**PRODUCTION MEN**—keeping in constant touch with sources of raw materials, suppliers of parts, government and military authorities.

**THE ARMED FORCES**—with responsibility for training and supply, for troop movements, for operations on land, air and ocean battlefronts.

**GOVERNMENT OFFICIALS**—in touch with every phase of our production and military program—with foreign governments—with national and international war agencies.

**YOU**—depending on your telephone for quick, essential communication at work and at home.

*But* telephone lines can carry this wartime load only if we all use existing facilities sparingly, and keep our calls just as short and business-like as we can.

Additional equipment is severely limited by material shortages; co-operation must take the place of construction if essential calls are to go through promptly.

### ANNOUNCEMENT

Mr. and Mrs. Lorne Cleave, Norval, will be at home to their friends and neighbours on Monday, February 21st, afternoon and evening, on the occasion of their 25th wedding anniversary.

### GIRL GUIDE NEWS

The regular meeting of the First Georgetown Company of Girl Guides was called to order at 7:30 Wednesday evening, by Patrol Leader Doris Armstrong. After roll call and inspection the girls were given a lesson in handicraft by Captain Lambert. This is a new line of work for the troop and the Guides are showing a keen interest in fashioning belts from heavy twine. At present natural twine is being used but when the girls become proficient in their work they hope to dye the string and weave multi-colored belts.

Part of the evening was devoted to several Guides trying their First Aid tests under Lieut. Anderson. Those passing successfully were Violet Shepherd, June Shepherd, Kathie Thompson, Mary Wood, Dorothy Olney, Shirley Harrison and Betty Law. The Guides who are qualified in first aid but who were absent Wednesday will be able to try their tests at the next meeting.

Captain Lambert expressed regret on behalf of the troop that Doryne Mulholland of the Bluebird Patrol has had to resign from the Guides. It is hoped that she will be able to return to the Company at some future date.

When the Guides had formed the horseshoe for the closing of the meeting, Captain Lambert enrolled Norma Olney as a Guide in the 1st Georgetown Company. Norma had missed last week's enrollment ceremony but is now ready to start the work which will enable her to become a 2nd Class Guide.

Church parade was held on Sunday with a fine turnout of Guides, this being the first church parade of the newly enrolled girls. The Guides parade to church twice a month and it is to be hoped the good attendance will keep up.

### UNION

The community is pleased to learn that Mrs. Albert Dolson who has been very ill in Guelph General Hospital, has improved sufficiently to be able to return to her home. Her large circle of friends hope she will soon be completely recovered.

Mrs. Robt. Laing of Acton spent a few days with Mr. and Mrs. F. L. Thompson last week. During that time her 80th birthday was celebrated on February 5th.

The February meeting of the Federated Clubs of Terra Cotta United Farmers and Farm Women, was held at the home of Mr. and Mrs. Clifford Cook on Monday evening, Feb. 7th.

The Terra Cotta Junior Institute held a Valentine Party at the home of Mr. and Mrs. Lloyd Orichon, Friday evening, Feb. 11th. Court Whist was played at about nine tables, Mrs. Art McKane won the ladies' prize and Mr. Eric Lesalle the prize for the gents.

### LEGION NOTES

President Fred McCartney and the Special Committee appointed at the last meeting will journey to the District Convention to be held at Hamilton next Sunday, where resolutions passed at the Zone meeting held at Brampton will again be brought before the convention.

Comrade Jimmy Roberts spent a few days last week in Ottawa, as a representative of Local 525 United Electrical Workers. Jim reports that members from every part of Ontario were represented and that their demands to the Government will be looked into and will appear in the press.

The Imperial Section of the Legion will hold the election of officers next Sunday in the Legion Club rooms. This meeting was scheduled to be held last week, but due to chairman Roberts being absent from town, was postponed. All Imperials are invited to attend this election meeting.

Members of Branch 120 are requested to attend the regular meeting next week as a report of the doings at the District Convention will be given as well as a report from the Special Committee dealing with ways and means of bettering the local organization. Be on hand as this is the last meeting before the election of officers in the month of March.

Comrade T. M. and Mrs. Wilson, ex-piper of the Toronto Scottish, are visiting Mr. and Mrs. J. Blair.

To speed up the work being done by Comrade Sam Tennant, regarding his activities in disposing of tickets during bingo parties, and the great amount of work involved it has been suggested by several Comrades that at the next regular meeting a motion be made to purchase "Sam" a pair of roller skates to speed up his trips back and forth from the clubroom to the main hall.

Something unusual in the line of face make-up was that of Comrade Ken MacDonald last Saturday when he appeared in the clubroom. Ken, busily engaged in his machine shop in using his hand to wipe the sweat from his brow, fleetly appeared above his eyebrows a black stroke over each eye, which made his appearance rather unusual. A better job of make-up could not have been obtained with a mirror and eye-brow pencil.

Our popular caterer, Comrade Dick Mitchell, who to some comrades is as popular as their former sergeant-major, experienced his first thrill of the winter when driving to town last Saturday. His car skidded into the ditch when it hit a rut in the road, and except for a light dent in the fender of his car, no damage was done. His main worry was that, according to his own words, he shovelled about one half ton of snow to get his car back on the road. Better put some chains on Dick!

A wish-bone appearing above the canteen door last Saturday brought several comments from the members. This wish-bone was very small, so some members suggested that probably it came from one of the chickens that Comrade Boley sold to Bill Roney, others that it was from a prairie chicken, but the conversation about the wish-bone came to an end when Comrade Parton suggested that it was possibly the wish-bone from the rabbit that Comrade Oliver shot last week.

Talking about chickens, the writer heard from good authority, that Comrade Bill Roney once again is thinking seriously of going into the chicken business. Bill has been laid up this past week with a severe tooth infection and no doubt has had plenty of time to look over the catalogues from different poultry houses to have his pick of the breeds he intends to devote his time to. Bill had a successful chicken farm in Silvercreek some years ago, but like all lovers of the out-of-doors, upon receiving seed catalogues and poultry catalogues he feels younger and anxious to venture forth as soon as the snow disappears. All the luck to you, Bill, and get back on your feet; we miss you all at the clubroom and also miss the noise of the drop of your cane.

See you all at the regular meeting next week.—Joe B.

## St. George's Church Boys League

On Saturday morning, St. George's O. B. L. had a fine game of hockey between teams captained by W. Sargent and Maurice Herbert. Walter Sargent's team winning 7-4. The boys enjoyed having F. O. Alfred Sykes as referee with Brian Ferry assisting him. Alf. was able to give the boys a lot of pointers on the finer points of play and they showed the results of his coaching.

On Sunday morning the second anniversary of the Club was honoured in the services of St. George's Church. The Club, led by their shield-bearer, Billy Bullivant, entered the Church leading the choir, singing the Club Hymn, "Onward Christian Soldiers". Ross Norton, chaplain of the club read the Second Lesson, taken from the 4th Chapter of the Epistle of St. Paul to the Philippians, Verses 4-9. The Chaplain also occupied the service, the prayer-desk during the service. Two boys of the club, Ross Sykes and Walter Sargent, the first and second most faithful in attendance at Church, one missing one Sunday and the other missing two Sundays in the whole year, took up the collection.

The Rector, Archdeacon W. G. O. Thompson read the first Lesson from the 6th Chapter of Isaiah, Verses 1-8, and from the Lesson he chose as Text for his sermon, the last part of the eighth verse: Here Am I, Send Me. This being the motto of the Club.

The Preacher outlined in an interesting way the incidents leading up to the beautiful vision that Isaiah beheld which led to a great surge of desire to serve God. Climaxed in the words of the Text, Here Am I Send Me, the Archdeacon then showed and called upon all to cultivate such a desire as Isaiah's. At the conclusion of the service the Club led the choir in the Recessional Hymn.

On Monday evening at six a banquet was held at the home of the Leaders, Dr. and Mrs. Clifford Reid. Those assisting being: Mr. and Mrs. E. Olney, Mrs. C. Sargent, Mrs. Wm. Bullivant Sr., Dorothy and Norma Olney and Margaret Sargent. Their Rector, Archdeacon Thompson spent the early part of the evening with the boys. At eight a sleigh-ride was started, the Bobs being drawn by a beautiful team of greys owned and driven by Mr. John Devereaux. For nearly two hours the boys enjoyed a great ride, the evening being just right, snowing and lots of snow. Following the sleigh-ride the Club was treated with hot chocolate at the home of the Leaders, the former helping again assisting. A great evening was spent by the boys.

During the banquet a gift was made to the Leaders, Dr. and Mrs. Reid, by several mothers of the boys in the Club. Five prizes, Ross Sykes, 1st; Walter Sargent, 2nd; Ross Norton 3rd; Ron Vivian, 4th; Billy Bullivant, 5th, for most faithful attendance at Church during the year.
