**"I'M A
FREE
MAN!"**

"I'm glad I live in Canada. My family is safe here. There is no Gestapo, no hunger, no brutal aggression. I have a good job, and I am free, and unafraid."

"In many lands, the people have been robbed and beaten, their money and possessions forcibly taken from them. Here in my country, I can lend my money and know that it is safe, backed by all the resources of Canada, and that I will get interest on it, too. I am gladly doing without some things so as to be ready to lend every dollar I can to the country that has been so good to me and my family."

Every dollar you lend to Canada helps to protect you . . . gives you the right to work in personal freedom instead of under brutal dictators . . . enables you to live your own life, for yourself and your loved ones.

Victory Bonds are a good way to save . . . this country has always paid back every penny loaned to it, with interest. Plan now how you can lend your money . . . figure how you can save to lend more. Back up the men who are fighting for your freedom . . . let your self-denial show your loyalty to Canada.
