

GLEANED FROM THE PAST

TWENTY YEARS AGO—Council met with Mayor Dale in the chair. Revere McIntyre and members present. It was moved by George Harrington, seconded by W. H. Long that a vote of the ratepayers be taken to decide as to whether a bronze and marble statue or memorial tower clock be erected to commemorate the deeds of the soldiers who gave up their lives in the Great War. Motion lost. A motion to erect the Cenotaph as it now stands was then carried. The report of the Postmaster General gives the following as postal revenue for Georgetown and district Post Offices for the past year: Georgetown, \$11,107.88; Ballinastad, \$177.51; Norval, \$1,108.91; Linehouse, \$271.50; Stewarttown Public School report, \$1 and Jr. IV, Ruth Giffen, Lucy Hicker, Lala Graham, Edna Leman, Gordon Thirton, Hill Bonathan, Hilda Leman, Doris Harris. If you want to pick a quarrel with your neighbours now is the time. Just let your hens run loose.

FIFTEEN YEARS AGO—On Thursday, April 8th, the Fire Brigade completely re-organized with the following being elected: Chief, W. H. Turk; Deputy-chief, W. Long; Secretary, P. Mc-

Cartney; Treasurer, H. Savings; Capt. No. 1, H. Hamilton; Lieut. No. 1, H. Shagherd; Capt. No. 2, A. Parr; Lieut. No. 2, A. Keane; Foreman H. and L. Shagherd; assistant foreman H. and L. Donald; Latimer; Chaplain, P. Sykes; Marshall, E. Forsythe; W. Thompson was elected to the executive of the Ontario Amateur Lacrosse Association at a meeting held in the Prince George Hotel at Toronto. Great crowds attended the Rex Theatre on Monday and Tuesday to see "Ben Hur". It was the best picture ever shown in town, and the Biblical scenes done in natural colours were simply wonderful.

TEN YEARS AGO—Mr. Gordon Barber, of Tarpun Springs, Florida, was a visitor in town. The funeral of the late John Walters, who had lived for 95 years in Esqueving, took place from the residence of his son George, in the National Cemetery, Acton, last Wednesday afternoon. After an illness of some weeks, daughter Elmer F. Harley, widow of the late W. A. Harley, passed away at Guelph General Hospital on Sunday, April 9th. Burial at the various churches: St. George's, Rev. W. C. O. Thompson; United, Rev. R. W. Humley; Baptist, Rev. A. N. Pratt; Presbyterian, Rev. Dr. A. L. Howard; Holy Cross, Rev. Fr. J. L. McBride; Salvation Army, Capt. Pedersen and Lieut. Hooker.

FIVE YEARS AGO—A deputation waited on Council in regard to regulating the hours of the beverage rooms.

An editorial points out the necessity for the town having a municipal building—While playing hockey, Charles Stockford, principal of Unbridge Public School had a fall which fractured his left arm between the shoulder and elbow. While adjusting furniture in the classroom he fell against a desk and fractured the same arm again. March relief account in Esqueving amounted to \$421.76. Word was received here of the death in Woodstock Hospital of Jay Marnden.

JUST LAST YEAR—Mr. J. K. Mahon, of Campbellville, was appointed returning officer for Halton County. Charles Jarkin, of Karsora, and husband of the former Myrtle Adams, whose death occurred suddenly on April 1st, was buried in Greenwood Cemetery. George Sargent has enlisted in the Royal Corps and Ed Backerfield, clerk at Muskoka, Dr. Drug Store, has joined the RCAF. Lieut. Cpl. John Selwyn returned from overseas to take an instructor's course.

CHAS. W. CARNEY RETIRES AND SONS CARRY ON

Chas. W. Carney, Georgetown, well-known in Holstein circles as the breeder of the Get-of-Sire by Echo Hibon Mercedes that was named All-American in 1942 and Reserve All-American in 1940 and 1941, has decided to retire from active participation in the management of his herd and farm and has taken up residence in the neighbouring village of Norval.

His two sons, James and Elwood, are taking over the farm and herd under the partnership name of J. W. and E. W. Carney. They have registered the farm name "Carmax" and plan to use it as a prefix in naming all stock bred by them. Both have been associated with their father in the past operation of the herd, and both have been active in Junior Farmer work.

Every war-worker's TWO-FOLD JOB!

- 1—Maintaining and increasing production
- 2—Helping finance the war

WHEN the Allied forces went on the attack, your two-fold war responsibility became greater than at any time during the war.

For on the attack, war materials just seem to melt away. The consumption of the supplies you are making is going on at an unbelievable rate—hastening the day of Victory and Peace.

This means that the production of war supplies must go on; ever faster. It also means that the cost of the war is becoming greater.

A great deal of these two responsibilities must be carried by war workers like yourself. Only you can maintain and increase the flow of essential war materials. And you, in common with every loyal citizen of Canada, can help finance the increasing cost of the attack.

Your purchase of Victory Bonds is an essential part of the Allied war strategy. Bonds are intended to

be purchased by anyone. They are not reserved for financiers, merchants, bankers or people of wealth only. You and I, and all of us can and should own Victory Bonds.

The fourth Victory Loan will open soon. The millions of workers employed in industry—war and otherwise—are counted upon to loan a definite part of the amount required in the biggest loan yet asked of the Canadian people. To reach it, more men and women and children must become bond purchasers, and it will be necessary for those who have purchased bonds in previous loans to buy more bonds.

When your fellow worker calls on you to buy Victory Bonds BE READY. Give him two orders. One for cash, and the other for the very limit that you can buy out of earnings, on the Payroll Savings Plan. Plan now to do your part to sustain the attack!

If we all cut our telephone talks by just one Minute

...It would Save 110,000 hours for WAR CALLS every day

War calls must come first . . .

which means that we should reduce our non-essential use of the telephone to the minimum. Present facilities cannot be increased; your cooperation is needed if war calls are to go through promptly. Please remember that the wasteful use of telephone time can hold up war business—and that every second you save counts.
