Legion Notes

Comrade and Mrs. Wm. Roney are spending a few days in Toronto.

Comrade Chas. Parton, vice-pres. of the local branch, Mrs. Parton, Mrs. Nellie Fox and daughter Sandra, and Mrs. Eva Parton all returned from their holidays spent at Port Dalhousie. Mr. and Mrs. Parton visited their son Alan at Niagara Camp while en route.

At the last executive meeting it was moved and seconded that the president, secretary and treasurer be presented with leather brief cases and these are expected to be presented to these officers at the September regular meeting of the Legion.

The Legion members regret to learn that Comrade Nat. Collins failed to pass his medical after serving in the armed forces since 1930 and has been found unfit for military duty by the new medical board. Nat. Collins, a veteran of the last war, having served in the Garrison Artillery on Coastal Command, enlisted in the present war in September 1939 and served four years in the capacity of cook, Sgt. Instructor in Small Arms, P. T. and Bayonet practice. Although somewhat disappointed to be relieved from active service he immediately made application for enlistment in the Mercantile Marine and all his comrades wish him the best of luck.

Of interest to the members is the announcement made by Pension Minister Ian Mackenzie during the presentation of the Legion's rehabilitation bill to the House of Commons. Committee last month that an official of his department will soon be sent overseas to give the fullest possible information to Canadian troops on post-charge re-establishment plans. The minister said creation of the overseas post has been approved by the Civil Service Commission and the Treasury Board and that an appointment may be expected soon.

Comrade Robert Muir, chairman of the entertainment committee reports that the attendance at the regular

tings being held Wednesday and Saturday in the club rooms are increasing. "Bob" who is in charge of these things deserves the praise of the Legion for the good job he is doing.

Several persons have at different times asked the writer what were the aims and objects of the Legion. We are glad to state the following advantages are available: The Legion is a patriotic, non-partisan, non-denominational organization with an enrolled membership of more than 300,000 ex-soldiers, sailors and airmen in over 1,500 branches. The Canadian Legion is dedicated to service on behalf of the Dominion's fighting men and veterans alike, as well as their dependents. Here are a few of its activities: For Men on Service—Educational Services, Personal Services, Entertainment Services, Recreation Huts, Libraries, Overseas Broadcasts, Sports Equipment, Mobile Centres, London Leave Clubs, Dependents' Assistance, For Ex-servicemen—Rehabilitation Assistance, Pension Adjustments, Treatment Claims, Legitimate Protection, Civil Service Privileges, Local Employment Assistance, Poppo Day Fund, Club Rooms and Personal Services. Join the Legion! Help your comrades. A hearty welcome awaits you.
