### For Russian Relief

To the quilts they fastened this rhyme which was composed by Mrs. K. Preston, and which the Russian Embassy translated into Russian for her:

'Tis not a handsome thing,  
This home-made quilt of mine,  
But it bears a loving message  
Straight from our hearts to thine;  
God bless you all and keep you safe,  
From peril and from care,  
And then to bring you Victory.  
This is our heartfelt prayer.

A few monetary donations were also received which together with the proceeds from the "Fats Salvage," also managed by Mrs. Preston, will cover the cost of shipping.

EFFECTIVE NOW

# BUTTER

## IS RATIONED BY COUPON

The ration is one-half pound of  
butter per person, per week.

On and after December 21st it is unlawful to sell or buy butter at retail without the surrender of the proper coupons.

Brown coupons, Nos. 1 to 11, "Spare 'C'" from Ration Book Number 1 now in the hands of the public, are to be used for this purpose.

Each Brown coupon, Nos. 1 to 11, "Spare 'C'" entitles the holder to buy one week's supply. Only

Brown coupons, Nos. 1 to 11 "Spare 'C'" can be used for the purchase of butter.

Each coupon becomes good on a definite date and expires on a definite date . . . and can be used only within its prescribed period, as given below.

The system for butter is different from that applying to Sugar, Coffee and Tea, where coupons have no specified expiry date.

#### Dates When Butter Coupons Become Useable—and Expire

Coupon Number	Good for Purchase beginning on	Not Good for Purchase After
1	December 21	January 3
2	December 28	January 3
3 and 4	January 4	January 17
5 and 6	January 18	January 31
7 and 8	February 1	February 14
9 and 10	February 15	February 28
11	March 1	March 14

NOTE: Brown Coupon No. 2, "Spare 'C'" will be good for use only during a 7-day period—December 28 to January 3. Brown Coupons Nos. 1, and 3 to 11, "Spare 'C'", can be used within 2-week periods.

Coupons for butter, like those for Sugar, Coffee and Tea (the red and green coupons) must be detached by, or in the presence of any seller of butter or his employee. If desired, consumers may lodge their

butter coupon sheets with their retailers, so that the latter may detach the required coupons when delivering.

#### Temporary Ration Cards

All Brown Coupons on Temporary Ration Cards issued to members of the armed forces on leave, visitors to Canada, etc., are good after December 21.

#### Butter Holdings Exceeding More Than One Pound per Person Must Be Reported and Coupons Surrendered

Consumers or non-registered boarding houses having in their possession the equivalent of more than one pound of butter for each person in the household, must before January 3, 1943, report their holdings to the nearest office of this Board. They must forward with their reports the number of butter coupons representing their butter holdings. If the quan-

tity of butter in possession of such persons represents more than the eleven brown coupons in Ration Book No. 1, which will be good for butter, they must in their reports undertake to detach from future ration books, additional butter coupons equal to the remainder of the surplus.

#### Special Notice to Retailers

On and after December 28, retailers must establish their right to purchase new supplies of butter from their suppliers by turning over to the supplier currently valid ration coupons equivalent to the poundage of butter ordered from the suppliers.
