LOCAL NEWS

—Clearing sale of military at the Mabee Garage, from March 20th to April 4th Herald Block, upstairs.

—The regular meeting of the W.A. to the Home Books will be held next Thursday, April 2nd at the home of Mrs. J. R. Barber.

—The regular meeting of the Women's Institute will be held on Wednesday, April 1st, at 3:00 p.m. at the home of Mrs. W. O. Bell, 20th St.

—Eucharist in Legion Rooms on Wed. April 1st. This eucharist is sponsored by the Ladies Auxiliary to the Legion proceeds going to the Soldiers' Fund. Everybody welcome. Good prizes. Admission 25c.

—The winning ticket in the Lady Number Draw at the recent Red Cross Carnival was number 414. The holder may claim the prize by contacting Mr. G. W. McLaughlin, at the Bank of Commerce.

—We are pleased to report that Arthur Corbett, Carolina farmer who was injured recently in a shooting accident at his home is making satisfactory progress in West Medical Hospital. In our account of the accident last week we stated that Mr. Corbett was 45 years of age. Our attention has since been drawn to the fact that his correct age is 38.

—An elderly district resident, who prefers to remain anonymous, has donated two picture frames which he wishes to be raffled for the War Victims Fund. The frames are carved with painstaking care from cedar trees and will be prepared by the one fortunate enough to win them. They are on view in the Herald window, and tickets may be obtained in this office. Tickets 25c for 10, 3 for 25c.

—In our two Fund columns this week are standardized donations from the recent birthday parties of Verdon (Newark) Lodge—\$15.00 to the Herald War Victims Fund and \$10.00 to Soldiers Comfort. In addition to these, the Lodge gave \$5.00 to the Chinese Relief Fund and \$5.00 towards the mobile kitchen being purchased by the Newark Assembly and set aside \$15.00 in an emergency war fund for future use.

CHURCH NEWS

—Scripture Text: "Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon." Is. 55: 7.

COMMUNITY SERVICES IN HOLY WEEK

The people of Georgetown and vicinity are invited to keep Holy Week in a fitting and solemn manner, by attending the services held in the town churches as follows: Monday, March 30th, at 8:00 p.m., in the United Church. Tuesday, March 31st, at 8:00 p.m., in the Baptist Church. Wednesday, 8:00 p.m. Community service in George's Church. Thursday, April 2nd, at 8:00 p.m., in Knox Church. Good Friday, April 3rd, at 10:30 a.m., in the United Church. Good Friday, from 12:00 noon to 3:00 p.m., The Three Hours Devotion, in St. George's Church.

DR. C. V. WILLIAMS SPEAKS TO LOCAL COUNCIL OF WOMEN

The regular meeting of the Local Council of Women was held Friday, March 20th, at the home of Mrs. C. V. Williams. With Mrs. Hayes in the chair, business discussion included the final payment on the Victory Bond. Plans were also discussed for the next few months.

Dr. C. V. Williams was the guest speaker and his subject was "Nutrition in Wartime, from the point of view of the healthy individual." Diet and rest are all-important," he said. Diet comes under four headings, fat, mineral, and blood. 2nd Protein to build and repair muscles, 3rd, Vitamins, 4th, Fat for energy." Mrs. Francis moved a vote of thanks, seconded by Mrs. H. A. Blanton. Tea was served by the hostess Mrs. H. Lawson helping. The meeting closed with the national anthem.

SUNDAY SCHOOL ANNIVERSARY AT UNITED CHURCH

The annual Sunday School anniversary service was held last Sunday morning at Georgetown United Church, with a large congregation in attendance. The minister's father, Rev. T. H. Todd of Hamilton, was guest speaker, and his sermon to the children was based on the Bee Hive, with the three virtues: "Be loyal, be busy, and be clean." The girls from Cedarvale School provided special choral music.

GLEN WILLIAMS

Margot Williams, student-nurse in Toronto General Hospital, spent Saturday afternoon at her home. Mr. Bob McMenamy, who has been a patient in Georah General Hospital for the past four weeks, returned home last Wednesday.

MEDICAL OFFICER OF HEALTH REPORT FOR 1941

(Continued from Page 1) completely protected against diphtheria. The percentage of pre-school children protected cannot be estimated. Smallpox—26 children were successfully vaccinated during 1941. Ninety per cent of school children are now protected against Smallpox.

Scarlet Fever and Whooping Cough. The Board of Health has not held clinics for immunization against these diseases. It is the opinion of your M. O. H. that such treatments are not sufficiently effective to warrant their use as a public health measure. Many physicians use them in private practice with a realization of their limitation.

Special Activities. MATERNAL and CHILD HYGIENE: Except for the immunization program there have been no public health measures directed to this phase of welfare. This has been left to practicing physicians. Employment of a public health nurse would be necessary to carry out this work.

TUBERCULOSIS CONTROL:—Two Georgetown patients were under sanatorium care in 1941. New regulations forbid discharge of sanatorium patients unless home conditions are suitable and provision is made for after care. All contacts of these cases have been, or are about to be examined and will be followed up in future. Many persons with a suspicion of tuberculosis have been examined during 1941 at diagnostic clinics at Hamilton and Toronto. No fresh cases have been reported. The tuberculosis situation in Georgetown is satisfactory.

CANCER CONTROL: There has been no local public health program, except that arrangements are made by your Board of Health for the necessary treatment of cancer at designated centres at the expense of the County concerned.

HEALTH OF THE SCHOOL CHILD: The Local Board of Health is vitally interested in the health of the school children. There follows an outline of this work in our municipality: Immunization clinics have been held, as already noted. The Public School nurse, Miss E. Marshall, examines children, noting weight and height, condition of teeth and throat, vision, hearing, and skin affections. She also renders first aid for accidents. Children found ill at school are sent home with a note, in some cases advising that the family physician be consulted.

An Ear, Nose and Throat Clinic is held yearly. The parents are informed when defects are found and asked to have such children examined and treated by the family physician. In some cases children are sent to the hospital for Sick Children, Toronto, for surgical or other special attention. As a result 3 children were operated upon for removal of tonsils and adenoids at the Sick Children's Hospital; 3 others treated elsewhere. Four children were found with very defective hearing; the vision of 6 was defective enough to constitute a definite handicap, of these

4 have been provided with glasses. Mentally backward children receive attention from a member of the Ont. Department of Health.

DENTAL HYGIENE: The attention of parents is drawn to dental defects in school children and dental treatment advised. In 1941, thirty-four children were found by the school nurse who urgently required attention. There is no means of providing this attention for those unable to afford it.

OTHER TYPES OF SPECIAL ACTIVITY: During 1941 your Medical Officer of Health, with Mrs. T. Garve as demonstrator, conducted one course in First Aid and one in Home Nursing. Both were for women and under the auspices of the St. John Ambulance Association. Thirty-four registered in First Aid and 30 in Home Nursing. These were examined by Dr. R. T. Peal. All were successful, receiving Certificates or higher awards. Sixteen graduates have been organized into a Brigade of the St. John Ambulance Association. This group is uniformed, meets regularly, and is subject to inspection by Divisional Headquarters. Members have been on duty at Toronto Exhibition, local fairs, hockey games, etc. The personnel will be increased from time to time by graduates from First Aid and Home Nursing classes for the duration of the war at least. These women are to be commended for their attendance at lectures, parades, the time taken at studies, and their general tenacity. Mrs. Garve, who has had a great deal of experience in the last war, has cheerfully given unstintingly of her time to make this work a success.

Public Health Nursing

This has been confined to the work of our Public School Nurse, Miss E. Marshall, who has always fulfilled her obligations efficiently and conscientiously. Demands are frequently made upon her time for attention to situations which are not strictly her responsibility. These are always met will-

Sanitary Service

The sanitary inspection service is carried on by Dr. R. Leamouth. PUBLIC WATER SUPPLIES: No inspections were attempted to the public water supply this year. The samples of public supply were sent for examination in 1941. Of these two graded lower than A.

The reservoir is subject to occasional pollution, which is thought to be of animal origin. This is noted after heavy rains and thaws. The only means of absolutely safeguarding the water supply is by chlorination.

Milk Supply. Milk by-law No. 424 was passed in 1937. Amended in 1939. Pasteurization is compulsory. The Milk Inspector is Dr. R. Leamouth. There are two pasteurization plants. Total average daily consumption, 1,800 gallons. Per capita per day consumption is 6.8 pints. Number of producers 16. Number of distributors 7. Permits issued to 3 distributors. None cancelled.

Milk Inspections

Dr. R. Leamouth made 66 visits to producers of milk and 30 visits to distributors of pasteurized milk making a total of 96 visits. Thirty-seven samples were taken from milk producers. There were no infections associated with the milk supply in 1941. The milk supply in Georgetown is safe and wholesome. Although all pasteurized dairies in the county are inspected upon this, as well as inspection of pasteurization plants, is carried out from time to time by our Milk Inspector, whose knowledge of herds and milk the town is fortunate in having at its disposal.

In conclusion, I wish to thank all who have assisted in the work of public health in our municipality during 1941. I have the honour to be, Gentlemen,

Your obedient servant,
C. V. WILLIAMS

NOTICE OF MANPOWER REGISTRATION
At the request of the Honourable Humphrey Mitchell, Minister of Labour, and by authority of Order-in-Council under the War Measures Act, the Unemployment Insurance Commission is registering all persons in industries coming within the scope of the Unemployment Insurance Act, 1940.
It is mandatory that the Registration Cards now being supplied to employers be completed for ALL employees, insured and non-insured, and forwarded to the Local Office of the Commission by March 31st.

This Is An Important War Undertaking
The skills and training of every worker in Canada must be known in order that they may be used to the best advantage. This is the first step towards complete registration of man-power.

Renew Unemployment Insurance Books Before April 1
To avoid duplication of effort, the above registration is being combined with the renewal of Unemployment Insurance Books.
A supply of new books will be mailed promptly on receipt at your local Employment and Claims Office, of completed registration forms and the old books stamped for the last pay period in March.
For details consult the Commission's Local Office without delay.
YOUR CO-OPERATION IS URGENTLY REQUIRED
Unemployment Insurance Commission
Ottawa, Canada, March 23, 1942.
