The regular monthly meeting of the Lorne Scots Ladies Auxiliary was held last Thursday at the home of Mrs. J. E. Barber, with sixteen members present. The secretary reported that 1708 cigarettes had been sent overseas last month—the second lot sent since Christmas. The financial statement showed a bank balance of \$134.00.

It was decided to send sweaters and socks to two boys who had recently arrived overseas, and also to start knitting right away for the new recruits and to send a further shipment of 300 cigarettes, individually wrapped to each man overseas. Arrangements were made for a bazaar in the Legion Hall, a dance in the Armouries and a social evening at the home of Mrs. B. Tennant, which was held last evening. The meeting closed with the singing of the National Anthem, after which refreshments were served by the hostess.
