Civic Holiday Celebration A Grand Success For Active Service League

EVERYONE PLEASED WITH PROGRAM PROVIDED

The newly-formed Active Service League of Georgetown, headed by a committee composed of W. V. Grant, Lt.-Col. O. B. Cousins, O. McCarty, O. W. McLintock, A. Beaumont, J. Gibbons, Capt. H. C. McClure, E. H. MacLaughlin and T. P. Orive, and ably assisted by representatives of nearly every organization in town, served all the parties which can be described upon them for their untiring efforts to make the Civic Holiday celebration in Georgetown, one which will be long remembered as the most successful ever held.

As we know, the day's entertainment had a two-fold purpose, and aside from the pleasure point-of-view, the main object was to start building a fund in recognition of our soldiers so that such things as proper send-offs and welcome back from overseas can be adequately arranged. Well over a thousand paid admissions afternoon and evening proved that Georgetown citizens are right behind any effort to aid those who are doing so much for us. Soldiers in uniform and children were admitted free and helped swell the crowd which enjoyed the entertainment to the full.

The afternoon activity began with a parade of the Lorne Scots Regimental Band and Regiment from the town hall to the grandstand at the park. The crowd was not long in following. Bingo and many other games with an array of attractive and useful prizes came in for their share of attention. Games were in charge of E. V. MacCormack, assisted by Frank Petch, Arthur Reeve, Alan Norton, E. Keefe, Walter Cook, J. Ritchie, W. Ritchie and P. Kersey. Pony and donkey rides for children were another feature of the afternoon. Col. O. B. Cousins and Capt. H. C. McClure having kindly lent the pets for the afternoon's entertainment. During the afternoon and evening, Misses Mary and Betty Paul, Margare Hoare, Annabelle Putton, of Buffalo (niece of Mrs. H. C. McClure) and Peggy Kelly, realized a very substantial sum from the sale of War Savings Stamps. The attractive red, white and blue costumes they wore made them very hard to refuse, we imagine. The St. John Ambulance Brigade were on duty afternoon and evening. The refreshment booths did a rushing business in spite of operating under rationing difficulties which did not permit the sale of tea or coffee. We don't wonder that they did, though, for the food offered for sale was excellent.

The main feature of the afternoon was the sports program, which was in charge of Mr. Fred McCarty. Winners of the various events were as follows:

Boys, 6 and under—James Mackie, Jack Hall, Terry Norton; girls, 6 and under—Dorothy Williams. Marvel Spencer, Elmer Scherer; boys, 6 to 10—Evan Huffman, Doug Norton, Don Elson; girls, 6 to 10—Doris Harrington, Ann Mackie, Kathleen Coxe; boys 10 to 14—Barney Gillette, Dudley Erwin, Albert Tennant; girls, 10 to 14—Toots Murphy, Norma Davidson, Elsie Hulme; young ladies—Pamela Cousins, Toots Murphy, Jessie Gillette; men's race, 100 yds.—Barney Gillette, H. Moody, Elmer Hurren; 200 yds.—Tommy Connelly and Margaret Connelly; Jessie Murphy and Joe Gillette; hobble race—Barney Gillette, Toots Murphy, Joe Gillette; rolling pin throw—Mrs. Hancock, Mrs. Hyde, Mrs. Harrington; Boy's bicycle race—Jim Golden, C. Cousins, I. Huffman; men's bicycle race—T. Wiley, J. Graham, Bob Connelly; tug-o-war—Papermill team defeated the Town team.

An enthusiastic ball game between the Lorne Scots and a team from No. 10 Basic Training Centre at Brampton, which was the first event on the evening's program. The Brampton boys won out 13 to 11.

A grandstand packed to capacity and a large standing audience enjoyed the presentation of the garden party program and the music of the Lorne Scots Band. Chairman W. V. Grant was master of ceremonies and opened the evening's entertainment with a few well-chosen remarks, giving the objects of the Active Service League and thanking those who had helped make the day such a success. He extended an official League welcome to the men who have already returned from overseas: Spr. G. Gillette, R. C. E. Pte. W. Emmerson, Lorne Scots, Pte. R. Wiggins, Lorne Scots, Pte. O. Rayner, Lorne Scots, Cpl. John Scrymgeour, Governor General's Horse Guards, and Major A. Early, of the Princess Pats. The audience joined with him in two-minute's silence in honour of two men who have already given their lives.

P. O. Garman Sutcliffe and Acting-Egt. Hubert Tost of the Royal Hamilton Light Infantry featured the Guelph Old Time Fiddlers and assisting artists. The "youngest" fiddler is 71 and the oldest is 85, and their music was thoroughly enjoyed by all. Thomas Simpson delighted the audience with his comic song presentations and his prowess on a miniature mouth-organ, which he could play with his nose as well as his mouth. The recitations of Charles Holmes, were stirring—especi-

ally his interpretation of "The Spirit of England." James McCarty sang some very amusing Scotch songs and Miss Frances Spire proved to be a spirited and witty player. A very attractive "coo-girl" singer added a western note to the musical portion of the program, while Mr. Johnson contributed his share to the program by several rag and tap dances. Two comic duets by Simpson and McCarty, "Brother Ezra and Sister Sue" and "Barrack Bill the Baker," in which McCarty surprised everyone by the use of a beautiful falsetto soprano voice, brought the enjoyable evening to a close.

After the grandstand performance, the Old Time Fiddlers provided music for dancing in the armchairs. Mr. T. Orive had complete charge of the dance. Lucky winners were: 1st, Bruce McCarty, Glen Williams, \$12.50, 2nd, Muriel Hamilton, Hornby, \$7.50, 3rd, Irvin Hill, Glen Williams, \$5.00.

Special mention must be made of the representatives of the women's organizations who worked so hard throughout the day and night in the booths, and also of the merchants who donated prizes for the sports events: J. Sanford & Son, who provided the excellent amplification system and the Legion and Firemen for the way in which they assisted.

Deputation From Fall Fair Get \$125.00 Grant From Council

THE WEATHER

By H. L. Hill
Now that we are into the month of August we can look back on the past month and see how it varied from the normal. The average daily temperature was 67 degrees, four-fifths of a degree below normal. The rainfall was 3.30 inches, 30 above normal. The most unusual weather feature of the month was the distinctive storm about the middle of the month when grain crops were beaten down, trees smashed and serious damage done in other parts of the country.

During the past week have had up harvesting, and some farmers said summer fallows were too wet to work, consequently the best thing that could be done was to go to town.

Following are the local records:

County Rate of \$707.50 Paid—Dismal Conditions at Dump in Park

Town council met Tuesday evening for their regular monthly session with Mayor Joseph Gibbons in the chair, Reeve Cleave, and Councillors Oostgum, Brown, Mackenzie and Bradley present. The business on the agenda was light, and council were again able to adjourn before 10 p.m.

A deputation from the Georgetown Fall Fair Board, Messrs. Frank Petch and P. W. Cleave, called on council asking that the usual grant of \$100.00 be increased if possible this year, due to a reduction in the county grant. Mr. Petch stated that some members of the County Council had taken the attitude that Milton Fair should be the only one held in the county, as a county fair, and were endeavoring to acquire Acton and Georgetown out by reducing their grants this year by \$50 each, and raising the Milton grant from \$150.00 to \$200.00. In order to offset this, he asked council to be as generous as possible. Council were unanimous in their opinion that Georgetown Fair was just as important to the people of this district, as Milton Fair was to the county town, and granted the Fall Board \$125.00 this year.

A letter from the county treasurer set out the county rate for 1942, and this was ordered to be paid at once in order to take advantage of the discount. The county rate is \$707.50.

The Fire Brigade were given the usual grant of \$50.00 to cover convention expenses of delegates.

Georgetown Women's Institute were given permission to hold a tag day on Saturday, August 22nd.

Council ordered that the old band shell at the park be offered for sale and that it be removed before August 15th.

A good half hour at the close of the meeting was given over to the discussion of the dumping situation at the park. Regular complaints from residents of the park district have been coming to council as to the odor issuing from the dump, and the council are endeavoring to find some solution to the matter. It has been suggested that a new dumping ground be purchased outside the town. This would probably necessitate garbage collection, and with labour so scarce, they felt that collection facilities should be left until after the war, if some other means of dealing with the nuisance could be found. They may have something more concrete to offer at their next meeting.

IT CAN HAPPEN HERE
We have just had a large quota sent to us for our acceptance for hospital supplies. If we accept same we are requested to keep twenty-five units on hand in case of emergency. "To be prepared" is the slogan of the Canadian Red Cross.

WHEREN YOUR SHAVING TUBES?
1,000 pounds of these empty tubes should be salvaged a day in Canada, and this amount is available if the public will co-operate.

Since only about 30 per cent of the number of used shaving cream and tooth paste tubes available are being turned in, apparently the public is not yet aware that as soon as a tube is empty it becomes the property of the government and must, within a reasonable time, be delivered to a drug store.

According to the Wartime Prices and Trade Board, the tin used in the manufacture of 125 toothpaste tubes is sufficient to take care of the requirements in the vital parts of a bomber engine. One paste tube supplies sufficient tin for the manufacture of 20 shell cases. Twenty artists' paint tubes will supply the tin required in the manufacture of a field telephone and the tin from one tube is sufficient to line 20 miners' water bottles.

PRISONERS-OF-WAR-PARCELS
In a letter to his parents, Mr. and Mrs. Walter Peavee, of Barrie, Egt.-Observer Frederick J. S. Peavee paid high tribute to the Red Cross. "The Red Cross and their parcels have been our life-savers so far," he wrote from a German prison camp. "I don't think we could live without them."

Canadian prisoners of war are receiving Red Cross parcels in good order, and the contents are of a substantial benefit to prisoners' health. Capt. Wilfred R. Crowe has advised Toronto Red Cross branch in a letter from Crete. Formerly of Orangeville, he was captured in Crete July, 1941, while serving with the Royal Army Medical Corps. "Canadian parcels with their B.I. content are particularly valuable," he writes. "I would like to congratulate you on the choice of food-stuffs. Canadian Red Cross parcels compare most favorably with those from other parts of the empire."

SOLDIERS-AND BLOOD CLINIC
Approximately four-fifths of the number of blood donors who make contributions to the Kingston Red Cross blood bank clinic are members of the armed forces. The clinic handles an average of 250 donations per week.

"The civilian population does not understand the urgent need overseas for this blood," says Mr. P. Brook, secretary of the clinic. "Although many appeals have been issued by the Red Cross, the response is no more than a slight trickle which can be handled in one day of the clinic's four-day week. The other three days are given over entirely to members of the armed forces who have already made a great sacrifice in offering their lives to the country."

Due to the small issue this week the next instalment of the serial "The Dim Lantern" will appear next week.

WITH THE BOWLERS
Six members of the Georgetown Bowling Club went to Brampton last Friday night and managed to defeat a Brampton team in triples; one game being very close and the other well in favour of Georgetown. They were entertained at a buffet luncheon by the Brampton team, who will return the call shortly. Those from here taking part were: W. O. Bell, J. Richardson, Art Reeve, S. P. Chapman, Ernie Thompson and Harold Cleave.

The Grant Cup was played for on Thursday night, challengers J. Kennedy and Elmer Thompson going down in defeat, the cup still remaining in the hands of W. G. McDowell and Perce Coffin.

At the usual jitney, prize winners were Mr. Blake Leslie and W. G. Bell.

BALLINAFAD
Mr. and Mrs. Lesley Waddell and family of Hamilton, spent the week at the former's sister, Mrs. Annie Vannatter.

Mrs. Evans, of Toronto, spent the week end with her sister at the Mansa. Mr. and Mrs. Wm. Hills, of Toronto, spent the week end at Mr. Henry Hills.

Miss Maureen McKay, of Toronto, is spending a fortnight with Mr. and Mrs. Alex. McKay.

Mr. and Mrs. W. Sellwood, of New York, called on friends in the community this week.

Friends and neighbours gathered on Tuesday evening in the hall at Ballinafad. After a short program, consisting of recitation by Muriel Hills, piano instrumental by Lillian Shortill and solo by Mrs. J. Shortill, a mock wedding was staged. The following took part: the bride, John Cole, the groom, Janey Gilvies, bridesmaid, Delmar French, groomsmen, Annie Snow, page boy, Ernie McEhery, flower girl, Sam Snow. Robert McEhery gave the bride away and J. P. Kirkwood acted as minister. This created much fun. An address was then read by Lydia Snow and Mrs. C. Head (nee Florence Steen) was presented with a miscellaneous shower. She replied in a few well-chosen words.
