RED CROSS NEWS

ANNUAL MEETING ONTARIO DIVISION

Don't forget the annual meeting at the Royal York Hotel on March 12th and 13th. His Honour the Lieutenant Governor of Ontario, and Mrs. Matthews will attend the luncheon at 1 p.m. on the 12th, and Mrs. D. G. Day, of the American Red Cross will be guest speaker.

CARNIVAL

Keep March 12th open for the Red Cross carnival. Let's make it a real success. Get your costumes ready. If you don't have one, make one. It can be made in a few minutes. It is for a good cause.

HOSPITAL

Do your bit for the Red Cross. The Red Cross is the only organization that is working on a full-time basis to help the sick and suffering. They are the only ones who are working on a full-time basis to help the sick and suffering. They are the only ones who are working on a full-time basis to help the sick and suffering.

BLOOD DONORS

Dr. C. H. Best, whom we remember as Charlie Best, star catcher of the Georgetown Baseball team, was back in 1920-21. He says there is an urgent need for more Canadian blood donors as the British government has made an urgent request to Canada for the dried serum of 50,000 donations of whole blood.

Some were in the wide theatre of war the life of one of the men of the armed forces of a bombed victim may be saved by a transfusion of Royal blood as the result of a voluntary blood donation given by Princess Juliana of the Netherlands. It was her third donation.

If you are interested get in touch with Canadian Red Cross Society, 95 Wellesley St., Toronto, Ont.

SOLDIERS' COMFORTS

The committee last week sent cigarettes to 141 boys overseas. The fund now is less than \$2000 so they will be unable to send anything more to our boys until more donations are received. We quote from a letter received from one of the boys: "There is one thing that you will never know and that is the feeling that comes into a person when he can say to the boys all standing around watching you open a parcel. This is from my home town. It makes you proud to belong to such a neighborhood and it shows that you people are thinking about us fellows while we are away."

PRISONERS-OF-WAR PARCELS

A cheque for \$25,000 was presented to this fund by Windsor War Services Inc. Norman C. Urquhart, chairman, Red Cross Food Parcels Committee, advises that parcel-packing in Toronto and Montreal has been stepped up from 23,000 per week to 40,000 parcels.

Georgetown Trim Elmira In First Play-off Game 5 - 1

Game Late in Starting—Second Game to be Played in Elmira Thursday (To-morrow) Night.

After a two-week lay-off the Georgetown Intermediate trimmed the Elmira Silverwoods 5 - 1 in the first game of a home-and-home play-off series at the arena here on Tuesday night. The long rest seemed to give Thompson's men the urge to get going, and after 60 minutes of hectic hockey emerged victorious over their highly-rated rivals.

Although there was some doubt as to whether the game would be played due to ice conditions, there was good crowd on hand, and the ice could have been in a worse condition. The affair was late in starting when the referee banded himself to find out how many games should be played in the series and after he had decided to play in such a way as to leave both clubs in the dark, the game proceeded at about 9:30.

The first period opened with both clubs trying to get the drop on the other, but neither were sleeping, and as a result they literally burred up the ice in the first few minutes. However, Trotter showed Georgetown to be superior when he netted a goal on Linday's and McMullen's pass. Two minutes later Kramshrod made it 2 - 0 when he took Bowman's pass and shot point blank at the Elmira goal. Three penalties finished the frame and those for holding—Miller, Linday and Richardson.

They evened up in the second frame as the ice cleared things up, and Elmira did everything but tie up the score. Goals were redeemed during this period, after the last game with Elmira and setting into his usual good style, turned away many pucks labelled for the net. Fox did manage to score once on a pass from Miller and Schacht halfway through the game. Bowman received the only penalty.

The puck-makers were not through, and before the next twenty minutes were over had scored three goals and closed the game with a 5 - 1 score. Kramshrod, Trotter and Linday were the scorers. Kramshrod and Linday scored twice, and Miller scored the penalty goal. Trotter and McMullen combined for the goal and with Davidson off and the Elmira scorers, Monday scored at the halfway mark.

It is always hard to win the first game of the play-off series, and Georgetown fulfilled their obligation. The second game will be played on Elmira-to-morrow (Thursday night) when it is expected a large crowd of supporters will follow the team.
