**HORNBY PEOPLE RAISE
\$412 FOR RUSSIA**

Hornby Orange had was filled to ca-
pacity last Friday night when an old-
fashioned box social and auction sale
was held to raise funds for the Cana-
dian Fund Aid to Russia. The wonder-
ful success of the event, which every-
one thoroughly enjoyed, brought to
mind the Auction Sale of "Up To You"
held in Georgetown in the fall of
1941, which brought such a substantial
sum to the Red Cross, Soldiers Com-
forts, and British War Victims Fund.
Featuring the evening was the auc-
tion sale when a goat donated by
John Royce was purchased by the
donor for \$2. Seventeen others purchased
the animal for \$1 a piece and in turn
they put it up on the auction block.
The animal brought in \$20. A lamb
donated by Frank Stark sold for \$17.
A calf donated by Anderson Bros.
brought \$10. Cabbage \$5.25 a dozen
and honey donated by Ed. Robertson
sold for \$3 for eight pounds. A beau-
tiful hand crocheted chair set sold for
\$6.50. Thomas Douglas won a fruit cake
in the draw. It was auctioned for
\$7.50. When Bill Robinson was given a
war savings certificate, he in turn
auctioned it for another \$4. P. D. Bal-
ter and Ollie Brownridge were the
auctioneers. The event earned \$475.65
and expenses were \$33.60. The Girls
Club of Hornby, donated \$14, and a
glass jar at the door contained \$24.50
at the end of the night. The sale of
box lunches earned \$130.70, the highest
box being sold to Jas. Downs for \$11.25
was prepared by Vera Varley. Miss
Gladys McCurdy received the prize for
the most attractive box. Cliff Robinson
won the satin comforter, donated by
Mrs. Harry Robertson. \$212.85 was
raised from the draw. Other winners
were, John Charlton, Milton; James
McDonald, Acton, Mrs. F. Tisdale, Wm.
Robinson, Tom Douglas, Harold Ag-
new and Mrs. A. Marchmont. Winners
of the euvre prizes were Mrs. A.
King and Clebert McDowell. Wilma
Sinclair and Jeanette Hall entertained
the audience with a Dutch dance.
The committee, Mrs. Harry Robert-
son, Mrs. C. G. Hall and Cliff Robin-
son are to be congratulated for stag-
ing the successful money-raising
event. They thank everyone who con-
tributed to the success.

"We must remember, however, that
we in Britain and the British Common-
wealth of Nations, although almost a
world in ourselves, will have to reach
agreements with great and friendly
equals and also to respect and have
care for the rights of weaker and
smaller States, and that it will not be
given to any one nation to achieve full
satisfaction of its individual wishes."
Prime Minister Churchill,
March 21st, 1943

Read this over again. It struck the
writer as being the most potent part
of that great speech. Almost one would
say a modern version of "The Sermon
on the Mount." With such ideals and
visions for the future we are bound to
win.

Ditty Bags
We are pleased to report that we
have received a well filled ditty bag
from Mr. and Mrs. Ralph Ross from
Navy League headquarters comes the
following acknowledgments. Mrs. John
H. Ross of Chester, Pa. wrote: "On be-
half of my husband, John, of the U. S.
Merchant Marine and chief mate on
one of the vessels that recently return-
ed from your shores, I am writing to
try and express our thanks and appre-
ciation of your kindness and thought-
fulness for our brave seamen. My hus-
band was the fortunate young man
to receive your Christmas package and
is very proud and happy with the many
useful gifts which you were so kind to
think of. Our hearts go out to the peo-
ple of Canada who so generously made
our boys so happy at Christmas time."
An English seaman writes: "From the
H. B. Essex Trader, home address
Houghton Le Springs, County Durham,
England. I am a fireman on this ship
and I shall thank my ditty bag to my
son, Mackey and my wife. They will be
glad to see how the people of Canada
treat the Merchant Navy and I shall
tell your kindness to the Daily Express
in London—Lord Beaverbrook's News-
paper. He came from New Brunswick.
I believe God bless you all and thank
for every single thing in the bag and
the kindness behind it."

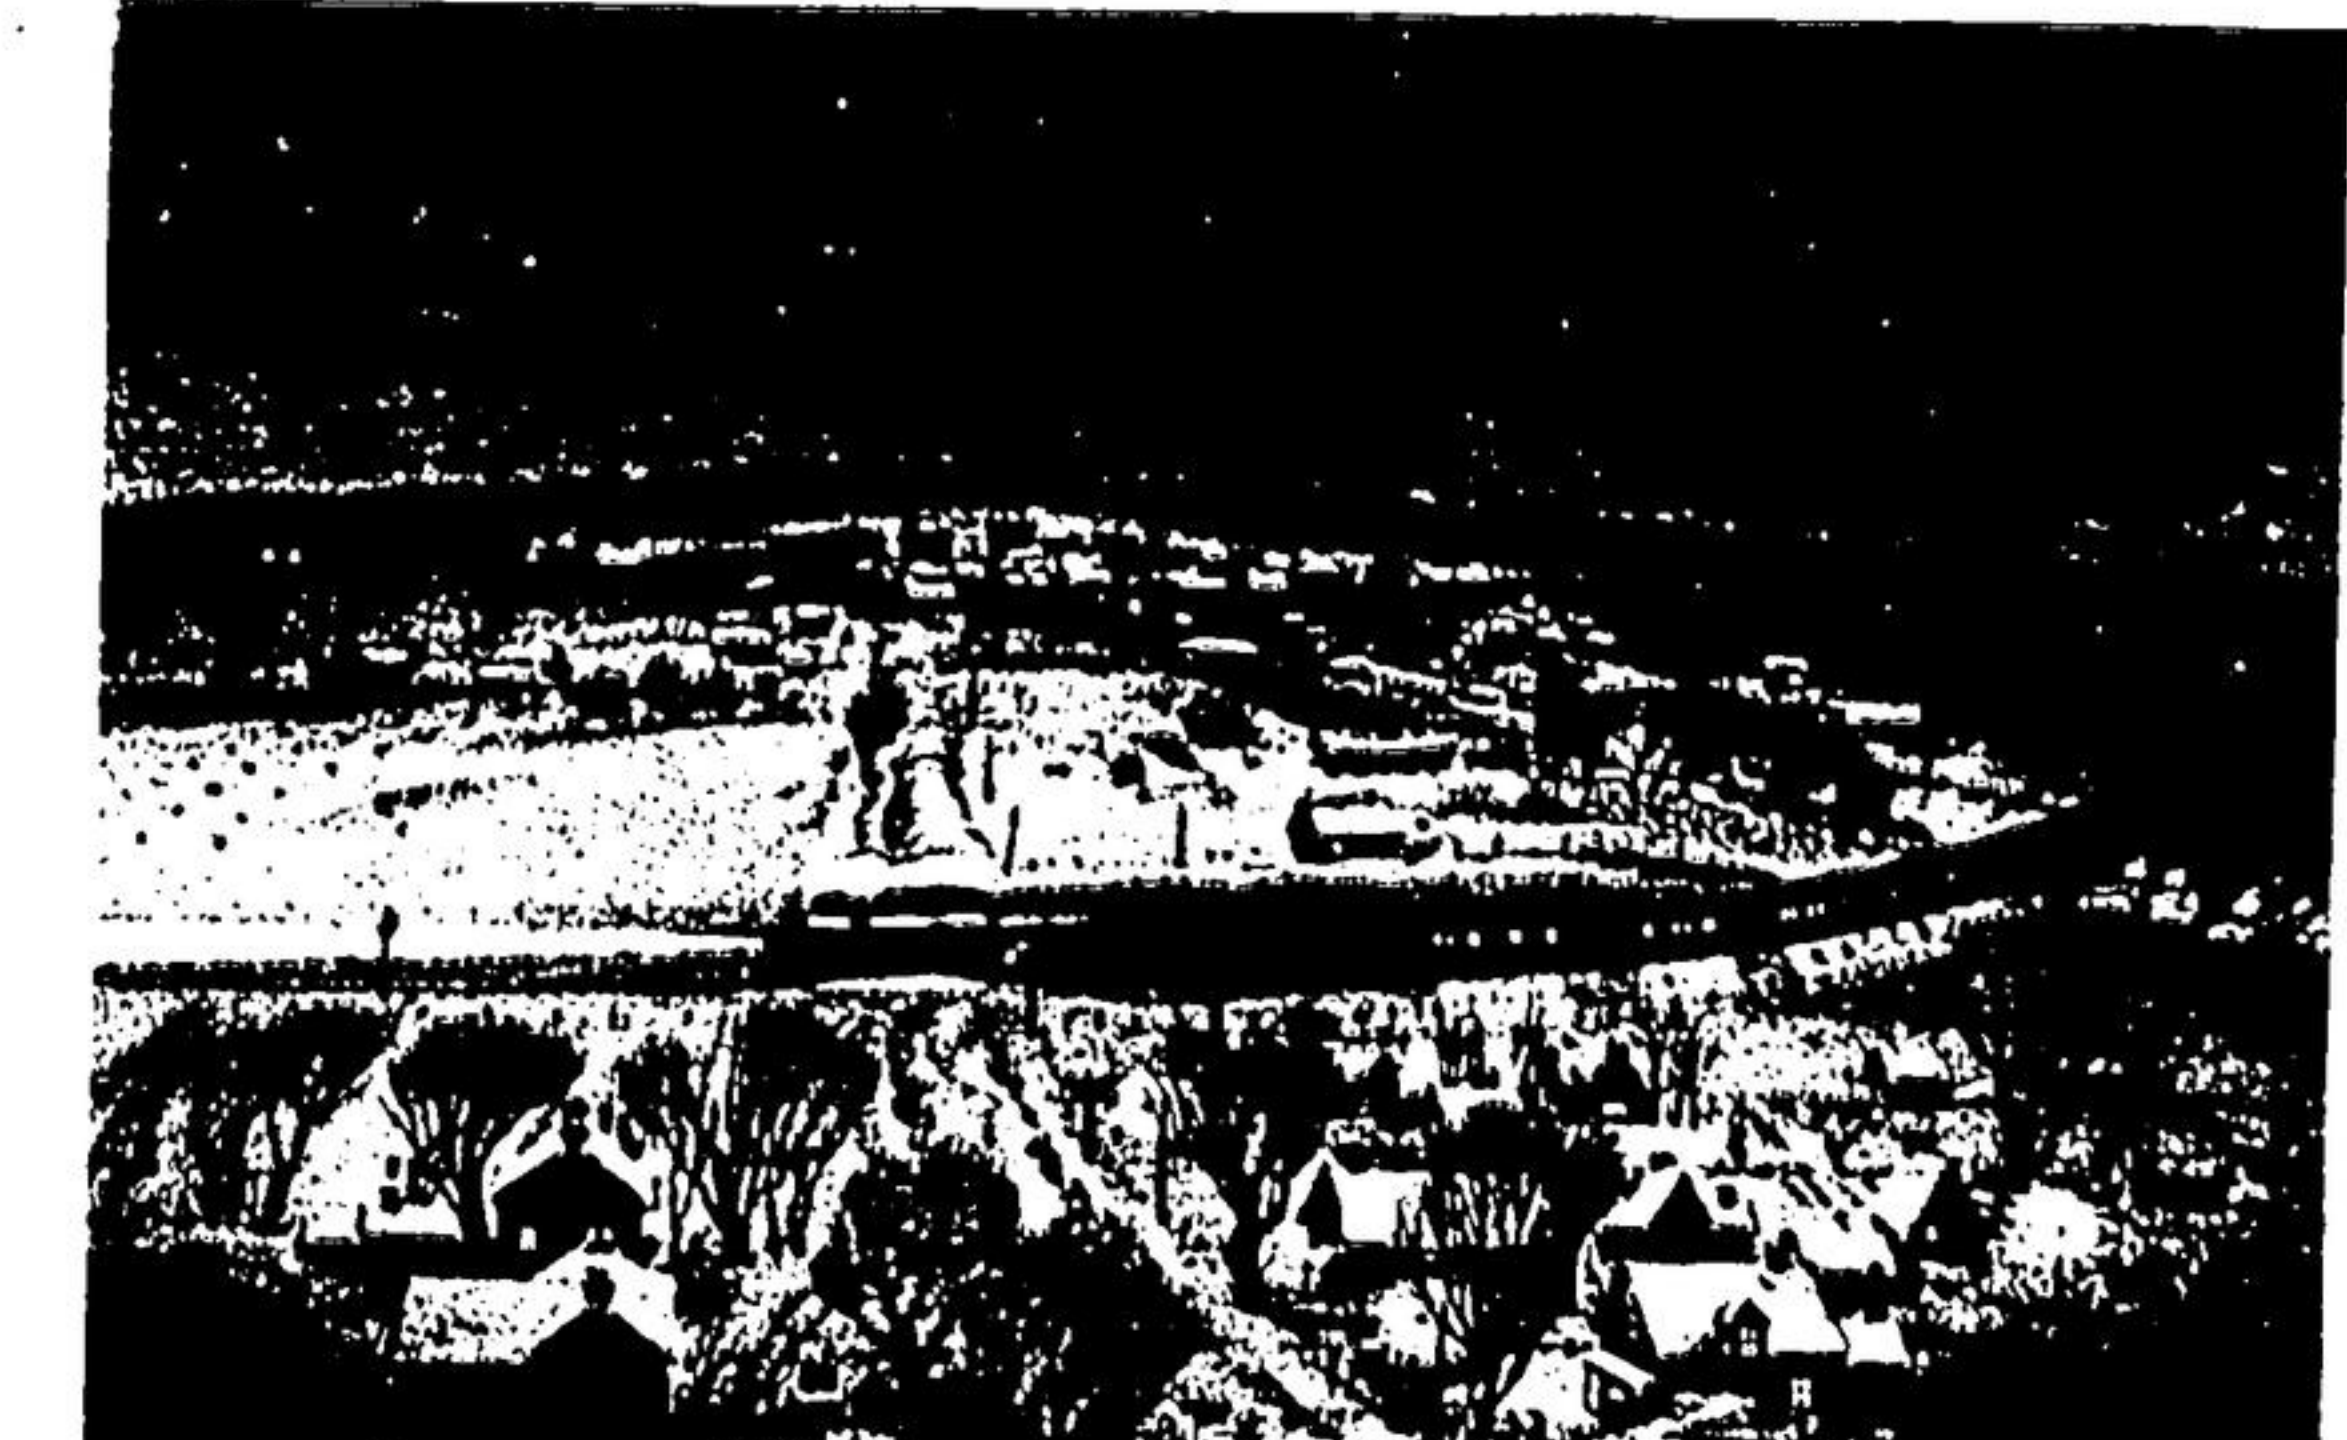

New Zealand Appreciates
The New Zealand gaiting industry,
in order to show its appreciation of the
gallant work of merchant sailors, is
placing on board every ship that leaves
New Zealand shores a special supply of
butter in sufficient quantity to ensure
a gift to every man of the crew. The
butter is kept in stores and distrib-
uted when the vessel reaches the home
port. A few of us a bit en-
vious?

"My husband is an efficiency ex-
pert."
"What does an efficiency expert do?"
"Well, if we women did it, they'd
call it nagging."

**WAR WHOOP
1943 MODEL**

YOU HEAR IT at all hours . . .
that long-drawn cry of the loco-
motive whistle. It's the war whoop
of the railways.

It may be a troop train speeding
to keep a date with a convoy . . . it
may be a long freight loaded with
tanks, guns and other materials of
war, many of them built by the
railways themselves . . . it may be
another week's supply of raw
materials to keep a war plant in
production, or food, fuel and other
essentials for the home front.

It is the proud war whoop of
Canada's greatest war industry—
the railways, which are serving
the nation as effectively in war as
in peace. Only the railways can
furnish mass transportation on
such a scale.

Your railways were ready . . .
ready in war, so that Canada
could strike with all her might.
They will be ready in peace
again to serve a greater Canada . . .
rolling ever forward on high-
ways of steel.
