**PRAYER FOR A SAILOR**  
 Then they cry unto the Lord  
 And He maketh the storm a calm  
 And the waves thereof are still.

The ocean, Lord is very wild—  
 My son so recently a child!  
 It seems that only yesterday  
 I taught him how to kneel and pray.  
 And now he lives where submarines  
 Precede the depths with ugly schemes,  
 Where rampant winds oppose the speed  
 Of convoyed vessels in the lead.  
 Yet flow art Lord of every wave  
 Possessing power to guide and save.  
 And not a ship and not a man  
 Is outside Thy protective plan;  
 As if he roves on sea of land,  
 I safely leave him in Thy hand  
 My mind at peace, my soul aware  
 He cannot sail beyond Thy care.

We are pleased to acknowledge the following ditty bags: Park Circle, Presbyterian Church, 1, Main Circle, Presbyterian Church, 1, Mrs. Chas. Parker, 1, Miss Dunn, 1, Georgetown Women's Institute, 3.

We also have received from Mrs. J. Moore, \$1.00, and Miss Olive Kennedy, \$1.00, towards the filling of ditty bags. We might say we have just completed four from funds sent in and made for that purpose.

**Women's Work Committee**  
 We acknowledge, with pleasure a lovely woolen quilt, each block blanket-stitched, from Mrs. Tulloch, 64 years old.

We have instructions from headquarters that they will not require any more ladies' clothing but we will certainly welcome anything suitable for warm quilts. Our ladies are anxious and willing to turn your used clothing into useful quilts to keep our sailors comfortable while on watch.

**Magazines and Games**  
 "We are just off one of the worst trips I've yet been on in three years of helping work my ship to various parts of the world and I want to let you know on behalf of myself and my pals what relief we get from magazines and games we had on board, which were stamped with your NAVY LEAGUE stamp. If it hadn't been for the little odd bits of pleasure and fun we got from them I think we'd have all gone really haywire. Dirty weather all the time meaning long watches, clothes soaked a god deal of the time, meals on the run when heavy weather made us keep extra watches—you don't realize what relief we had to get away for a little while and play a game of cards or look at your picture magazines—even though they were pretty old by the time we finished this last trip."

Doesn't the above letter make its own appeal? Please save your magazines for our next collection. They cannot be given to a worthier cause.

**Canada's First Hospital Ship**  
 The torpedoed Canadian liner, the former Lady Nelson, raised from the sea, is now a Mercy Ship, known as "No. 46". Her story is not unlike those of the men and women she will carry homeward to convalescence and to be rehabilitated for the "No. 46" herself, or the Lady Nelson as she was called, was a war casualty and came back to be repaired and placed back in service as good as ever.

**REMEMBER!**  
 "No matter how much we do for the men of the Navy and the Merchant Marine, we cannot do half enough," so says Mr. Gordon Letich, President of the Ontario Division, of the NAVY LEAGUE.

**HORNBY**  
 We are pleased to report that Mrs. G. A. (Fred) May has quite recovered from her recent attack of Pneumonia, and that Mrs. Clifford Wrigglesworth is making satisfactory progress toward recovery from her recent operation in Brampton Hospital.

It begins to look as if the weather prophets who predicted a late Spring on account of a late Easter are going to be right. There's hoping the big snow storm of Monday last will be the last one of its kind for this season. We are anxious to have our snow shovel for next winter.

Next Sunday will inaugurate a change in the hours of service in Hornby United Church. The Sunday School session will be held in the morning at 11 o'clock and the Easter church service in the evening at 8 o'clock. The church choir will render special Easter music, and the Minister will give the Easter message on the theme "Victory Out of Defeat." A reception service for new members will also be held during the service.

Save gasoline, tires, and temper by attending church instead of going for riding.

"If ye there be risen with Christ, seek those things which are above."  
 "The Easter message of Life—Free—Palmer—Pulley—Life."

Steel helmets halt shipment. You can buy 43 for \$100. Invest in the new Victory Bonds and save the lives of Canadian soldiers!
