

What Are YOU Doing to Help "SPEED THE VICTORY"

ROLL OUT THE DOLLARS

.... and *They'll Roll up the Axis!*

The great attack is on. On every front our fighters smash into the Axis with every weapon we can give them. Festung Europa" cracks under the might of their blows. Crack it wide open; help to send our boys in triumph into Berlin by lending your dollars to speed their Victory.

There's no holding back over there. Sailor, soldier, flier, they're giving you action with planes, ships, tanks and guns talking to the foe in the only language he understands. This is your chance to give *them* support. Buy bonds. Back our fighters as you've never backed them before. *Lend* as they fight — all-out for Victory.
