Brampton Wins Both Opening Hockey Games Played Here

CAMP BORDEN TEAMS NO MATCH FOR WINNERS

Army hockey holds sway at the local arena so far this season, with Brampton Army team playing their home games here. Three Camp Borden teams are in the loop with Orillia, Newmarket and Brampton, and while the first set to was somewhat one-sided better games are promised in the future. The Brampton team is composed of some outstanding hockeyists and will be hard to defeat, but we understand Newmarket may extend them to the limit.

In the opening game last Thursday, No. 1 Camp Borden team was literally swamped by the onrushing Brampton pucksters by a score of 18-3. The visitors were no match for the speedy aggregation from No. 24 B.T.C.

On Monday evening the Brampton team repeated their win, by defeating the No. 2 team from Camp Borden 8 to 3. This game, however, produced plenty of excitement, a few fights, necessitating the appearance of two police officers on the ice at one time. There has been fair attendance at these games and with the appearance shortly of probably the better teams in the league, local fans should be in for some good hockey this year.

A large number, the members of Terra Cotta Ball Team, gathered at the home of Mr. and Mrs. W. F. Hunter and family on Friday evening, December 31st, when a good program was given, consisting of euchre, games, music. They all arrived home in the wee sma' hours. A good supper was in readiness also; lots of ice cream was on hand to which all did ample justice. They report having spent a very enjoyable and also interesting time.

Terra Cotta is only a small county, but we have a lot to crack. Just quite recently as the story goes, a stranger landed there and strange to relate he was inquiring where Terra Cotta was said he was lost in Terra Cotta. We would suggest that Terra Cotta should appoint a guide to show strangers the lay of our burgh.

We understand that Mr. Norrie has purchased a bush farm near the Dark Corners near Rockside. We wish him continued success.

MILTON

Sunday seemed a bad day for motorists on Main Street, and two accidents were reported due in some extent to the icy roadways of the past week. About 4.30 on Sunday afternoon, a truck driver by the name of Clarence Cation, skidded on the pavement at the corner of Main and Bronte Streets. Before getting under control a Hydro pole opposite McEachern's service station was broken off. The second accident of Sunday occurred about 8.45 in the evening. A student car driven by Charlie Allan left the pavement when opposite the Kennedy Hotel. A Hydro light standard was damaged and the car was on top of a water hydrant when finally stopped and was against the poles for the firemen.

The local Dominion Store has been changed from a general store to grocery cash and carry—Champion.
