Presentation to the Smith Family

Mrs. Jas. Miller, Silvercreek, opened her home on Tuesday evening, October 26 for a farewell party to Mr. and Mrs. Frank Smith and family.

The first part of the evening was spent in playing progressive euchre and croquet. After lunch, Mr. and Mrs. Smith and guests were called to the centre and asked to be seated. After a few words by Mr. Harding Price, Mr. Stewart Miller read the following address:

Dear Mr. and Mrs. Smith and family and Mr. Harry Smith: It is with regret that we have learned of your leaving this community. It seems a short twelve years that you have lived here, but during that time you have certainly proven what kind of neighbours you are and this neighbourhood is going to be the poorer, because of the change which you are making.

We realize that you are not moving very far away and for that reason it should be easier for you to visit us, and that is exactly what we want you to do. You can be assured that a warm welcome awaits you any time it is possible for you to return and be among us. We are sorry to lose you as our neighbours but we are glad that we can still regard you as our friends and each one of us will certainly continue to do so.

We would like to extend to you our sincere desire that you may enjoy good health, good cheer and good luck throughout the years which lie ahead.

When you move to your new home we would like you to take with you something which will be a remembrance of your friends from Silvercreek, and so we would ask you to accept this present. It is our hope that it may convey to you at least a small portion of the respect which we have for each one of you.

Signed on behalf of your neighbours: Harding Price, Eva Harding, Robert Miller.

The Smiths were then presented with a lovely chair and card table. Mr. Smith thanked the neighbours for their kind words and lovely gifts. After a few familiar songs were sung a very happy evening came to a close.

Sunday School Work Discussed at North Halton Ministerial

The regular meeting of the North Halton Ministerial Association was held on October 25th, at the Presbyterian Church, Milton, and was addressed by Rev. E. B. McLean, General Secretary of the Ontario Religious Education Council.

Briefly reviewing the history of the Sunday School Movement, Mr. McLean pointed out that it has passed through four periods. Beginning as a founding laid on the Church's doorstep it met with opposition. This was followed by a period in which the Churches did little, but which saw the founding of numerous Sunday School Conventions and Institutes. From 1880 to 1920 there was considerable competition between these S.-S. Conventions and the Religious Education Boards which each denomination had set up.

The O. R. E. C. is an opportunity for the Churches to work together for a Christian Education advance.

It was again decided that the members be asked to give one dollar, more or less, to increase our funds.

Mrs. Ross introduced our guest speaker, Miss Sybil Bennett. Her talk to us was very interesting and inspiring. "We have a great British Christian Democracy to save, and the future peace and Christianity of this world must be decided right here and right now in this generation," stated the speaker.

In closing, Miss Bennett said that we have a wonderful heritage. A vote of thanks was moved by Miss A. Ryan and seconded by Mrs. J. B. MacKenzie. The meeting was adjourned.

Miss Sybil Bennett Spoke to Local Council of Women

The October meeting of the Local Council of Women was held Friday at the home of Mrs. Ralph Ross. In the absence of the President, Mrs. Ross presided. The meeting opened with silent prayer. The minutes were read and approved and the correspondence dealt with. Two donations were passed, \$10. to the Soldiers' Comfort Fund and \$5. to the Poppy Fund.

Three Provincial Leaders Ask Citizens to Buy Victory Bonds

Three political leaders in the province of Ontario, the Honourable George Drew, Prime Minister, E. B. Joffe, Leader of the Opposition and H. C. Nixon, Leader of the Liberal Party, have joined in rallying the citizens of the province to a supreme Victory Loan effort in separate statements released today.

Said Prime Minister Drew, "I am glad to say a few words in support of the present Victory Loan Campaign. The military situation has changed so much in the past year there may be some tendency to feel that the need for the utmost exertion has passed. Actually, however, this is one of the most critical periods of the war. Victory now seems to be only a question of time but the speed with which victory can be won will to a considerable degree, measure the extent of our success."

"While it is certain that Germany cannot win, Germany undoubtedly still hopes to fight a war of exhaustion ending in a stalemate. It is therefore appropriate that the slogan for this campaign should be 'Speed the Victory'. Victory over the evil forces we are fighting will be measured now by the speed with which it can be won. Our own fighting forces, and our partisans, our aeroplanes and ships that can be supplied and need them as soon as they can be made. It is to make those things and support the families of the men who will use them that this money is being raised. This should not be looked upon so much as an obligation as an opportunity. It is the one way in which the people at home can put into the hands of their fighting men and women the tools of victory."

Mr. Joffe, C.C.F. Leader, said, "The war effort depends on the support of the Canadian People. They can help, and it is necessary that they should help, by making the Fifth Victory Loan Campaign an unqualified success."

"Ontario has a special responsibility for the success of the loan, and the people of this Province, I am sure, will again do their part."

"The war cannot be won without sacrifice. The cost is high in terms of human life and suffering, and for this there can be no adequate recompense. Our obligation is all the greater to contribute with the utmost of our ability to the financing of the war and a speedy victory."

From Mr. Nixon came the following message: "How thankful we all should be that Canada's Fifth Victory Loan can be launched under such a slogan, justified as it is by the march of events, by well-earned victories, by new friends and allies, by an outpouring of effort which, if maintained as it must be, guarantees ultimate victory by the unconditional surrender of the enemy aggressor nations."

"In contrast, we recall the dark days when The Empire fought alone. We were unprepared and ill-equipped against a powerful and victorious enemy, expecting at any time the announcement that England was invaded and our own coasts and cities under attack. Then our organization for war was so incomplete that not even the most optimistic, by any stretch of the imagination, could refer to it as an all out war effort."

"Now many are thinking in a most dangerous way that the war is won or that we can coast home to victory on what has already been achieved. Their interest seems mainly to be in post-war planning of expenditure of billions of dollars, but we must heed the warning of our able and informed leaders that the bloodiest battles are yet to be fought and great sacrifice of human life must yet be made by our splendid sons and daughters of the fighting forces."

"It is not possible for the great majority of us to serve and sacrifice in this direct way, but our Country is asking us to buy Victory Bonds, to invest, not give or sacrifice, in sums that will provide without stint the costly equipment of war, which alone can win the battle at a minimum sacrifice of human life and end the war at the earliest possible moment."

"In this we must not fail."

HALLOWEEN PARTY AT ST. GEORGE'S CHURCH BOYS' LEAGUE

A very enjoyable Masquerade Party was held by the Church Boys' League at the home of their Leaders, Dr. and Mrs. Clifford Reid, Monday night. The games room was effectively decorated with many Halloween decorations.

The highlight of the evening was the parade of those in masquerade costumes and the judging for first and second prizes.

The Judges, Mrs. Wm. Bullivant and Mrs. P. Blackburn, had a difficult task as all were so well got up that each one should have had a prize. Billy Hewitt dressed as an elderly farmer won first prize. Bill Bullivant, dressed very stylishly as a Mexican girl, was second with Palmy Schrag, dressed as a Mexican boy winning a special prize of a C.H.L. enamel pin. The first prize was a pen-knife, the second prize an autograph album.

This was followed by the unmasking which created many surprises and then games in which all scores were kept and the highest scorer, Bobby Perry with 361 won an enamel C.H.L. pin and Jimmy Wilson with lowest score of 19 an enamel C.H.L. pin. Refreshments followed which topped off a fine evening of fun.

Before dismissal a vote of thanks was heartily passed to the judges by Ross Norton, seconded by Paul Barber. The leader called attention to the untiring work of Mrs. Othey, who provided the Halloween decorations also a great deal of work towards making the party a success and she received great applause.

The Leader also told Rev. and Mrs. W. G. O. Thompson of the honor and pleasure of having them as guests for the evening.

FARMERS AND FARM WORKERS

If Your Farm Work has Slacked for the Winter, You Are Needed Elsewhere in Essential Employment

Highly essential work—very important in Canada's war effort and for the welfare of the Nation—is threatened with shortages of workers. One of the few sources of men available for other high priority jobs is those men on the farm who will not be needed at home during the Fall and Winter. Heavy needs must be met in many lines—producing fuel wood and other necessary forest products; in base metal mines, in food processing, in railway track maintenance. If you live on a farm and are not needed at home during the Fall and Winter, you are urged to answer this national appeal.

Farmers engaged in essential work during the off season will be allowed to return home when needed. Also, those on postponement under Mobilization Regulations will continue on postponement while in approved essential work during the slack on the farm.

Please answer this vital call NOW.
