

The RED CROSS is a link between him and home!

Just imagine what it would be like if there were no Red Cross. In times of war there would be no way of knowing what had happened to men missing in battle... no way of telling men in enemy prison camps that they were remembered by loved ones at home.

So that there will be no "forgotten men" among Canadians captured by the enemy, the Canadian Red Cross ships thousands of parcels overseas every week. Each parcel contains nourishing food and cozy comforts needed by men to whom the bare necessities have become luxuries. These messages from "home" relieve the loneliness, the confinement, the monotony of prison camp routine. Each parcel costs \$9.50 more than ever so needed this year. How many will you send?

RED CROSS NEWS

There, too, by the grace of God, go I! Wherever war with its black woes, Of blood, or fire, or famine, goes, There, too, go I!

I am the ambassador for you. If you were there!

—Taken from General Motors' ad in the Globe and Mail.

The RED CROSS has no purse but yours. If you will open it she will make your personal contribution OVER THERE for you.

IT'S THE LATEST THING!

Everyone will want to wear one. What? Why that small lapel pin with a red cross against a white background that is given when you subscribe to the RED CROSS appeal when the canvasser calls on you. She is the messenger who will take your contribution to Headquarters and they will see that your dollars are sent on the many errands of mercy that the RED CROSS is doing.

ARE YOU A FIFTH COLUMNIST?

Who? Me? Good gracious, no! I would not think of assisting the enemy in any way. Is your criticism in any way interfering with the war effort? Are you repeating any malicious gossip you have heard against one of the war's agents of mercy? Think it over. The administration of RED CROSS funds costs 3.40 per cent, and this is only possible because of the 1,000,000 volunteer workers. Just compare this with any of the organizations in town and see how far-fetched and perfectly ridiculous that "Mrs. Brown told Mrs. Smith who told me" stuff is.

WORK-ROOM

HOSPITAL: This committee is planning to make a shipment this week. They are working very hard to keep up to the requirements of their quota. All across Canada, Red Cross branches are stepping up their activities against the day when even greater demands must be made on their resources.

The packing of un-sterilized surgical dressings for England is the immediate project... surgical dressings seem into factory cotton so that they may be unpacked and sterilized at the Base Hospitals where they have their own sterilization facilities. The factory cotton used in packing will be welcomed in England for many uses. (The factory cotton referred to is the box tissues we are making in our work-rooms. They are rather monotonous things to make but you can see how very necessary they are.)

MEMORANDUM: We have just accepted a

civilian quota for children's clothing. We will be making the necessary little garments that are needed for boys and girls, who have probably lost one or both parents in the Blitz. If the neighbors' children are orphaned why we rally round. Well, some of our distant neighbor's children have been orphaned, but their neighbors have been blitzed too. Will you lend a hand to help them?

JUNIOR RED CROSS

We were told that the Junior Red Cross is contributing \$40,000.00 to buy musical instruments for our prisoners-of-war by Major Watson at last Thursday night's Red Cross Rally. Can you visualize four million cents? That is what it amounts to. And can you visualize what a musical instrument means to a lonely prison camp?

We want to thank the Public School children of Norval for a beautiful autograph quilt, made by them and finished by the Women's Institute, and given by them to the Georgetown Red Cross. The proceeds of the autographs were given to the Women's Institute of Norval who intend using it to buy material to make quilts for the Red Cross.

BLOOD CLINIC

Another successful Blood Clinic was held on March 3rd. We think Georgetown is doing well, and when the weather clears and we can get the outlying districts contributing well, we hope our record will be second to none.

It might interest the donors to know that through their generosity a blood donation costs the Red Cross about \$1.00, which is for personnel and equipment. Compared with the average cost of from \$12.00 to \$20.00 in any of our hospitals for a donation, it makes the word "volunteer" worth nearly two dollars a letter.

Some of the re-actions noted at the clinic were: From a seventeen-year-old boy—"Now I'm a man. I feel fine." And indeed he was a man. From a 57-year-old man: "Simply delighted to give it if it will help someone. Count me in on the next clinic."

PRISONERS-OF-WAR

First paragraph of a letter written by Sgt. Pilot John Stickle, a prisoner-of-war in Germany, to Mr. and Mrs. John Stickle, Ridgeway, Ont. Dear Mom and Dad: I know you folks back home will like to know how I spent Christmas Day. I attended church 8.30 a.m. The Polish choir sang the mass and it was very good indeed. Breakfast followed, and directly afterwards they held roll call. At two o'clock twenty-one of us ate our dinner together—the tastiest meal I've had in Germany—from hors-d'oeuvres to Christmas pudding and all the trimmings—all sent from the Red Cross.

—Taken from the Catholic Register. The authenticity of this letter will stand answer that ever persistent question—"But do they ever receive their parcels?"

ACTIVE SERVICE NOTES

Pte. G. Beaumont spent the week end at his home in Glen Williams.

Pte. George Gilmer, of Toronto, returned Saturday with his parents.

Capt. Joe Hall left for Camp Borden Tuesday morning, after spending a week's leave at home.

O.S. Victor Miller, stationed on the east coast, is spending a furlough at home.

Cpl. L. Puckering has been transferred from Terrace, B.C., to Lantz Branch for a special course.

Shipwright Jack Cunningham has returned to St. John's, Newfoundland, after spending a 21-day furlough with his wife and son.

Pte. Herbert Arnold, stationed at Camp Borden, served on his first stripe last week. Having completed a special course, he is now a Lance-Bombardier.

"Stew" Beatty, another former hockey star, only for Brampton this time, and who went overseas as a lieutenant, has recently been promoted to the rank of captain. He enlisted in 1941. "Stew" will be remembered by many who can recall some of the exciting hockey affairs back when the neighbouring town had an arena, and when "Mooney" Gibson was their star centre man.

While Cook Jack Kemshhead is serving in the Royal Canadian Navy, he also finds time to get in some hockey down on the coast. Jack was one of Georgetown's outstanding players before going on active service, and according to a press report seems to be going "great guns" down east. Playing for the Navy against the Ramblers in the Nova Scotia Intermediate play-downs, Jack scored four goals in one game and assisted on another. The game was the first of a two-game series and ended in a 6-6 tie. Good luck Jack, and we know you are playing just as fine a game for the Navy as you do on the ice.

PRESENTATIONS AT S. S. NO. 5 ESQUERING

The pupils of Waterloo School, S. S. No. 5, Esquering, said goodbye to two of their schoolmates on Friday, March 5th. Jimmy McDonald and Billy Taylor are both leaving the section. As little parting tokens, the teacher and children presented Jimmy with a nice gold mounted fountain pen and Billy with a leather wallet. Each was given a short address signed by the teacher and scholars. Both boys expressed their thanks as they said goodbye.

Mrs. Edward Arnold entertained the Monday Night Knitting Club this week. Many of the members have already completed several sweaters for British War Victims, and there are almost enough for another shipment. The hostess served delicious refreshments at the close of the evening.

The Daughters of the Church met at the home of Mrs. Fred Harrison, last Monday night, the meeting taking the form of a shower for a ditty bag. Many useful articles were contributed, and the members completed the packing. Some time was also spent on the quilt which they are making for Russian Relief. The evening concluded with lunch served by Mrs. Harrison.

"Blitz" Tactics Revealed At Red Cross Rally

A roll of moving pictures taken from captured Nazi Officers, depicting the German war machine in action, and designed to show the people of the Reich the tactics of speed and ruthless destruction employed during their invasion of defenceless nations, highlighted the Red Cross Rally held in Knox Presbyterian Church, on Thursday, March 4th.

LeRoy Dale, K. C., President of the Georgetown branch of the Red Cross, introduced the guest of the evening, Major E. H. A. Watson, Field Secretary of the Canadian Red Cross. In his opening remarks, Mr. Watson told those present, how pleased headquarters were with the splendid work being done by both Junior and Senior Red Cross Societies in Georgetown. There were a great many boys and girls present and he told them what great work they were doing, explaining just how the money they contributed was used to alleviate the suffering caused by war. Mr. Watson stated that the ten million dollars for which the Red Cross were asking in their campaign, now in full swing, would only begin to touch the fringe of misery and hardship in the world today.

The splendid turnout of members of the Junior Red Cross were thrilled to learn that through their efforts 14 field kitchens, 13 ambulances, 14 war nurseries in England have all been purchased and maintained. In addition to this 2,300 crippled children had had hospital care and every prison camp in Germany had been supplied with musical instruments to keep up their morale.

His appeal to "do your utmost" was stirring and urgent.

The moving picture "This is Blitz", illustrated his point only too well, showing the terror and devastation wrought in Europe by the Germans. The second part of the film dealt with the counter-strategy of the Allied Nations and the immense resources they are mobilizing to meet this challenge. The next film "Inside Fighting China", illustrated the gorilla tactics used by China to stem the tide of Japanese aggression. For more than ten years, fighting China has successfully withstood the barbarous armies of her covetous neighbour. In place of the third film "London Scrap Book" originally intended to be shown, Major Watson showed a Canadian Moving picture, full of action, as a contrast to the preceding serious films.

In between films, the audience enjoyed several musical numbers. There's a Land, a Dear Land" was sung by Miss Mary Paul, and Mrs. H. C. Wraggworth chose as her solo, "Land of Hope and Glory". Both soloists were accompanied by Mrs. R. T. Paul. Misses Norah Cleave and Alva Cripps played a piano duet.

\$5.00 was cleared for Russian Relief at the dance sponsored by the Punch Press War Workers Feb. 16th, in Georgetown Arena. The quilt raffled off was won by Mrs. Gladys Halkinson. About 300 attended.

STEWARTTOWN

The World Day of Prayer meeting will be held in the Council Chamber, Friday afternoon, March 12th, at 3 o'clock. A welcome is extended to all. Lt.-Col. E. Hunt, of Brampton, was home for the week end.

There was no service in St. John's Church on Sunday. The slow storm on Saturday and the wind on Sunday made the roads heavy and blocked.

THE MOPS COME MARCHING ON

Taking their cues from the WAACS and WAVES, homemakers who are doing their bit behind the frying pan, washing machine and basinette, are banding themselves together in the "Maternal Order of Patriots" MOPS, to you! Read about them in The American Weekly with this Sunday's (March 16) issue of The Detroit Sunday Times.
