Children's Aid Society Annual Meeting

The Annual Meeting of the Children's Aid Society of the Counties of Peel and Halton was held in the Sunday School room of St. Paul's United Church, Milton, on the evening of April 26th, 1942. The president, Mr. J. J. Jamieson, of Cookville, conducted the meeting which was opened with prayer by Rev. J. B. Moore, of Milton. There was a good attendance of representative citizens from both Counties.

The Treasurer's Report was submitted by Miss Edna Anderson, of Milton, showing total receipts of \$14,949.34. Of this amount, \$12,034.00 was received from the Dependents' Allowance Board at Ottawa for administration on the part of soldiers' families.

The Superintendent, O. P. Thompson, reported on the field work of the Society, stressing the increased work in connection with soldiers' families and the administration of allowances in special cases. He reported a total of 187 Child Protection cases dealt with, involving 388 children. 110 children were under the care of the Society at the end of the year, with the possibility of more coming into care on account of existing conditions due to the war.

The guest speaker of the evening, Mr. G. Grant McEwen, of Hamilton, President of the Provincial Association of Children's Aid Societies, who was introduced by Mr. A. Mason, of Acton, gave a most interesting and informative address, stressing the lay-members' duties and responsibilities in the operation of the Society, pointing out that a great deal had been accomplished in the field of Child Welfare in recent years, but a great deal more remains to be done.

Mr. A. Sherman, Warden of Peel County, spoke briefly and Mr. Beaumont, Director of the Hamilton Children's Aid Society, extended greetings. The following officers were elected for the ensuing year:

Honorary Solicitors: W. I. Dick, K.C., Milton; A. O. Davis, K.C., Brampton. President: Mrs. W. J. Hood, Brampton.

"IN OUR MAIL BAG"

March 30th, 1942.

Dear Editor and Staff:— Opportunity nudged me again, so I'm taking advantage to send along a few more extra "thank you's" for the constant arrival of the local edition and also the time and trouble it's taken to make it possible. The reason for the "extras" is that for quite some time now, my ideas and intentions just didn't manage somehow or another to flow past the pen point. That is one of my naturally attached habits however, but in case of any doubt, my friends at home can easily confirm this confession.

There has been an odd occasion or two when the paper itself didn't turn up but on the whole, there's a little room for complaints in regards to its regularity. It is without doubt very much of interest to read of what the folks on the 'home front' are doing in regards to war work, raising of funds, etc., besides seeing what is being sent and being done by other local citizens now in the various forces. I was a little surprised in that sufficient material was available for a hockey team last winter, but not a little more, I must admit, at their position of top rung, up to date of Feb. 11. I hope they went farther than our team, which this year reached only the semi-finals. All our games were played in the ice palace in Brighton, on artificial ice.

There's been very little change in the army routine in the past six months, outside of the appliance of a few more yards of the well-known red tape from time to time, but it doesn't seem to make a great deal of difference to us anymore anyway. However, as at home, a few of the boys over, here are binding themselves with the chains of matrimony and seem to be doing very well considering conditions so I guess there isn't very much to worry over. Thanking you once more for all the news from home, I still remain,

THE RED CROSS NEEDS \$9,000,000 NOW!

It is only through the Canadian Red Cross Society that anybody in Canada can send food parcels to any Canadian, British, Australian or New Zealand prisoner-of-war anywhere.

This is but one of the great tasks of the Canadian Red Cross; great tasks require great effort and much money.

More than 40,000 prisoners-of-war food parcels are sent overseas by the Red Cross every week. This number must be more than doubled to meet the actual need. More than a million such parcels have already been sent to prisoners-of-war. It all costs money. The Canadian Red Cross Society has not campaigned nationally for funds since October, 1940. It now asks urgently for \$9,000,000 in the only national campaign for war service funds to be authorized by the Government this year.

Every dollar contributed by you is wisely dealt with and economically administered. All Red Cross accounts are subject to scrutiny by the Auditor-General of Canada.

The Canadian Red Cross has given enormous assistance to the injured and homeless in bombed areas in Britain. At Coventry and Hull, in devastated London, Plymouth, Bristol and Liverpool, the Canadian Red Cross was there. Millions of articles of clothing, shoes, blankets and other comforts have been distributed.

Thousands of children in Britain have been made orphans by the war. The Canadian Red Cross has fed and clothed many of these homeless ones and found them shelter.

The Canadian Red Cross Society maintains Enquiry Bureaus through which families in Canada obtain information regarding missing relatives. Through these Bureaus, prisoners-of-war or missing civilians are located. The work is carried on in co-operation with the International Red Cross at Geneva, Switzerland.

The Canadian Red Cross has supplied 36 mobile kitchen units for Britain's fire fighters. These units are equipped to go into bombed areas and feed 250 workers at a time.
