Farewell Party for Mr. and Mrs. A. C. Patterson

Last Friday night, the Silvercreek Duhre Club and friends assembled to pay tribute to Mr. and Mrs. A. C. Patterson, who are moving to Toronto, where Mr. Patterson has a position as inspector in a munition plant. Among the forty guests was Mayor Joseph Gibson, of Georgetown, who in a short talk commended the social spirit of the club and all such rural organizations, and also made the comment that "Pat's" general disposition was largely due to his residence in Georgetown before establishing his business on Silvercreek Hill, as in Georgetown all relations are congenial. Mr. and Mrs. Patterson were presented with a chair and lamp during the evening, and an address was read, to which they made suitable replies, expressing the trust that their residence in Toronto would be only temporary.

The address: From the Silvercreek Duhre Club and Friends to: Mr. and Mrs. A. C. Patterson, May 15, 1942. During recent years we have all watched, with great interest, the development and expansion of your business on Silvercreek Hill until it had become to us a symbol of efficient service and good workmanship. We watched, too, your home in which we have spent so many pleasant evenings as a club and as friends, till it stood like a city built on a hill that cannot be hid, the emblem of hospitality. Then came the war, a war of many phases, one of the most important of which is the "war of production," in which department you have become connected, and in which work you will we know, serve your country as zealously and as efficiently as you have served this community in the past years. We all regret your temporary removal from the community and club, but our regret is tempered by the knowledge that you have a responsible position and one in keeping with your exceptional skill and ability in your work of this kind. These tokens of our respect and loyalty to two good friends will remind you of the kindly sentiments we feel for you, and the joy that will be ours when you return. On that happy day you may be on flat tires all round, and out of gas at the foot of Silvercreek Hill. In that case sound your horn, and we will all turt out with ropes, to haul you up the hill with all the joy and acclamation accorded a Roman Emperor returning in triumph from the wars, with his Empress by his side, and victory on all his banners. Signed by all members of the Club and Community.

Bowling Club Plans For 1942 Season

Opening Party This Week for B.W.V. Fund—Weekly Schedule Drawn Up at Meeting Last Week

A joint meeting of the Ladies' and Men's Section of the Georgetown Bowling Club was held on Tuesday evening, May 19th. The Games Committee presented suggestions for rules to cover 1942 tournaments and pinery. Mr. S. T. Parson, as president, spoke in favour of more rigid enforcement of rules covering pinery (alt.). While all of those present were not certain that late starters could be drastically penalized, the meeting voted on record as favouring some "action" to get "action". It was decided to officially open the season this week with a club pinery, the proceeds of which would be donated to the Herald British War Victims' Fund. Throughout the year, the weekly play will be very similar to that of last year.
 Mondays—Men's doubles
 Tuesdays—Ladies (afternoon and evening)
 Wednesdays—Challenges and tournaments
 Thursdays—Mixed pinery
 Fridays—Mixed doubles
 Saturdays—Challenges and tournaments
