This special event was to celebrate the 15th Anniversary of the founding of the Auxiliary. After the supper a dance was held with Mr. John Nickel of Lincoln and Mrs. Morrow of town supplying the music. The committee in charge were Mrs. J. Blair, Mrs. W. Healy, Mrs. F. McCann, Mrs. J. At the picture of the dinner a toast was proposed to the King by President Fred McCann, of Branch 129 and at the close of the dinner a toast to the Legion Auxiliary was proposed by Comrade Herb Hart and ably responded to by Mrs. Brandy.

Orive, Mrs. W. Honey, Mrs. P. Brandy, Mrs. J. Kemshead and Mrs. Stacey the present president.

Col. Cousins remarked to the gathering that fifteen years ago he was then President of the Legion and Mrs. F. Orive was president of the Auxiliary, today Mrs. Orive is Zone representative for the Auxiliary and Col. Cousins is Zone representative for the Legion.

One of the most successful meetings ever held by the Imperial branch of the Canadian Legion took place last Sunday in the Legion Hall, with Comrade Chairman Jimmy Roberts occupying the chair. After the minutes of the last meeting were read and adopted the main highlight of the meeting was the discussion in reference to increased grants to Imperial Veterans.

Lengthy correspondence from the British Pension Board was read and thoroughly discussed by members present. In explaining the aims and objects of the Imperials Col. G. B. S. Cousins stated that the Imperials are not in any way detrimental to the Legion but this organization was formed to look after the interests of those Veterans who fought under the British Government and their claims are entirely different from that of the Legion and by having their own organization they can fight their problems better by dealing direct with the British Pension Board.

Every Imperial stated Col. Cousins is a member of the Canadian Legion and with the latter organization willing to help with their support, the Imperials feel that with Unity and Strength of both organizations the Imperial Veterans of the last war will obtain justice in their demands to the Pension Board.

With the ranks of the Legion and Imperials now well over 215,000 members it is anticipated stated Col. Cousins that with the return of the men now serving overseas and in Canada that the membership of the Legion should reach close to a million members.

It was decided that the officers for the past year should remain in office for another term and this was voted on unanimously.

Regular monthly meeting will be held during the fall and winter months in the Legion Club Rooms at the call

BARN, CROPS LOST IN FIRE

Caledon Farmer, Stunned by Lightning, Comes to In Burning Building

Stunned by a lightning bolt which struck his barn while he was climbing a ladder to the second floor, Norman Nelson, Alton, regained consciousness as the smoke-filled building broke into flames. "A heavy puffing sound, almost like an explosion, awakened me, and then there seemed to be flames everywhere," he told neighbors. I was barely able to grope my way to the door and hadn't a chance to save anything."

His call for help was the last to reach Caledon municipal telephone exchange over the rural party line before it was put out of order by the storm.

The heavy gale made it impossible for a bucket brigade of neighbours to reach the roof of John Jacob's barn across the road, which was being showered by sparks. "Just when it seemed as though they were going to be beaten in their attempt to save it and other nearby buildings, a drenching rain started and averted further danger," Mr. Spens said.

Mr. Nelson's whole grain crop, except ten loads still in the field, was lost. Two calves perished. Storage of grain in the building had been nearly completed at a threshing finished at noon yesterday.

Hall shattered fifteen panes of glass in the home of Howard Sinclair. Windows also were broken in the home of Robert Coburn. Wind overturned and damaged a hay loader on the farm of W. J. Young.
