"I'LL BE BACK FOR MORE"

It's just surprising, how many poultry raisers say that to us: "On second thought, maybe not on springing, either. It just stands to reason . . ."

It stands to reason that when a hatchery organization like Bray's really bears down, year after year, on the one job of producing the best chicks it knows how . . . studies that job the year round . . . keeps on plugging away at breeding, selecting, blood-testing, check-and-double-check — well, it ought to turn out mighty good chicks.

Read What These People Say:

Mrs. Wes Campbell, Neuston, Ont.—"Best chicks I have had in years. Bray's for me from now on!"

Clare Haslam, Emerald, P.E.I.—"For 6 years I have been raising Bray Xtra-Profit Chicks. Have always found them the best obtainable."

Mrs. Wesley Nichol, Lennoxville, P.Q.—"Bought 100 from you last year, and made money, so thought I would take an extra 150 this year."

Hert McIntyre, Wardville, Ont.—"Best chicks I ever had. Enclose order for 400."

J. P. Ferguson, Plum Coulee, Man.—"From the first day these birds have done splendidly. . . . raised by all my friends."

Isn't that the kind of birds you want? Better buy Bray, this year. And better see about it right now, to make sure of getting what you want when you want it.
