## Georgetown Defeats Elmira 3-1 to Win Championship

### Caledon Farmer Seriously Injured In Shooting Accident

Former District Man in Brampton Hospital with Gunshot Wounds

Austin Corner, 40-year old Caledon farmer is making satisfactory progress in Peel Memorial Hospital, Brampton, after being seriously injured in a shooting accident in his barn on Tuesday night, March 10th. He is a son of Mrs. James Corner of Georgetown, and is married to the former Miss Lucy, of Georgetown.

Blocked roads forced Dr. Alan Noble, of Brampton, who attended Mr. Corner, to travel across fields in a cutter to reach the farmhouse, and while he treated the injured man, a Peel County snow plow cleared two miles of drifted roads so he could be taken to Brampton hospital.

Corner was shot in the right chest, and his right lung was punctured. Dr. Noble said the accident happened in the back kitchen of Corner's home when a shotgun discharged.

"It was a pure accident," Mrs. Corner said. "My husband and the hired man went out to the barn to tend the stock about 10 p.m. The hired man saw some rabbits who were injuring trees and came back to get the gun. He was going out again the gun accidentally went off."

"We carried my husband back into the house and phoned Dr. Noble at Brampton. We knew the roads were blocked and the hired man drove a cutter down to meet him. He found Dr. Noble, stuck in the snow," she said.

Car Becomes Horsehead

"I travelled by car a mile along the side road from No. 10 highway before the car became snowbound. I then boarded a cutter and we travelled over the fields to the home," Dr. Noble said. "It was after I arrived at the home that we were able to get a snowplow. We didn't get the injured man to Brampton hospital until 3 a.m."

"While the doctor was attending my husband, some neighbors flagged the snowplow on the next line, and rushed it over to clear out the road," Mrs. Corner continued. "We had to wait a few hours until the plow cleared out the drifts to No. 10 highway so the ambulance could get through."

Mrs. Corner said the youth had been employed by them for some time, and was a very reliable farmhand. "He is a nice boy and is brought up about the 'accident,'" she added.

"Even if the roads had not been drifted, no doctor could have reached the scene for a considerable length of time because there is only one doctor within miles and he was out," said Reeve Albert McBride of Caledon Township.

"The entire district is without a doctor," said Reeve McBride. "One doctor at Erin has enlisted and the other doctor there has moved. It was only when they got word to Dr. Noble at Brampton that there was any prospect of medical aid."

### Missionary Speaks To Women of St. George's

Rev. Victor Sparrow, 39 years a Missionary to Japan, Gives Message

Rev. Victor C. Sparrow, of Toronto, for thirty years a Church of England missionary in Japan, was guest speaker at a meeting of the women of St. George's Church held last Thursday evening in the Sunday school rooms. Mr. Sparrow gave a most stirring address of his work among the Japanese, which had to be abandoned when the Japanese government forced foreign missionaries to leave the country. He was introduced by Rev. W. O. Thompson, who was a college chum of Mr. Sparrow's at Trinity College.

The meeting, which had for its purpose the collection of "penny bags" gathered by the women, was under the co-operation of Mrs. Fred Laws, and there was a good attendance of ladies. Mrs. Sid MacKenzie showed lantern slides of mission work throughout the world conducted by the Church of England, and this was followed by Mr. Sparrow's address.

### GLEN WILLIAMS

Mrs. Haines, Mr. and Mrs. Jack Ollbert spent the week end with relatives in Toronto.

Mr. and Mrs. William Bennett, and Mr. and Mrs. Robert McMaster were visitors on Sunday at the home of Mr. and Mrs. Harold Thompson, in Cooksville.

Mr. and Mrs. Gordon Robinson and children, of Erin, spent Sunday at the home of Mrs. Halpin.

LAC John Hooper returned to Mountain View, on Sunday night, after spending the week end at his home.

AC2 Lawrence Beaumont, of Manning Depot, spent the week end at his home.

AC2 Jack Ollbert, who has been a patient in the hospital at Manning Depot for the past five weeks, is now improving nicely.

The flood menace, caused each year by the ice on the Credit, has gone for another year we hope. Very considerable amount of damage has been caused this past week to property and some of the roads are practically impassable.

Due to the rush for commercial printing, we have found it necessary to condense news items so as to print only 4 pages this week, therefore omitting the serial, "Two Keys to A Cabin," until next issue.

### Elmira Wins Fourth Game of Play-off

Two Up Round in Home Game on Galt Ice Last Thursday

Elmira tied up the Intermediate "B" play-off series with Georgetown to make it 2-1 when they won an important game in Galt arena last Thursday. It was Elmira's second home game, and forced the 3-out-of-5 series into the fifth match last night.

The series was a difficult one for the team that lost the previous Tuesday, and were on top from the first minute of play, when Kitchik took Miller's pass to give Elmira the lead.

Elmira added two more to the lead in the second period, scoring a low goal by McMillen near the end of the period. This ended the scoring for the night. According to spectators, (most of the Herald sports staff were able to make the trip), Georgetown just couldn't do anything right and Elmira just couldn't do anything wrong—reverse English from Tuesday's game.

He offered the sincere thanks of the Society to members of the University of Toronto Skating Club for offering their talents for the program—a new departure for local skating carnivals, and a much appreciated one, judging from favorable comments heard afterwards. The Toronto skaters made the trip at their own expense and would accept no remuneration from the Red Cross Society, who appeared and included Misses Amy Smith, Mary Lois Anderson, Muriel Code, Evelyn de Nance, and Elizabeth Brown, and Messrs. Gerry Blain, Yvon Doucet, William de Nance, Jim Smythe, and Chris Stenson. They offered several delightful waltz tango and fox trot numbers. ### THE WEATHER

By H. L. Hull

Well here we are past the middle of March and everything very quiet so far. In fact all indications point to an early spring. It is reported at Niagara Falls that the annual ice has just gone out, the earliest on record. And last Monday night we had our first thunder storm accompanied by 1 1/2 inches of rain, which is by no means a light rain.

However, there is plenty of time yet for some real winter, we need only look back a couple of years to a two-foot snowfall the last week of March. But here is hoping for the best. We are itching to get out on the land this spring.

Following are the local records for the week:

| Date           | H  | L  | Rain-fall |
|----------------|----|----|-----------|
| Tue. Mar. 10   | 34 | 23 |           |
| Wed. Mar. 11   | 30 | 18 | 11"       |
| Thurs. Mar. 12 | 34 | 28 |           |
| Fri. Mar. 13   | 36 | 27 |           |
| Sat. Mar. 14   | 34 | 20 |           |
| Sun. Mar. 15   | 36 | 29 |           |

### BOOKS FOR THE TROOPS

Our Post Office reports that the number of books handed in, to be forwarded to the training camps in Canada and Newfoundland for the use of the troops, has fallen off very considerably. An appeal for books was made some time ago, and was met with an excellent response, and it is thought that perhaps the public do not realize that this appeal is continuous.

Books (and magazines) handed in at the Post Office will be gladly received and the Department have undertaken to send them to our boys in training.

### STEWARTTOWN

Mr. P. J. Henderson, of New Toronto, spent the week end at his home in Stewarttown.

The monthly meeting of the W. I. was held last week in the council chamber. The afternoon was spent once more in quilting.

Rev. S. R. Colebrook visited the Junior W.A. meeting Monday afternoon, and showed slides of the Diocese of the Arctic. Starting with a map of Canada, showing the great area of the Diocese, the pictures took a trip with the Bishop over his large sphere of service. Unfortunately there was a cloudburst just as the children were about to start to see the picture and many of them were disappointed.

Tragic Accident on 7th Line Last Saturday—Victims on Way to Attend Funeral

Two men were instantly killed and their two companions injured when the car in which they were riding collided with a truck on the 7th Line, north of Hornby, last Saturday afternoon. Victims of the crash were Joseph P. Marshall, 68, and his brother, Frank Marshall, 56, both of Kettleby. Mrs. Florence I. Marshall, wife of the latter, and Miss Annie McMurchy, passengers in the car, which was driven by Frank, were treated by Dr. C. K. Stevenson, Milton, and taken to Peel Memorial Hospital, Brampton, suffering from bruises and shock.

According to police, the impact occurred at the intersection of the 7th Line and sideroad No. 5. The truck proceeding south to Hornby, was driven by Arthur H. Clark, of Norval. The Marshall car was travelling west on the sideroad. Following the impact the car was carried some sixty feet along the road, and finally crashed into a stump fence. All four occupants of the car were thrown clear

### PLAY-OFF WITH PARIS IN GALT THURSDAY NIGHT

Georgetown Intermediate "B" Group B championship last night, while over four hundred fans from the hometown cheered lustily at one of the cleanest and fastest games played this year. There were only eight minor penalties handed out in a close-checking, hard-fought match—and with all due respect to the classy Elmira team, we think the best team won. It was the fifth and deciding game in a three-out-of-five play-off series, and really the best game of the five, with both teams hitting on high all the way.

The first period saw plenty of action, as first Georgetown and then Elmira had the edge. Both goalies were turning in sterling performances, and there was no score in the twenty minutes.

Fox opened the scoring in the second, when he put Elmira in the lead with a solo effort, but Bowman and Kern-head teamed to tie things up, and Trotter and Kern-head added a couple more to give Georgetown a 3-1 lead which they held for the rest of the game.

The third frame also was scoreless, with Elmira trying desperately to pull the game out of the first. The Papermakers tightened up and played a great defensive game and Elmira just couldn't break through.

Over four hundred Georgetown fans made the trip by special train to see Georgetown repeat their group win of two seasons ago. On the way, Mr. P. H. Stewart, and Mrs. H. O. McClure persuaded the crowd to do their bit for British War Victims, and toured the train asking for donations. The sum of \$27.10 was raised and turned over to the auxiliary fund operated by the Herald. The Elmira Boys Band accompanied the Elmira fans to Galt, and were a bright spot at the game with their colorful music and uniforms.

Summary  
FIRST PERIOD  
No score. No penalties.  
SECOND PERIOD  
1 Elmira—Fox 2-28  
2 Georgetown—Bowman (Kern-head) 4-08  
3 Georgetown—Trotter 7-20  
4 Georgetown—Kern-head 0-27

The Papermakers will enter the play-downs to-morrow (Thursday) night, March 19th, when they meet the highly-touted Paris Black Hawks in a two-game series, goals to count. Paris defeated Port Dover in the Group 3 play-offs, and have tucked another series under their belts since then with Orimby. Trouncing them in the opening game 12-3, Orimby defaulted the second scheduled match. The Paris boys are no strangers in Galt Arena, as they have been playing their last few games on the artificial ice, so it will be a great battle on Thursday.

It is Georgetown's home game, and Hockey Club officials have contacted the railway and arranged another special train.

## Milton Lawyer Speaks To Local Lions Club

George E. Elliott, Milton lawyer, was guest speaker at the dinner meeting of the Georgetown Lions Club, held in the McElbion House on Monday evening. He was introduced by Lion E. McWhirter, chairman of the Girls and Boys Committee, which was in charge of the evening, and he gave a thought-provoking talk on "The Pioneer Spirit."

"It is most important," he stated, "that we instill the pioneer spirit into our young men today." He then cleverly linked reverse of the pioneer's attributes, each beginning with a letter of the word. The pioneers were patient—they set an objective and got to it; they were idealistic—they planned for the future and used their imagination; they were nationalistic—took an active interest in politics and tried to correct the faults they saw; economical, paying for things as they got them, rather than buying on instalments as we do today; educated, in the sense that they realized the great value of education; and religious, building churches, filling them and living their religion seven days a week.

In conclusion, Mr. Elliott summed up his remarks by the statement that "we owe a debt to the past, and the only way we can pay it is to make the future in debt to us."

Lions A. C. Welk and J. D. Kelly moved a vote of thanks to the speaker for a most inspiring and thought provoking address.

### Donkey Raffle

The Club completed plans for a lucky draw raffle on a donkey, donated some time ago by Mr. A. W. Miles, of Toronto, through his friend, Lion H. C. McClure. The secretary was instructed to have books of tickets printed for this.

Soldiers' Comforts  
A letter from the secretary of the Georgetown Soldiers' Comforts' Committee asking for support was read, and it was decided to donate \$10.00 monthly to this fund, to be taken from the Salvage Fund operated by the Club.

Too many of us are sitting with our hands folded, waiting for 'George' to win the war—Admiral William J. Blansley, U.S. Ambassador to Russia.
