THE WEATHER

By H. L. Hutt
 The past week has been one of overcast skies and moderately cold weather. But there were two outstanding days of full sunshine, Christmas Day and last Monday.

For a green Christmas this one should long be remembered. We took a walk over the golf course, and although the golfers were not out enjoying the opportunity, there were others enjoying a stroll over the beautiful green lawns with an occasional dandelion in full bloom.

On the bowling green the bowlers celebrated the day with a good turn out of players.

Following are the local weather records for the week:

Date	H.	L.	Precipitation
Tues., Dec. 23	39	28	Rain 14"
Wed., Dec. 24	44	37	Rain 57"
Thurs., Dec. 25	36	29	
Fri., Dec. 26	27	24	Snow 50"
Sat., Dec. 27	34	26	
Sun., Dec. 28	25	21	Snow 25"
Mon., Dec. 29	25	7	

WHY GO SOUTH?

By S.P.C.
 Inspired by the delightful sunshine of Christmas Day, several of the dyed-in-the-wool bowlers of Georgetown gathered at the Edith St. playground in the afternoon. Apparently with this in mind their bows had been left at the clubhouse at the close of the regular bowling season, barely a month ago. The green was in excellent shape and a twelve end game was played with A. Reeve and S. P. Chapman opposing W. G. Bell and Harold Cleave. Jack Gibbens was pressed in to the game as a sub for an end, while S. T. Faram and A. C. Welk refereed.

Several neighbours appeared with cameras to record for posterity this history-making event. One picture even found its way to Toronto where it was published by one of the evening papers on Monday of this week to
