RED CROSS NEWS

FROM AN OLD SAMPLER

I pray that, risen from the dead, I may in glory stand— A crown, perhaps, upon my head, But a needle in my hand.

I've never learned to sing or play, So let no harp be mine; From birth unto my dying day, Plain sewing's been my line.

Therefore, accustomed to the end In plying useful stitches, I'll be content if asked to mend The little angel's breeches.

—From the Complete Poems of Eugene Field.

WORK-ROOM

KNITTING: There seems to be a great shortage of wool but we are trying to obtain our share. We have written headquarters and should have their reply by Friday, our regular work day.

We very much regret that Mrs. John Gibbons, a very faithful member of this committee, has been forced through ill-health to give up for a time. Only those in the know realize how valuable her services have been since our organization in 1939.

HEWING: Well they will soon be back again. These box-lings we all enjoyed working on. These are used to line the metal base of a hold the dressings.

HOSPITAL: This committee's work is steadily mounting. They are shipping out 1200 compresses this week to complete a quota of 2400.

IT'S A WOMAN'S WORLD

A few years back a story was told of an old lady upon being asked her opinion of women voting replied quite distinctly: "For goodness' sake, if there is one thing a man can do without asking a woman's help, why not let him do it." Well time marches on and opinions change.
