has been sleeping for hundreds of years. Awakened, she does not know what Canada is, so the children proceed to tell her. This was cleverly done by nine pupils, each representing a province, dressed to represent the main feature of the province, and each with a little speech telling relevant data about their homes. Representing the provinces were: Philip Oarney (P.E.I.); Betty Hunter (Nova Scotia); Billy McDonald (New Brunswick); Dolores Broomhead (Quebec); June Cofell (Ontario); Ken Harris (Manitoba); Jack King (Baskatchewan): Walter Bargent (Alberta); and Bob Hall (British Columbia). Others who took part in the pageant were Helen McOill, David Williams, Ronald Bailey, Douglas Latimer and Olan Oibbs. Denise Jenson sang a medley of Prench songs, and there were two dances-Highland Fling and Irish Reel, by some of the senior girls. Mrs. James Evans and Miss Hazel Harrison supervised the musical part of the program, Mrs. Evans accompanying the singing at the piano. A treat for the children at the end of meeting of the Lions Olub, held on the concert was the announcement that school would be cancelled the next morning.

Tenders had been asked for the purchase of a chause for the truck, but those were not opened at the meeting, and some of the council were of the opinion that it would be a better policy to make the complete purchase from one of the two companies engaged in the manufacture of fire apparatus, specifying that the chassis should, if possible, be purchased through a local dealer.
