will be leaving here anyday now. I would have been out last week but at the last moment the M.O. decided my tonsils should come out...

This is considered to be the most modern and up-to-date Canadian military hospital in England. It is all Canadian and you can't beat that.

We have been quite busy putting up Christmas decorations in our ward and it really looks very nice.

Dear Editor: This is to thank you for the local town paper which I am receiving. The mail is very erratic and the paper usually takes several weeks to reach me...

To the Editor of the Georgetown Herald Dear Sir:

Just a few lines to let you know I am grateful for receiving the Herald regularly.

I am happy to know Georgetown is doing so much for our war effort. A week ago I met some of my old friends from Georgetown.

I wish to congratulate Helen Lane for her spirit and bravery on being a nurse to the Canadian forces overseas.

One way to make your weekly paper the news paper you want it to be, is to contribute items of news that happen to come your way.
