BOWLING CLUB NEWS

Local lawn bowling had its official opening last Thursday evening, when four rinks of ladies and men participated in a mixed jitney. Three games were played, two 10-end and one 8-end. To inaugurate the season and take part in this event, each participant contributed twenty-five cents. The total entrance fees, which were augmented by a member unable to attend, have been turned over to the Herald War Victims' Fund. High scores were: ladies, Mrs. W. G. Bell; men, Mr. J. J. Gibbens.

Monday, June 1st, the first draw in the men's double tournament got under way with three 10-end games being played. Due to the extremely damp weather there was not a full attendance. Arrangements have been made, however, so that games may be "caught up" by late entrants. Several new members are already enjoying the greens.

Tuesday, of course, was ladies' day, with an exceedingly fine crowd present. This was the second meeting for the ladies, as a tournament was held the previous Tuesday. Three appointments were made — Miss Lyla Armstrong, assistant secretary-treasurer at Mrs. J. J. Gibbens, while Mrs. P. P. Blackburn and Mrs. A. Duncan were named an entertainment committee. Later in the evening a Grant Trophy challenge was run off. The defenders, Fred Thompson and W. G. Bell, had lifted the silverware last week from the winter holders, Ernie Thompson and James Richardson. Last night they edged out a 19-18 victory over S. P. Chapman and Art Reeve, which pair had essayed to clip the cup.

Make it a habit to SAVE FATS...

What do you do with your leftover fats? Wash them away? Scrape them into the garbage can? Don't throw them out. If every person in pulp and paper towns across Canada were to save just three ounces of fat a week for the Salvage Committee, enough nitro-glycerine could be manufactured in one year to fire 240,500 shells! Save all the fat you can. Every ounce is your personal calling card on Hitler!
