Capital Itims: A through air service from Ottawn to Nassau, Bahama Islands, via New York and Mismi is herelated to commence very soon by Colinial Airlines, Inc. with trip total grandmother, Mrs. Hanna Wilson, flyin g time of 10 hours Bureaulaughs-the women who wrote to the Regional Offices of Prices Board seiting what articles were going to be rationed next 'so I can lay in a supply's and the employee who phoned Selective Service exking if he could be "frosen" so the boss couldn't fire him.

According to the WP.T.B. Santa's reindeers will float light as a feather this Christmas because sood and plastie tors will be available in fair sup-Metal and rubber tops will be non compos mentis-or is that the word? the accent will be, owing to shortage of labour by toymakers, on pieces of this and that, so ingentous Johnny can do the assembling.

Under direction of the Consumers Branch, WPTB, I am told, wardrobre of children's made over clothing are being sent to a total of 108 centres in Canada. They offer a variety of new ideas, even to makeover experts like Canadian mothers, particularly in reclaiming apparently useless materia nds turning it into something werehie Emphasis is placed on combinations of pretty colours, tailored amariness and on unusual ways of turning the total losses in the wardrobe into active garmenta Included in the kits are several styles of children's underwear cut down from deddy's union suits. It's the first time in our country's dressmaking history that patterns have been available for children's under-

The machinery rationing officials. meeting in Regins, Sask., recently were concerned about many farmers selling still usable tractors in the hopes of getting new ones. While quotes have been increased there is just enough to meet needs of essentiality. The nearest rationing officer should be written to for a permit before any sale or deal or new purchase is made. The sale of second-hand machines at enhanced prices to secure permits for new equipment is considered "an unfair practice", the Board holds.

Again Agriculture Minister J. G. ardiner makes a tractal appeal that all farmers, especially those in the three prairie provinces (including other livestock shippers), co-operate in withholding from market, sows, unfinished at present for the week-end. cattle and cows, and by spreeding deliveries of bacon hogs and other classes of livestock as evenly as possible. Resson: peas in delivertes in next two pecking plants. Sows, 10 per cent of all gular hogs.
