the disease this year.

The treatment consists of three inoculations spaced at three week intervals. The next clinic will be held at the Public School on Friday, November 7th, and parents of those children who could not attend the first clinic are reminded that they may bring their children to this second clinic where they will receive the first inoculation.

Georgetown has a fortunate record, being free of the disease since 1927; when the last case occurred. Coincidentally, it was in that year that inoculation was commenced in town.

### Man Struck by Car on Highway This Afternoon

Stanley Hall, of the 10th Line, Trafalgar, received severe injuries this afternoon when he was struck by a car driven by Edward Little, of Georgetown. The accident occurred about 2 p.m. in front of Speight's Garage. Mr. Hall was crossing the highway in the direction of the Hedley Shaw Feed Mill. Stepping from behind a parked car, he turned his head to call a friend to Mr. Arthur Wilson, who was standing in the doorway of the Georgetown Creamery, and walked directly into the path of the car driven by Mr. Little.

The car struck him a glancing blow, which threw him against the door handle, and he received a nasty gash in the forehead, as well as other injuries. He was attended by Dr. C. V. Williams, and then removed to his home in Trafalgar.
