The BRAY CHICK Does the Trick!

Bray Chick is not just a name, it is a brand. It is the only brand that has been used by the R.C.A.F. for its mess kits.

GEORGE C. BROWN Norval Phone 382 r 21

Active Service Notes

LAC Vernon Kirby of Aylmer West was home on leave last week end. LAC Lloyd Boyd of Bagotville, P. Q. is home on 7 days leave.

Corp. Basil Hatley of Potomac is home with his family on 14 days leave. R. O. Ernst from Mount Forest was a visitor at the Legion Rooms on Monday.

Corp. George Perry, Veterans Guards from London, is spending his 14 days leave with his family in town.

One William Anderson has been transferred from Fort Brandon barracks to Camp Shilo Manitoba.

L-Cpl Howard Hillock has returned to Camp Borden after spending his furlough here.

Prd Morrison of the R.C.N.V.R. stationed at an East Coast port, is spending his leave at the home of his sister, the Misses Morrison.

Jim Riddell, a local boy who recently enlisted in the R.C.A.F. has been transferred from Aylmer to the Initial Training School at Victoriaville, Que.

LAC John Hunter of Bagotville, Quebec is spending a 7 day leave with his parents, Mr. and Mrs. Kenneth Hunter, 107 Lorne Street, Ottawa.

Mr. and Mrs. Joseph Hall Sr. received a cable early this week from their son, Tpr. Joe, saying he had arrived overseas safely. Prior to "going over", Joe took his training in the Tank Corps at Camp Borden. Before enlisting, he was employed at Smith & Stone Ltd.

O-B Jimmy Yates of the H.M.C.S. Ontario, on the West Coast and son of Mr. and Mrs. Fred Yates is confined to hospital at Esquimaux, B. C. with pneumonia. "Jimmy" was aboard the mine sweeper and helped in the rescue of the crew of a Russian freighter and contracted a cold. His many friends wish him a speedy recovery.

Pte Reginald Blair, of the Princess Patricia Regiment overseas, son of Mr. and Mrs. James Blair, was married to Miss Nancy White, daughter of Mr. and Mrs. B. White at Salt Dean, Sussex, England, on February 6th. Congratulations. Reginald Blair enlisted in 1939, and went overseas with the first contingent.

A O J J C Wardlaw, son of Mr. and Mrs. J. H. Wardlaw is at his home in town on sick leave. He enlisted with the R.C.A.F. about six weeks ago and has been confined to St. Lawrence Hospital almost ever since. His brother, L. A. Wardlaw leaves shortly for Gall where he will train with the R.C.A.F.

The Jack Hill recently arrived overseas, has written his parents several cheerful letters. He says he doesn't feel too homesick, as he has already seen several boys from Georgetown, including N. Brown, Jim Bagnall, Pete Tait, Brock Harley and Joe Emmerson. In the near future he hopes to see more of the Lorne Bros boys, since their camp is quite close to where he is stationed.

P-O Norman Herbert of the R.C.N. has been attached to the Royal Navy and from his letters, his parents have deduced that he is on convoy duty in the Mediterranean. Although Norman did not say so definitely, he told them to judge for themselves, when, after a two hour shore leave he came back to the ship with oranges, bananas, tangerines, and other fresh tropical fruits.

"As We See It"

By J. A. Goring

THE BIG DAM on the Grand River has done a good job of preventing a flood this spring, as it was expected to do, so everybody should be satisfied. With the soil soaked with water and with so much snow to melt, this surely was an ideal spring to put the Dam to a real test and apparently it has come through with flying colors.

According to the Pergus News Record, it was just five days from when the gates were closed until they had to be opened again as the dam was then filled to capacity. It does seem a shame though to have all that power going to waste and no doubt that too may be used in time. An interesting item in regard to the dam was also mentioned by the Pergus News Record. Stumps that had been left in the flooded area after the trees had been cut were frozen in the ice and when the lake rose it lifted the stumps and all. A novel sort of a stump puller and one that had never heard of before. The lake which has been formed by the new dam is about two and one half miles wide at its widest part and changed the scenery in that part of West Ontario. It is a beautiful sight, and we would imagine.

A NEWS ITEM states that an Air-Graph letter mailed here in Canada on a Thursday was delivered in London the following Thursday. Good going we would say. We sometimes get them in a week's time but not very often. The other day we received three dated the 8th, 14th, and 18th March respectively and they all arrived on 2nd of April. Sometimes even regular mail comes over in less time than do these Air-Graphs but no matter when they come they are always welcome. It would be interesting to know why some of them are delayed as they often are. One letter mailed in December over there just arrived this month. Perhaps Lady Luck has a good deal to do with the progress of those letters.

WE WONDER if anybody ever takes the trouble to correct the Quiz masters when they make an error. Tonight we were listening to "Did I say that" and the question was to name four needles that could not be threaded and one of the needles that was mentioned as being one which answered that description was the needle of the binder. We were always of the opinion that the binder needle could be threaded, although we recall noticing some operators that weren't able to do it very easily. If it couldn't be threaded we wonder how the time ever sets in there to tie the thread. We would say that a pine needle could not be threaded nor could a knitting needle, but at the moment we are unable to think of any other that couldn't be threaded.

WHEN MR. ANTHONY EDEN addressed the House of Commons at Ottawa recently, the time taken up by those who introduced him was much longer than was the time taken up by the speech itself. It reminded us of a somewhat similar occasion. A monument was being unveiled down in Eastern Ontario to the memory of Mr. J. S. Brown, the author of that well known hymn, "What a Friend we have in Jesus". The preacher who introduced the main speaker took up so much time with the introduction that it apparently didn't go over very well with the speaker and his remarks were so short and to the point that they really were more or less of a rebuke to the long winded one that did the introducing. Sometimes having the honor of introducing the speaker is the only time that they ever do get into the time light and maybe we shouldn't blame them for taking advantage of their opportunities to the full.

Neighbours Honour Mrs. Stubbs and Son A very pleasant gathering took place on Thursday evening April 8th at 107 1/2 Fifth Line, Chinguacousy at the home of Mrs. Wm. Stubbs and her son.

W. I. Discuss Rest Room Problem

Mrs. W. O. Peck was hostess to the Women's Institute for their April meeting on Wednesday afternoon April 7th, with Mrs. W. O. McDowell in the chair and Mrs. F. Wheeler acting as secretary. The meeting opened by all repeating the Institute Prayer and singing "The Maple Leaf Forever".

The minutes of the previous meeting were read and approved and the correspondence dealt with. Mrs. F. McNally gave a report of the Eucharist Marathon held recently which netted the funds a nice sum and a vote of thanks was tendered the hostess and also Mrs. McNally who looked after most of the arrangements.

Mrs. McDowell gave a report of the Director's meeting held recently at Milton after which the meeting was handed over to the programme convenors for the day. Mrs. D. Livingston and Mrs. R. Robinson, Mrs. F. Armstrong and Mrs. W. Peck gave several very helpful household hints which at house cleaning time should be of benefit to every one.

Mrs. Livingston and Mrs. Robinson then conducted a contest and had several kinds of cookies on exhibit, some requiring no sugar and other very little sugar. These were afterwards served with a cold drink by the hostess.

A short discussion took place regarding a much needed rest room convenience in town and it is likely some action will be taken in the near future. A vote of thanks was tendered the hostess also the programme convenors for a very interesting meeting.

Before singing God Save the King, the members observed a moment of silent prayer as a tribute to the late Mrs. Geo. Ford, a valued member of the Institute who passed away since the last meeting.

Encourage SUBSIDIES ON VEGETABLES FOR CANNING To encourage this year's production of tomatoes, corn, peas, and green and wax beans for canning purposes, the Dominion Department of Agriculture has announced increased subsidies to farmers producing these crops.
