## SEASON'S GREETINGS

Again we welcome the opportunity of extending to our many customers our sincere thanks for the loyal support, friendly co-operation, and the many courtesies extended to us during the year 1943.

Each passing year has its quota of new friendships made and old ones more firmly cemented; this contributes appreciably to the pleasure of doing business, as we like to feel that goodwill is not merely a Christmas thought, but something that is part of our every transaction during the year.

May your Christmas Season be joyful and the year 1944 blessed with a victorious peace and prosperity.

Sincerely yours,

**BROWN'S BAKERY**
