There goes your letter to your boy...

IN IT, you put the home-spun bits of chit-chat you know he wants to hear... and in it you also put your heart. You mailed it with a prayer that it might find him safe and well.

Look—it's already on the way... speeding as fast as railway wheels can carry it.

Those singing wheels carry more—much more—than letters. They carry food for your pantry, coal for your furnace. They roll tirelessly that you may live in comfort. They race across the great stretches of this Dominion with the men and materials of war, so that all of us may live in freedom.

Twenty-four hours a day our railway wheels are rolling, driven by an army of over 150,000 workers serving two major fronts... the home front and the fighting front.

"Keep 'em rolling" is their watchword, whether it's food or fuel, tanks or troops.

Or just your letter to your boy...

IMPORTANT FACTS ON PULP & PAPER WAR EFFORT

HOW THE PULP & PAPER INDUSTRY GUARDS OUR HEALTH

NO OTHER INDUSTRY COULD FILL THIS NEED

FOOD PROTECTS OUR HEALTH. TO KEEP CANADIANS HEALTHY IS THE AIM OF THE GOVERNMENT NUTRITION DRIVE.

BUT PAPER PROTECTS OUR FOOD. BREAD WRAPPERS KEEP LOAVES FRESH, SPECIAL WRAPPING PAPERS ARE NECESSARY FOR HANDLING MEATS, PAPER CAPS PROTECT OUR MILK.

EVEN IN PEACETIME the modern grocery store could not exist without paper wrappings, paper cartons and paper shipping containers. Today, with the shortage of tin, paper is more important than ever to keep Canadians healthy. This is just one of the many vital uses of pulp and paper in time of war.
