LOCAL NEWS

Sunday, June 14th, is Father's Day.

—Did you pay your taxes yesterday?—June 15th was the due date for the second instalment.

—The boulevards on Queen Street are a perfect picture, with the bridal wreath bushes in full bloom.

—How is your Victory Garden coming along? There should be endless varieties to enter at the Fall Fair this year.

—The Government has decided that July 1st (Dominion Day) be a public holiday, and not the first Monday in July as was formerly set out.

—We'll guarantee there'll be no potato shortage this fall if all the spuds being planted now do what they should.

—Come on ladies! Show what you really are doing for the war effort, by displaying your work at the Fall Fair in September.

—Our streets have had the usual application of oil for the summer months, and those living on the unpaved streets will welcome the alleviating of the dust nuisance.

—The Red Cross are desirous of making a shipment. Would those who have finished articles on hand please bring them to the workrooms.

—Corroll's Store has just installed a new refrigerator counter, which will prevent spoilage of any of that precious yellow stuff—and we do mean butter.—In the warm days we hope are ahead.

—The Lucknow Sentinel's survey observes that judging from the number of safe robberies one reads about, the conclusion seems to be that the safest place to keep your dough is any place but in a safe.

—The Herald has just completed a rather large commercial printing order for a Kitchener firm which once more proves that if you want good printing at right prices get in touch with the Georgetown Herald. Phone 8.

—The I. O. O. F. held a successful Mile of Peas on last Saturday, and raised \$800 for the fund. Miss Anne Hickey was convener in charge assisted by Mrs. R. Barber, War Services Convener and members of the Chapter.

—It is not too early to start planning your exhibits for Georgetown Fall Fair which is to be held this year on September 19th and 20th. The school children have already got their prize lists. Watch next week's Herald for a revised Ladies' Work Section.

—The heavy rain over the week end did a bit of good for those fortunate enough to have their crops and gardens in June. 15th was set as almost the deadline for planting crops this year. There will be a lot of ground without grain this season.

—A bit of baseball is in store for the fans next Thursday night, when they can see the Church Boys League in action against the Baptist Church Live Wires, out at the Park, at 7:15. There will be silver collection in aid of the British War Victims' Fund.

—The Local Council of Women will hold their closing meeting on the spacious lawns at the home of Miss Anne Staunton, Maple Ave. on Friday June 18th at 3 pm. Will the ladies please bring in their ditty bags. Rev. C. C. Cochrane will be the guest speaker.

—Mr. O. Stapleton, of Acton, and formerly of Georgetown had the misfortune to have part of the thumb on his right hand severed, when it was caught in the die cutting machine at the Beardmore Leather Co plant.

—"Miss Norval", a fast travelling filly owned by Miss Vivian Clark, Norval, ran seventh in a field of eight at Dufferin Park, Toronto, last Wednesday. Miss Clark has been making a name for herself the past few years by her interest in harness racing.

—With their funds depleted, due to donations to the war efforts and other community enterprises, the Georgetown Lions Club are at a loss to know just how to commence beautifying their newly-acquired lot on Water Street, which they hope some day will serve as a rest-park for local citizens and visitors to our town. Georgetown is surely in need of a park of this nature, and the Lions Club should be given all the support necessary to see that their endeavour is accomplished.

CARD OF THANKS

Mr. and Mrs. J. Hughes and Bernice wish to thank their kind neighbours and friends for the many kindnesses and sympathy extended to them in their recent sad bereavement in the death of their beloved son and brother
