Annual Meeting Esquering Agricultural Society The annual meeting of Esquering Agricultural Society will be held in the McGIBBON HOTEL, Georgetown Saturday, January 17 1942 at 3 p.m. D.M.T. SPECIAL SPEAKER ALL MEMBERS ARE URGED TO ATTEND THIS IMPORTANT MEETING Herb. Cleave, Pres. Frank Petch, Sec'y

TO THE RATEPAYERS OF ESQUESING: I wish to convey to the electors of Esquering my sincere thanks for the acclamation as Reeve for 1942. I trust the confidence you have placed in me will be fully merited. Wishing you all a Happy and Prosperous New Year. C. H. May

TO THE ELECTORS OF ESQUESING TOWNSHIP: I desire to express my appreciation of the support accorded me in the election for Deputy-Reeve for 1942. I will endeavor to continue to give the same attention and service to the Township business as I have during my eight years as a member of the Council. TO ALL A BETTER 1942. G. W. Murray

THANKS I wish to convey to the Electors of Esquering Township my sincere appreciation for your support in electing me a member of the 1942 Council. To the best of my ability I will endeavor to merit the confidence placed in me. With the Compliments of the Season George E. Cleave

TO THE ELECTORS OF THE TOWNSHIP OF ESQUESING: Many thanks for your support on January 5th. My nomination being a complete surprise to me, and considering I ran against three ex-reeves of the Township your support was most encouraging. Again I want to say . . . Thank You. W. O. Brownridge

"As We See It" By J. A. Strang

WAR CERTAINLY urges us to keep up with our geography and sometimes we scarcely know where to look for some of those names that are mentioned in the headlines. Although declared an open city, Manila failed to escape the ruthless bombing that declaration intended it to escape. Perhaps the word Manila seems more familiar to us when applied to the word rope. Most of the rope in use throughout the world comes from Manila. The city is situated on the island of Luzon, the most northerly of the larger islands of the Philippines. By the way there are seven thousand and eighty-three islands that go to make up that group of islands that we know as the Philippines. They lie to the north of the Netherlands East Indies in the Pacific, between Australia and Asia. Manila is situated on Manila Bay and it was in this same bay back in 1644 that James Oglethorpe first landed with his Spanish fleet. The islands have been under the wing of the U. S. A. since that time and are to have their independence in 1946. The city has a population of over six hundred thousand and is split in two halves by the Pasig River. The city is built around the ancient wall-city and it contains as well the Port of Manila. The city is of course up to date and yet the 1941 automobile may be held up by the crude bumps made out drawn by a ball on any of its streets. This Manila ball is really a fat water buffalo and its proper name is a Carabao. One of the main industries of that far-off city is the manufacture of wicker furniture, bamboo, betel wood and rattan and these have been distributed to all parts of the world. Manila is known as the Oriental City of the Orient. It has its own Hollywood where it makes its own movies and it also has its own stock exchange and here also is located the University of Manila. Its entrance to the Bay of Manila is protected by the Forts of Corregidor and the Forts of Malabon and San Juan. Manila is a city of contrasts. It has its own millionaires and its own million and a half. The city of Manila has 95 months' paper, 29 weeks, 13 days and 24 fortnights. Apparently the Filipinos are well informed.

LISTENING TO Mr. Churchill's address we at once decide that he is our idea of a statesman. We would not think of him as being a politician. He seems to be above that and if we were asked to describe him we would likely say that he was broad-minded, determined, witty, humorous, deliberate, solid, well supplied with perseverance, and capable of inspiring confidence and no doubt he possesses many other qualities that we are unable to think of at the moment. His visit to the United States and to Ottawa was a real bright spot in the Holiday Season. He provided a good example for younger statesmen to imitate. There seems to be a scarcity of real statesmen here in Canada, our leaders apparently being unable to get away from the party idea, keeping it in mind rather than the broader national idea. It might be difficult to sum up the total benefits to our Dominion from Mr. Churchill's visit.

FIREMEN ELECT OFFICERS AT ANNUAL MEETING Donald Latimer was re-elected Chief of the Georgetown Fire Brigade at the annual meeting of that organization which was held this week. Fred McCartney is Deputy-Chief and E. Lewis truck driver for 1942. Other officers appointed were: L. Tracy and H. Hills, captains, William Brydon and Stan Lyon, lieutenants. William Hyde, secretary. Harry Savinas, treasurer. O. Herrington, hook and ladder foreman. Mayor Joseph Gibbons attended the meeting and congratulated the Brigade on their fine showing during the year and their competent handling of calls received.

SPORT SHORTS By Sidemar

Hockey season opens next Monday night with Pergus putting in an appearance at the local rink. Don't be surprised if some of the familiar Elora Rocks bob up in the Elмира line-up, for according to the Pergus News-Record "a number of Elora players practiced with Pergus, then transferred their allegiance to Elмира." "Bus" Bell, less publicity man for the Papermakers, started off in fine style with a catchy classified in this week's issue. "did you read it?" "Bus," who is rumoured to have been a mighty fine goalie a few years back, was in the net to stop a few pucks at the first practice last Monday. Indications are that Georgetown will have an even stronger Intermediate entry this year than last when they were bowed out by Pergus. This is for group honours. Of the old guard, Walt Richardson, "Bunny" Ward, Jack Kennard and Roy Hoare are faring to go, and perhaps Joe Hill and Frank Dewhurst, who were missed in the line-up last year, may be brought back into uniform. Jimmy Davidson, Hal Mooney and "Dude" Lindsay, three of last year's stalwarts have also been signed, as well as two newcomers, Ken Foster and W. H. Mulhern and there's just a chance that "Shorty" Burrows, who turned in some brilliant net performances last year, may be able to take time off from his R.C.A.P. duties in Toronto to spill off some in goal. A new-comer to town, Dick Welch, hail all the way from Saskatoon, Saskatchewan, and has played right wing for University of Saskatchewan, the Medicine Hat Sky Chiefs and the Wesley team in Saskatoon. He will probably see some action this year if he stays with the Papermakers.

A junior entry is definitely out and it would be a question if enough Juniors could be rounded up to make a team. Substitutes have cut heavily into the ranks. Late a over-sea, with the Lewis Scott, Don Sargent, Ray Harok, Bill Schenk and Frank Carter in the R.C.A.P. Joe Schwartz and Orlan Carter, two Norvalites who like their hockey, are playing with Milton Juniors.

Our Action incumbents are getting the Action scratched up for an Intermediate A entry. A Group team, composed of Guelph and Action players, who will play their home games in the Tanners Rink. Had an interesting letter this week from Gordon Alcott, erstwhile Georgetown, who has done a lot to stimulate hockey in Copper Cliff since he landed in the northern town a few years ago. Enclosed was a picture of the Copper Cliff Redmen entered in the Nickel Belt Minor Hockey League. Georgetown fans will remember some of the faces in the picture. Coach Roddy Goggin, Don McNabb, Bob Johnston, Fern Robert, Dermot Cooke, Jay McCarthy, Will Digby and Gordon himself, all of whom made the trip last year to wrest the Calder Cup from the Georgetown Lions. "In our Copper Cliff Midnet N.E.L.L.", says Gordon, "I have twelve teams of 150 boys, ages 10 to 15 years. They are all fully equipped and we have three divisions—Minor Farm Teams (10 and 11 years), Major Farm Teams (12 and 13 years), and the four N.E.L.L. teams, Maple Leafs, Bruins, Rangers, and Canadians (14 and 15 years). Last year our juvenile team won the Calder Cup, the Midnets the Nickel Belt and the Bruins, the Hodge Trophy. This year we hope to include a Junior championship."

Just to show how they do things up north, O. A. informs us that the Juniors are entirely self-supporting, raising funds for all equipment, by holding dances and lucky draws. Besides this, the team has handed over \$600 for war work and plans to do more such work. Not a bad record, eh, sport fans!

STEWARTTOWN

Mrs. Dickenson, John and Christina spent New Year's with friends in Toronto. At the annual school meeting held last week, Mr. Harry Lawson was elected to the school board. Mr. Lawson has been acting to finish Mr. John Murray's term, Mr. Murray being with the C.A.B.P. The trustees now are Mr. L. deVries, Mr. N. Devereaux and Mr. Harry Lawson. The heavy rains New Year's evening and the drop in temperature left the road, very icy and slippery. The young folks have been enjoying the skating and sleigh-riding. Mrs. Lawson, Mr. and Mrs. Walter Lawson, Bob and Donald, spent Sunday with Mr. and Mrs. J. Hunter, at Norval. Mr. and Mrs. P. R. Bally, Mr. Norman Bally, Mr. and Mrs. Bob Scott and son Bruce, all of Toronto, were visitors for the day on Sunday with Mrs. Mary Bally. The Junior W.A. held their first meeting for 1942 on Monday, and the Senior W.A. will meet on Thursday. Miss White has returned from her Christmas holidays and school reopened Monday morning. A pretty cold morning it was too.

CARD OF THANKS Mr. and Mrs. Ray Watson wish to express their appreciation for the many acts of kindness and expressions of sympathy extended by friends and neighbours during the recent death of their beloved mother.

Pictured above are the principals in the Lorusso-Wright wedding which took place in Glasgow, Scotland, on October 21st last. Miss Nora and the groom, Mr. H. Lorusso.
