

### Don't Forget the Children When Holiday Planning

NEIGHBORHOOD WORKERS ASSOCIATION

This season's opening of the Neighborhood Workers Association, Country Homes Department, Toronto, has revealed the fact that since the inauguration in 1919 of this plan of providing free holidays for less fortunate city children 12,718 boys and girls have enjoyed country vacations through the kindness of rural hostesses.

F. N. Stapleton, General Secretary of the Neighborhood Workers Association, in expressing his gratitude to the women who have made holidays possible for so many children stated: "There is great value to a child in a holiday of this kind, quite apart from the economic circumstances. Many children need holidays for health reasons. The majority of children sent out to Country Homes come from the crowded quarters of the city. Life in the country is a revelation to them—they learn much from their stay in the country and for many of them it is an unforgettable experience which means much to them in later years."

Mr. Stapleton points out that there is still a need, this year, for country women to entertain city children. "While it is true the majority of families are better off, due to increased employment, poverty is not a thing of the past. Many families are still having quite a struggle. There are cases where the father is sick, or incapacitated, or where his wages are not sufficient to cover the expenses of a large family. There are, also, many instances where the father is in the armed forces and the mother is unable to pay the cost of summer holidays out of her regular allowance. Many such families live in the down-town areas of Toronto and the children are forced to play on the hot city pavements now that school is over," he said.

Children on the "Country Homes" list of the Neighborhood Workers Association are between 6 and 12 years of age. Directors of the vacation plan prefer to send two children to a home, especially in cases where there are no children in the hostess' family. Holidays are for a two weeks' period in July and August and the children are entertained, of course, without remuneration to the hostesses. The Neighborhood Workers Association provides all transportation costs and has the children medically examined before they leave the city. Invitations must come from homes within a 150 mile radius of Toronto and should be accompanied by a letter of reference from the clergyman or some well-known resident.

Provision of a holiday for city children can be considered a real war-time job for country women. Mr. Stapleton points out, as it is essential that the health of children in overcrowded city areas be safeguarded in these times. "I am confident that the women of the rural areas close to Toronto will show their accustomed generosity this summer despite shortage of help and increased work," he said.

Invitations should be addressed to The Country Homes Department, 23 Wilfrid Street, Toronto, and should state clearly the number of children invited, sex and age preferred, simplest method of transportation from Toronto and time most convenient for the children to arrive.

### ACTIVE SERVICE NOTES

The Department of National Defence has announced the award of the Canadian Efficiency Medal to L-Cpl. R. Lorusso who went over with the Lorne Scots in 1941. The despatch did not state any further particulars concerning the award, but we may rest assured it was for a job well done.

#### M. O. R. REPORT

The M. O. R. presents the following report on communicable disease for the month of June in Georgetown. Chickenpox, Scarlet Fever, Measles, German Measles, Mumps, Infantile Paralysis, Typhoid Fever, Whooping Cough, Cerebro Spinal Meningitis, Tuberculosis.

## Social and Personal

Mass at 9:00 a.m., 2nd and 4th Sundays, 11:00 a.m. 1st, 3rd and 5th Sundays.

### Canadian Pacific Spitfires Take Toll of Hun Planes

The two Spitfires presented to the Royal Canadian Air Force overseas by officers and employees of the Canadian Pacific Railway from the proceeds of their novel Golden Aircraft Fund have had "very remarkable careers," according to the R.C.A.F. News Service. Pilots flying them have shot down at least seven Hun planes, damaged nine and chalked up two probables, and, in addition, Canadian Pacific I and II were the "personal" ships of two Canadian aces when they won the Distinguished Flying Cross.

The two fighter planes, pictured on the upper right of the layout above, were paid for by the sale of old gold donated from all over the Canadian Pacific to a fund originated by Miss Gladys Gowland (upper left), of the treasury department in Montreal, who is shown rolling the slings of war out of the barrel and into a model C.P.R. train.

The pilots who "got their gong" while flying the C.P.R. Spitfires are Squadron Leader D. G. (Bud) Malloy, D.F.C., of Halifax (left), who made 46 sweeps with Canadian Pacific II; and Flight Lieutenant G. B. (Scotty) Murray, D.F.C., also of Halifax, who destroyed one enemy aircraft, damaged four and had two probables in 37 sweeps with Canadian Pacific I.
