W. G. MARSHALL,

C. E. WIGGINS

Members of the Independent Order of Oddfellows, Grand Lodge of Ontario, recently met at the King Edward Hotel, Toronto. At this meeting Clarence H. Wiggins, of Brantford, former business partner of the late Mr. Wiggins, was elected as the 11th Deputy Grand Master for this district. Mr. Wiggins is at present Executive Service Officer at Brantford and his many friends in Georgetown congratulate him on his new appointment.

Active Service Notes

AC 2 Lorne Wardlaw was home for the week end.

Pte. "Red" Holmes of Camp Borden called on friends in town last week.

AW2 J. H. Mackenzie from No. 7 Depot, Rockville, spent the week end at home.

Sgt. Laurence Beaumont of St. John's, Quebec, was home on week end leave.

AC 1 R. B. MacKenzie has returned to his station in New Brunswick, after being at home for 7 weeks furlough.

Sgt. David Crinion, who was stationed in Ceylon, India, has had a change of address. His mail will now reach him at Kilmakassar, Adm. Area, Bala.

Pte. Walter Hahn of North Bay, was home for the weekend. Also home in town for week end leave, Sgt. Cecil Davidson, Kingston, Sgt. George Sargent, Kingston, Lt. Bertie Schenk, Toronto, Lt. C. V. Kirby, Ajax, Ont.

Chief P.O. James Emmerson has returned to Halifax, after being on a month's leave at home. Mrs. Emmerson will join him shortly.

Pte. Edwin East, of the Ordnance Corps, has arrived overseas before enlistment. Edwin was the town's very capable fire truck driver. His wife and son live in town.

AC 1 George Perry enlisted in the R.C.A.F. last February, and has been transferred to Halifax after training for a few months at Mountain View. He is a bomb-thrower in the ground crew.

Mr. Archie Law is another Georgetown boy who found the charms of an English girl irresistible. He married the former Mary Spruce, his mother's niece, last year, and Mrs. Law has just received word of a daughter born to them the latter part of February.

Mr. Law has been overseas for two years with the Royal Canadian Engineers. Congratulations.

P.O. Stuart MacLaren, overseas with the R.C.A.F., was spending the evening in barracks recently, when he was told that there was someone looking for him outside. Rushing out post-haste, he found Lieut. Paul Barber waiting for him at the entrance of the building. It was the first time they had met each other since going overseas.

Naturally, the first thing Stuart did was to show Paul his "kite", or plane to us. He was pointing out something on the nose of the plane when they heard a shout from behind. Looking quickly around, they spied LEO Rescoe Bromhead, who had been working on the en-

gine of the plane. It's a small world, Reg, who is in the ground crew of the R.C.A.F., had been working with the same squadron (Moore squadron), as Stuart, ever since going over, and the two boys had never chance to meet before.

A-B Ronald Mordham is home on leave from the Royal Canadian Navy for 28 days, with his parents, Mr. and Mrs. Walter Mordham. Ronald recently has been on convoy duty in both the Atlantic and the Mediterranean, and was honoured recently as holding the highest record of any corvette in the United Nations series for picking up survivors. Ronald enjoys the life on the sea, although home seems pretty nice after not having had leave for sixteen months. He enlisted in March, 1942. Prior to that, he was employed at Provincial Paper Ltd.

But H. Perry arrived home from overseas last Friday night, after having been in England for three years and five months. Their boat brought over five thousand German and Italian prisoners captured in the African campaign. H. Perry, a member of the Lorne Scouts, is a veteran of the last war, and was the first yet to go active, the first to go overseas, and probably the last to come back. He is home on 28 days' leave. He mentioned how much he appreciated the thoughtfulness of the folks back home who sent him comforts and cigarettes, especially the Soldiers Comforts, the Church of England, the Lorne Scouts W. A., and the Canadian Legion W. A.

LIMEHOUSE

Lawson, Jane Parry and Mrs. Harlow of Georgetown also assisted the choir in the evening. Rev. C. C. Cochrane who conducted services at Norval and Union was present to assist with the evening service.

Mr. and Mrs. D. M. Goody and children of Toronto spent Sunday with Mr. and Mrs. W. Goody.

Alex. Wright of R. C. A. F. was home for the week-end.

Pte. J. L. Elmerby was home from Camp Ipperwash.

Mr. and Mrs. S. Kirkpatrick opened their home for a supper and dance for the benefit of the war fund of the

W. I. on Friday evening. High scores in cards were held by Mr. and Mrs. S. Norris. Messrs. Ritchie of Thistleton supplied music for the dance afterwards.

Mr. W. A. Lane left Sunday evening for Moose Creek to attend the funeral of his wife, the late Mrs. Jas. Murray. We extend sympathy to Mr. Lane.

Miss Peggy Southurst spent the week-end home from Toronto.

IMPORTANT FACTS ON PULP & PAPER WAR EFFORT

HOW THE PULP & PAPER INDUSTRY HELPS BLAST THE AXIS

IN MAKING HIGH EXPLOSIVES WOOD PULP HAS LARGELY REPLACED COTTON LINTERS. TODAY CANADA MAKES SUCH EXPLOSIVES AND EXPORTS CHEMICAL PULPS TO BRITAIN.

THE EXPERIENCE OF CANADIAN CHEMISTS SINCE 1918 IN MAKING RAYON AND QUICK-DRYING VARNISHES FROM WOOD PULP IS NOW BEING USED FOR WAR. AFTER THE WAR IT WILL AGAIN BE USED FOR PEACE PURPOSES.

THE PRODUCTS OF THE INDUSTRY go into many things besides explosives. Shells, depth charges, land and naval mines, radio equipment, parachutes for dropping flares, all contain paper or paper products. Without paper no war could be fought... no country could function successfully in time of peace.
