—Archie Cunningham and Eddie Hatheway popular radio piano team and versatile entertainers over station CKOL Toronto entertained at a social evening for members of Branch 130 Canadian Legion, in the Legion Hall last Friday night. A lengthy list of costume prizes and races will make a big evening for kid and grown-up alike, while perhaps The Tonerville Scorpions and the Birdseye-Centre Vipers may be prevailed upon to play an exhibition game again this year. FARMING EQUIPMENT SO IMPORTANT

No other country in the world is better equipped than Canada to produce, with minimum manpower, the prodigious quantities of foodstuffs required by an Empire at war.

Equipment bought to do more work in less time and at less cost during the years of drought and depression has taken on greater importance now that our war-time program in man and machine has created a shortage of labor and materials.

The importance of farm equipment has been recognized by the highest material priority rating for civilian goods, yet even with this preference — so great is the manufacturing program for war purposes — it may not be possible to meet the demand for farm equipment this year.

It will be necessary, therefore, to take extra good care of your present equipment. Check it over to see that it is in good working order. Replace damaged or worn-out parts now. Use your machines carefully, paying particular attention to frequent and thorough lubrication of working parts. If it is essential that you have a new machine, it is to your interest to place your order as early as possible.

Through its extensive network of branches and local dealers, the Massey-Harris organization is prepared and equipped to give that prompt, reliable service depended upon by generation after generation of Canadian farmers since the pioneer days. Never before was modern farming equipment so important — your local Massey-Harris dealer is ready to help you keep your equipment in good working order.

LAST WEEK
The World's Day of Prayer meeting held in the council chamber, was well attended. Mrs. John Bird occupied the chair as leader. Mrs. Francis Thompson sang as her solo "God will take care of you." She was accompanied on the piano by Mrs. H. Graham, the pianist of the meeting. The subject of the reading and talk by Mrs. Hector Bird was "From Fiji to Lawrence — A Forty-hour Day." Those taking part in the prayer service were Mrs. Cromar, Mrs. Hodje, Mrs. Humphreys, Miss E. Bird, Miss E. Thompson and Mrs. Bally.

The committee appointed for arranging the 1942 service are: Mrs. Francis Thompson, Mrs. Humphreys, Mrs. Jos. Standish and Mrs. Devries, with Mrs.

Walter Lawson as recorder and Mrs. Bally, key woman.

The W.I. quitted another quilt this week, and a draw will be made at the concert Friday night.

THIS WEEK
The concert held under the auspices of the W.I. last Friday evening in the schoolhouse was well attended. The school was crowded. Miss Gertrude Cain and her dancers, with assisting talent put on the whole program. Everyone, from the tiny tots to the visiting artists, danced beautifully with rhythm and co-operation. Miss Cain made the draw for the quilt. Mrs. Hazen Graham held the winning ticket. The W.I. are using the proceeds of the concert for their war work.

LIMEHOUSE
The Y.P.S. held a party at the home of Mr. and Mrs. Thos. Appleyard on Tuesday evening last week. There was a good crowd who joined in the games. Mrs. Wilfred Harding and Mr. Gordon Price being prize-winners.

The Women's Institute sponsored a dance at the McDonald home, 4th line, on Friday evening. Music was supplied by Mr. and Mrs. Ed. Hill, of Georgetown. The proceeds go entirely to war work and all who attended report a good time.

Mr. and Mrs. K. Hamilton and children spent the week end with his family at Oarville.

Mr. Alex. Wright and Miss Evans spent Sunday at their respective homes.

A number of the young people are practicing for a play to be presented soon.

Mr. and Mrs. A. W. Lane and daughters visited his mother on Sunday.

Miss Helen Mills, of Toronto, spent the week end with Ruth Norton.

THIS AND THAT IN SPORT
(Continued from Page 3)
was too good a man to leave in the minors, and when things got tough he was called up to hold a steady defense position, teaming up with "Ducks" McDonald and Ernie Dickens. And right now his name is being widely spread, and he may be picked the "best rookie" of the year. A title that holds a very considerable monetary as well as praise-worthy award.

We end our little talk here of "the country boy who made good," hoping that the example of clean living and clean sportmanship set by Bob Goldham will be accepted by our young Canadian manhood.

THE IMPRESSIVE opening of the Maple Leaf-Chicago hockey game on Saturday night is worth-while noting. While 15,000 fans stood motionless in a light-dimmed arena, the band of the 48th Highlanders played God Save the King and the Star Spangled Banner. In the back ground was an enlarged portrait of Their Majesties, the King and Queen and Prime Minister Churchill, while at each side of the picture two flags fluttered in the spotlight—a Union Jack and the Stars and Stripes.

MUCH CREDIT is due Perc Blackburn and others, for the way they handled the affairs at this end for the Bob Goldham night at Maple Leaf Gardens. Perc worked hard and sold tickets and conducted the bus trip. At the other end Charles Kirk and George Guthrie were the "Off boys" in charge.
