## Red Cross Elects Some New Officers

A special meeting of the Red Cross was held in the A. O. U. Hall of the Public Library on Wednesday evening, October 14th at eight o'clock. A good representation of the different Women's organizations in town and vicinity was present, the primary object of the meeting being to elect officers to the vacancies that had occurred during the summer months.

Mr. LeRoy Dale, K.C., President of the Red Cross was chairman. In a brief but potent address he stressed the necessity of active and continued Red Cross work in Georgetown, saying in part that the Red Cross was a world-wide organization having local, provincial and Dominion branches with the International at Geneva. He spoke of the wonderful work the Red Cross is doing in seeking information of prisoners of war. There were 200,000 in the Red Cross in support of the Army and Navy in the Pacific and only 100 in our work in the Atlantic. He spoke of the need for the Red Cross to be better built up. The men on the battlefield should have our first consideration. Our aims are being realized to take to the front line. We must be prepared to do our part when the call comes. He applied to the audience for their cooperation and aid in our work and talents to the job. At the last count only 400 members only 50 had met their objective and he was happy to say that Georgetown was one of them and had come over the top. If we could go over the top in our work we could go over the top in our work.

At a previous meeting the resignation of Mrs. P. B. Coffin had been read and deep regret had been expressed and a thankful tribute paid to her devoted service to the Red Cross since it had been organized. This left the office of First Vice-president vacant and Mr. Roy Watson, who has also served with distinction, was elected to this office. Mrs. Roger Gaulty removal from Glen Williams left the office of third vice-president vacant and Mrs. John Hepburn, of Glen Williams was elected to this office. Mrs. W. Bell was elected Chairman of the Sewing Committee. For recognition of the work of the work of the retiring chairman, Mrs. Walter Peck was expressed. Mr. J. R. Davison Field Secretary of the Navy League of Canada, was present and can be asked to say a few words which would shorten the war by a few months, a few weeks or even a few days.
