I didn't waste any time crawling back into the blankets as it We stayed two days in one lovely town where no Canadians had been before. The people were very kind to us. We were on guard at a large school while we were there, and every morning about five or six o'clock the ladies would bring us out hot tea and cake. It sure was a swell place. The children just swarmed over our camp which was just on the edge of the town. They were there first thing in the mornings and last thing at night. This kept us quite busy signing auto-While on our way back, the truck we were in broke down right in another nice town, so we had to stay overnight there. We had a nice time there and next day proceeded on our way home after the truck had been to the garage we had to ride in another truck, and to our surprise there back of it. They looked so good that

HALTON FOAL BOYS WIN PROVINCIAL HONOURS

The Provincial Inter-Club Competitions were held at the Ontario Agricultural College on Friday of last week. One hundred and fifty teams of two club members each from Renfrew and Glengarry in the east to Lambton m It the west and Cochrane District in the north participated in this annual event. In all slightly over 300 club members were in action and represented upwards of 5000 club members enrolled in various club projects during

the past year. In the Foal Club Project, the Halton team composed of Donald Peer and Gordon Rooney Both of Milton topped the list winning the Ontario Horse | mills. Apply: Breeders trophy for 1941. Incidentally, Donald Peer added to his achievements | 1tp at the C.N.E. by being high boy of the entire competition and his teammate, Gordon Rodney, placed third. Halton was also represented in Dairy Cattle and Grain Club projects and these teams all placed well up in the money. The team members from Halton in these latter projects were as follows: Milton Holstein Calf Club -Ward Brownridge and Robert Alexander, both of Georgetown; Halton Jersey and Guernsey Club-Eddie Robinson, Milton, and Bev Ella, of Rockwood: Nelson Grain Club-Fred Bell Freeman, and Alan Powrie, Palermo. Our congratulations are extended to these young men on the honours which they won for the County of Halton.

LOCAL CAR DEALER REPORTS EXTENT OF FORD WAR WORK

Mr. A. E. Cripps, local Ford dealer, spent Wednesday in Toronto attending a general meeting of Ford dealers of the company's Toronto branch territory which includes the greater part of Ontario and adjacent points in | + North Western Quebec.

Mr. Cripps is enthusiastic about the 1942 Ford and Mercury cars which he claims are the finest his company has ever produced.

"Of course, with the company's manufacturing plant so extensively effort. No experience necessary, but engaged in war work, the supply of new cars will be drastically curtailed. However, the new models are designed, built and styled for long life and economical service," said Mr. Oripps. In addition to having a preview of the new cars, Mr. Cripps heard addresses by R. M. Sale and E. F. Millard, company executives from Windsor. Ontario, and saw a motion picture showing the extent of war production in the great Ford plant at Windsor. Nearly 13,000 workers are busy day and night producing equipment for Empire annies.

"The Ford Company of Canada is: the largest single source of military automotive equipment in the British Empire and has already supplied our fighting men with more than 100,000 fighting machines.

"Ford in the United States is now producing 1,850 and 2,000 horsepower engines for war planes. There is also a mammoth bomber plant nearing Sewing Machines, treadle or electric Assessment Principal Chaplain (P.) Cleave, bag of potatoes; A. C.
